

He's back in his rolling machine!

After him!

Hey!

Are you following me now?

What on earth do you want?

Oh, nothing.

Give me back my dog!

It's raining. Let's get some cover.

Give me my dog back!
I have to go!
I left my car in the middle of the road!

Just hold on for two seconds.

Ok, Mage!
I've got him!

Rocky,
come here!

Let go of him!

Ok, Fernando, I'm casting the spell!

Hurry up, Mage!

Who are you talking to, you nutcase?

I hope this works.
Part of the page got buried up.

Ma kuna
Ma tata!

You asked for it!
I'm calling the cops!

Bene come
Sempre

Et keh s'apelerio
