

# BIENVENUE À Bibiville

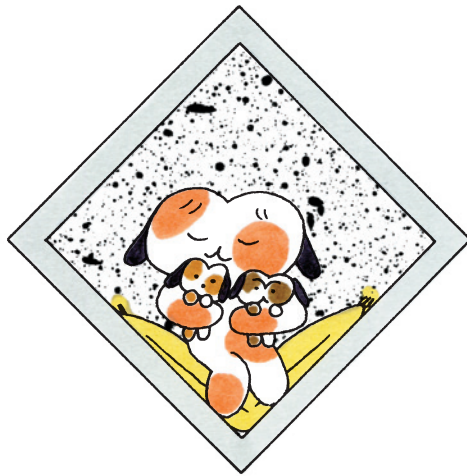

ÉPONINE COTTEY

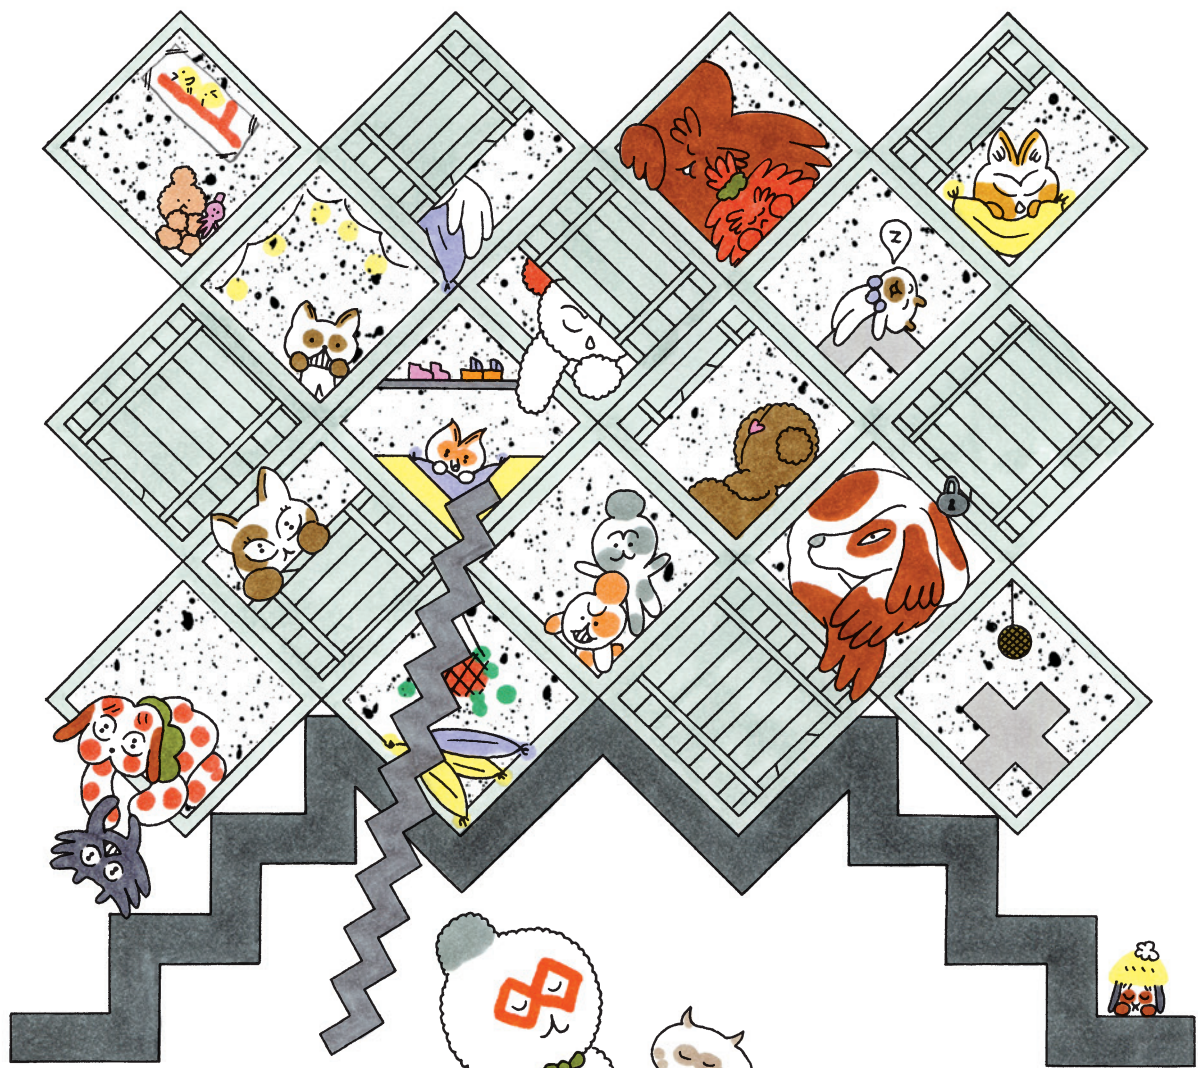

Bulldog,  
Basset  
or Bichon,  
everyone is welcome  
to Bibitown.

Bibitown was founded by Walter Bibi,  
an extraordinary architect!

A long time ago, Walter was abandoned on  
a highway...

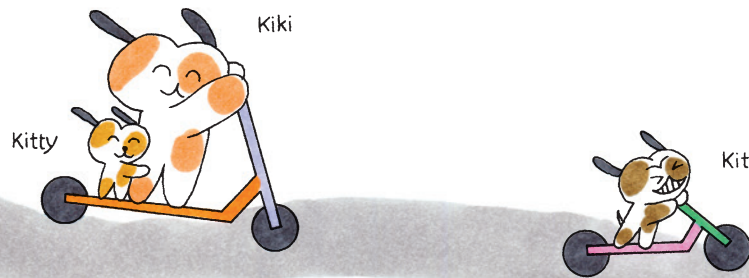

That's where he met Graton,  
the cat working at the gas station.  
Together, they decided to build something  
grand: a refuge for all the abandoned bibis!

Graton

Today, Bibitown has really grown ! Everyday after breakfast, Kiki, Kit & Kitty go to the big chestnut area, to see if a bibi needs help.

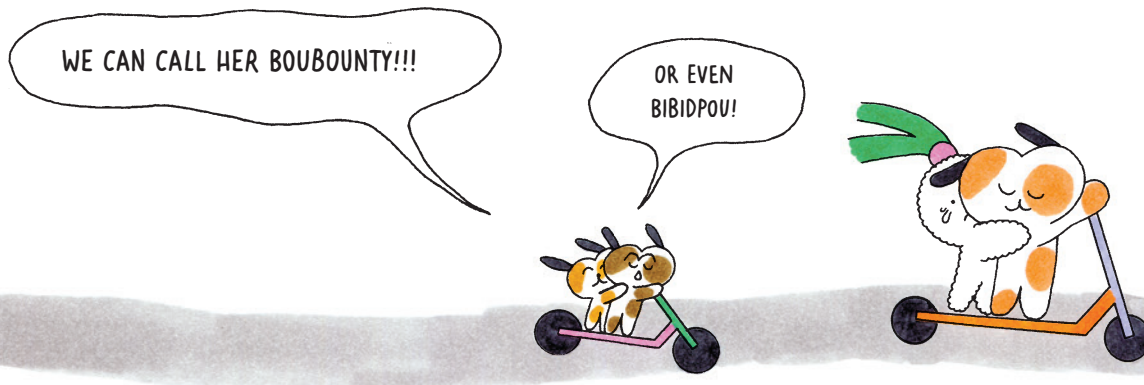

This morning, there's no one around, unless...

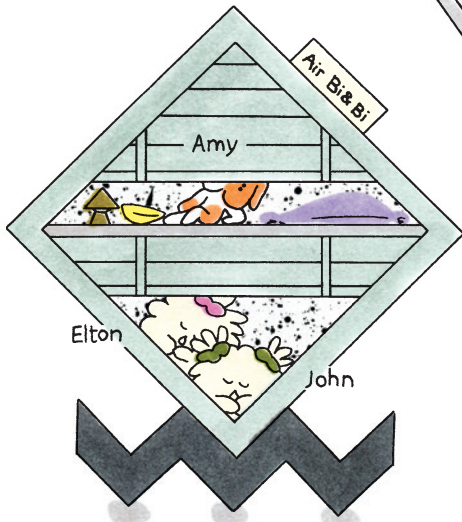

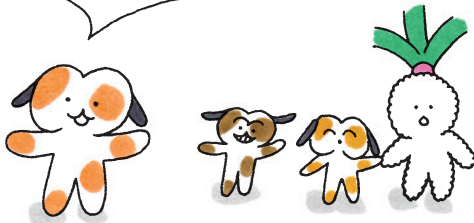

They discoverd Jasmin Bounty hidden behind a pole.  
Kiki released her with Graton's crowbar.

It's time to go to Bibitown!

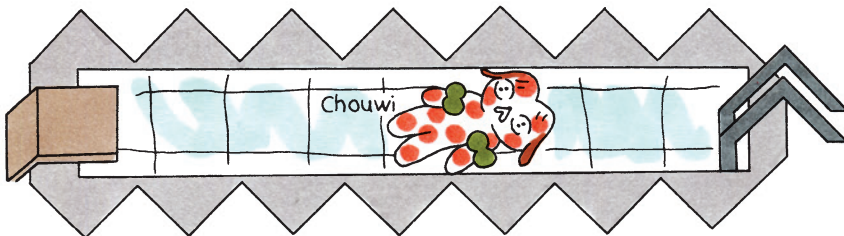

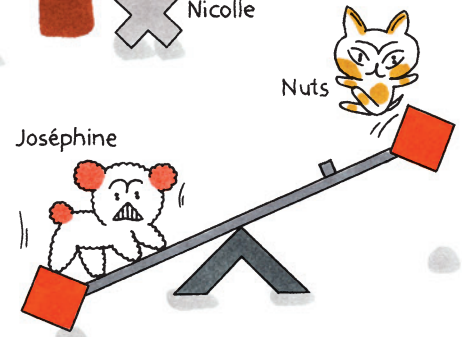

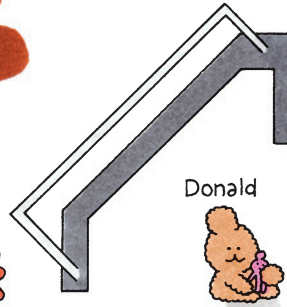

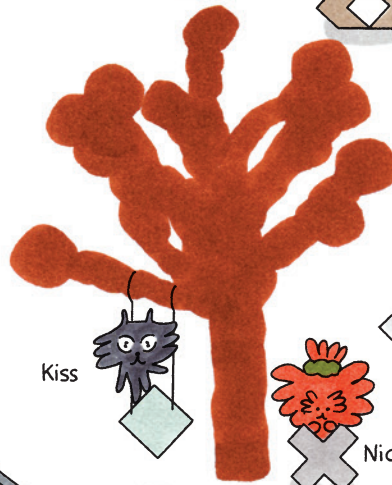

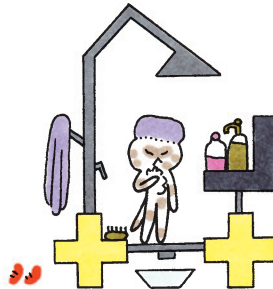

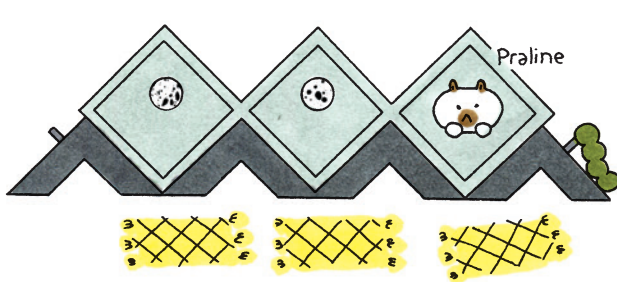

WELCOME TO BIBITOWN!

Back home, Kit et Kitty take Jasmin-Bounty, um no Bibidou, on a shelter guided tour!

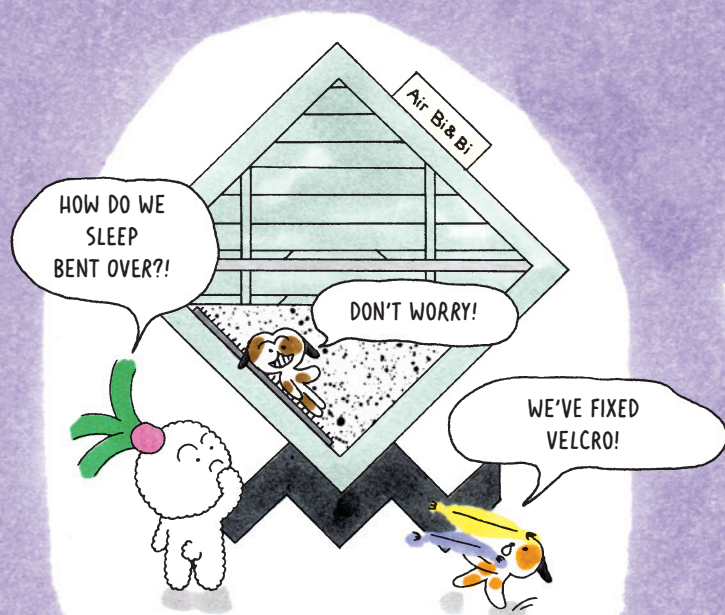

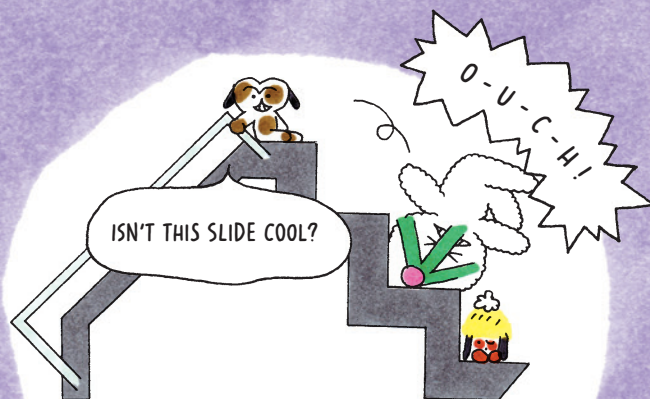

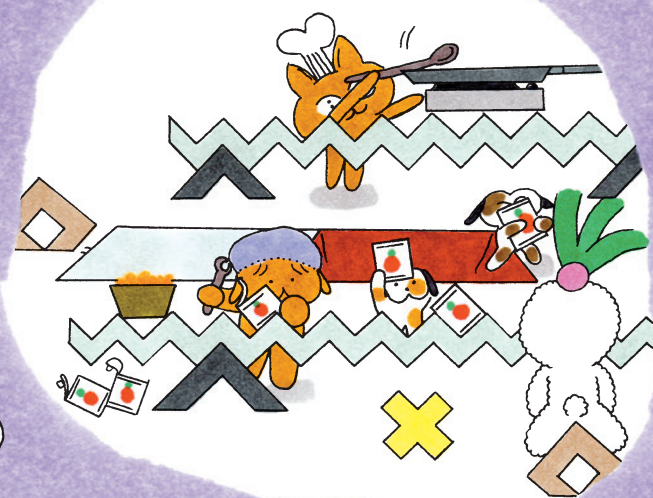

– Wait till you see everything that Walter has made, it's paradise!

Walter Bibi is going to build a new room for Bibidou!  
– My mistress used to build houses too, replied Bibidou, I've got a lot of ideas !

Bibidou dreams of a little tropical-style cocooning bungalow.  
But Walter Bibi seems to prefer diamond shapes...
