One far off evening, the sun stopped setting.

The kingdom was sinking into an eternal twilight,  
When a wayfarer promised to raise the spell.  
They would go to meet the star,  
They would walk to the end of the day.

Slowly, up rose the king and was followed by all,  
In the hope of a new dawn.

Helios lay motionless on the horizon.

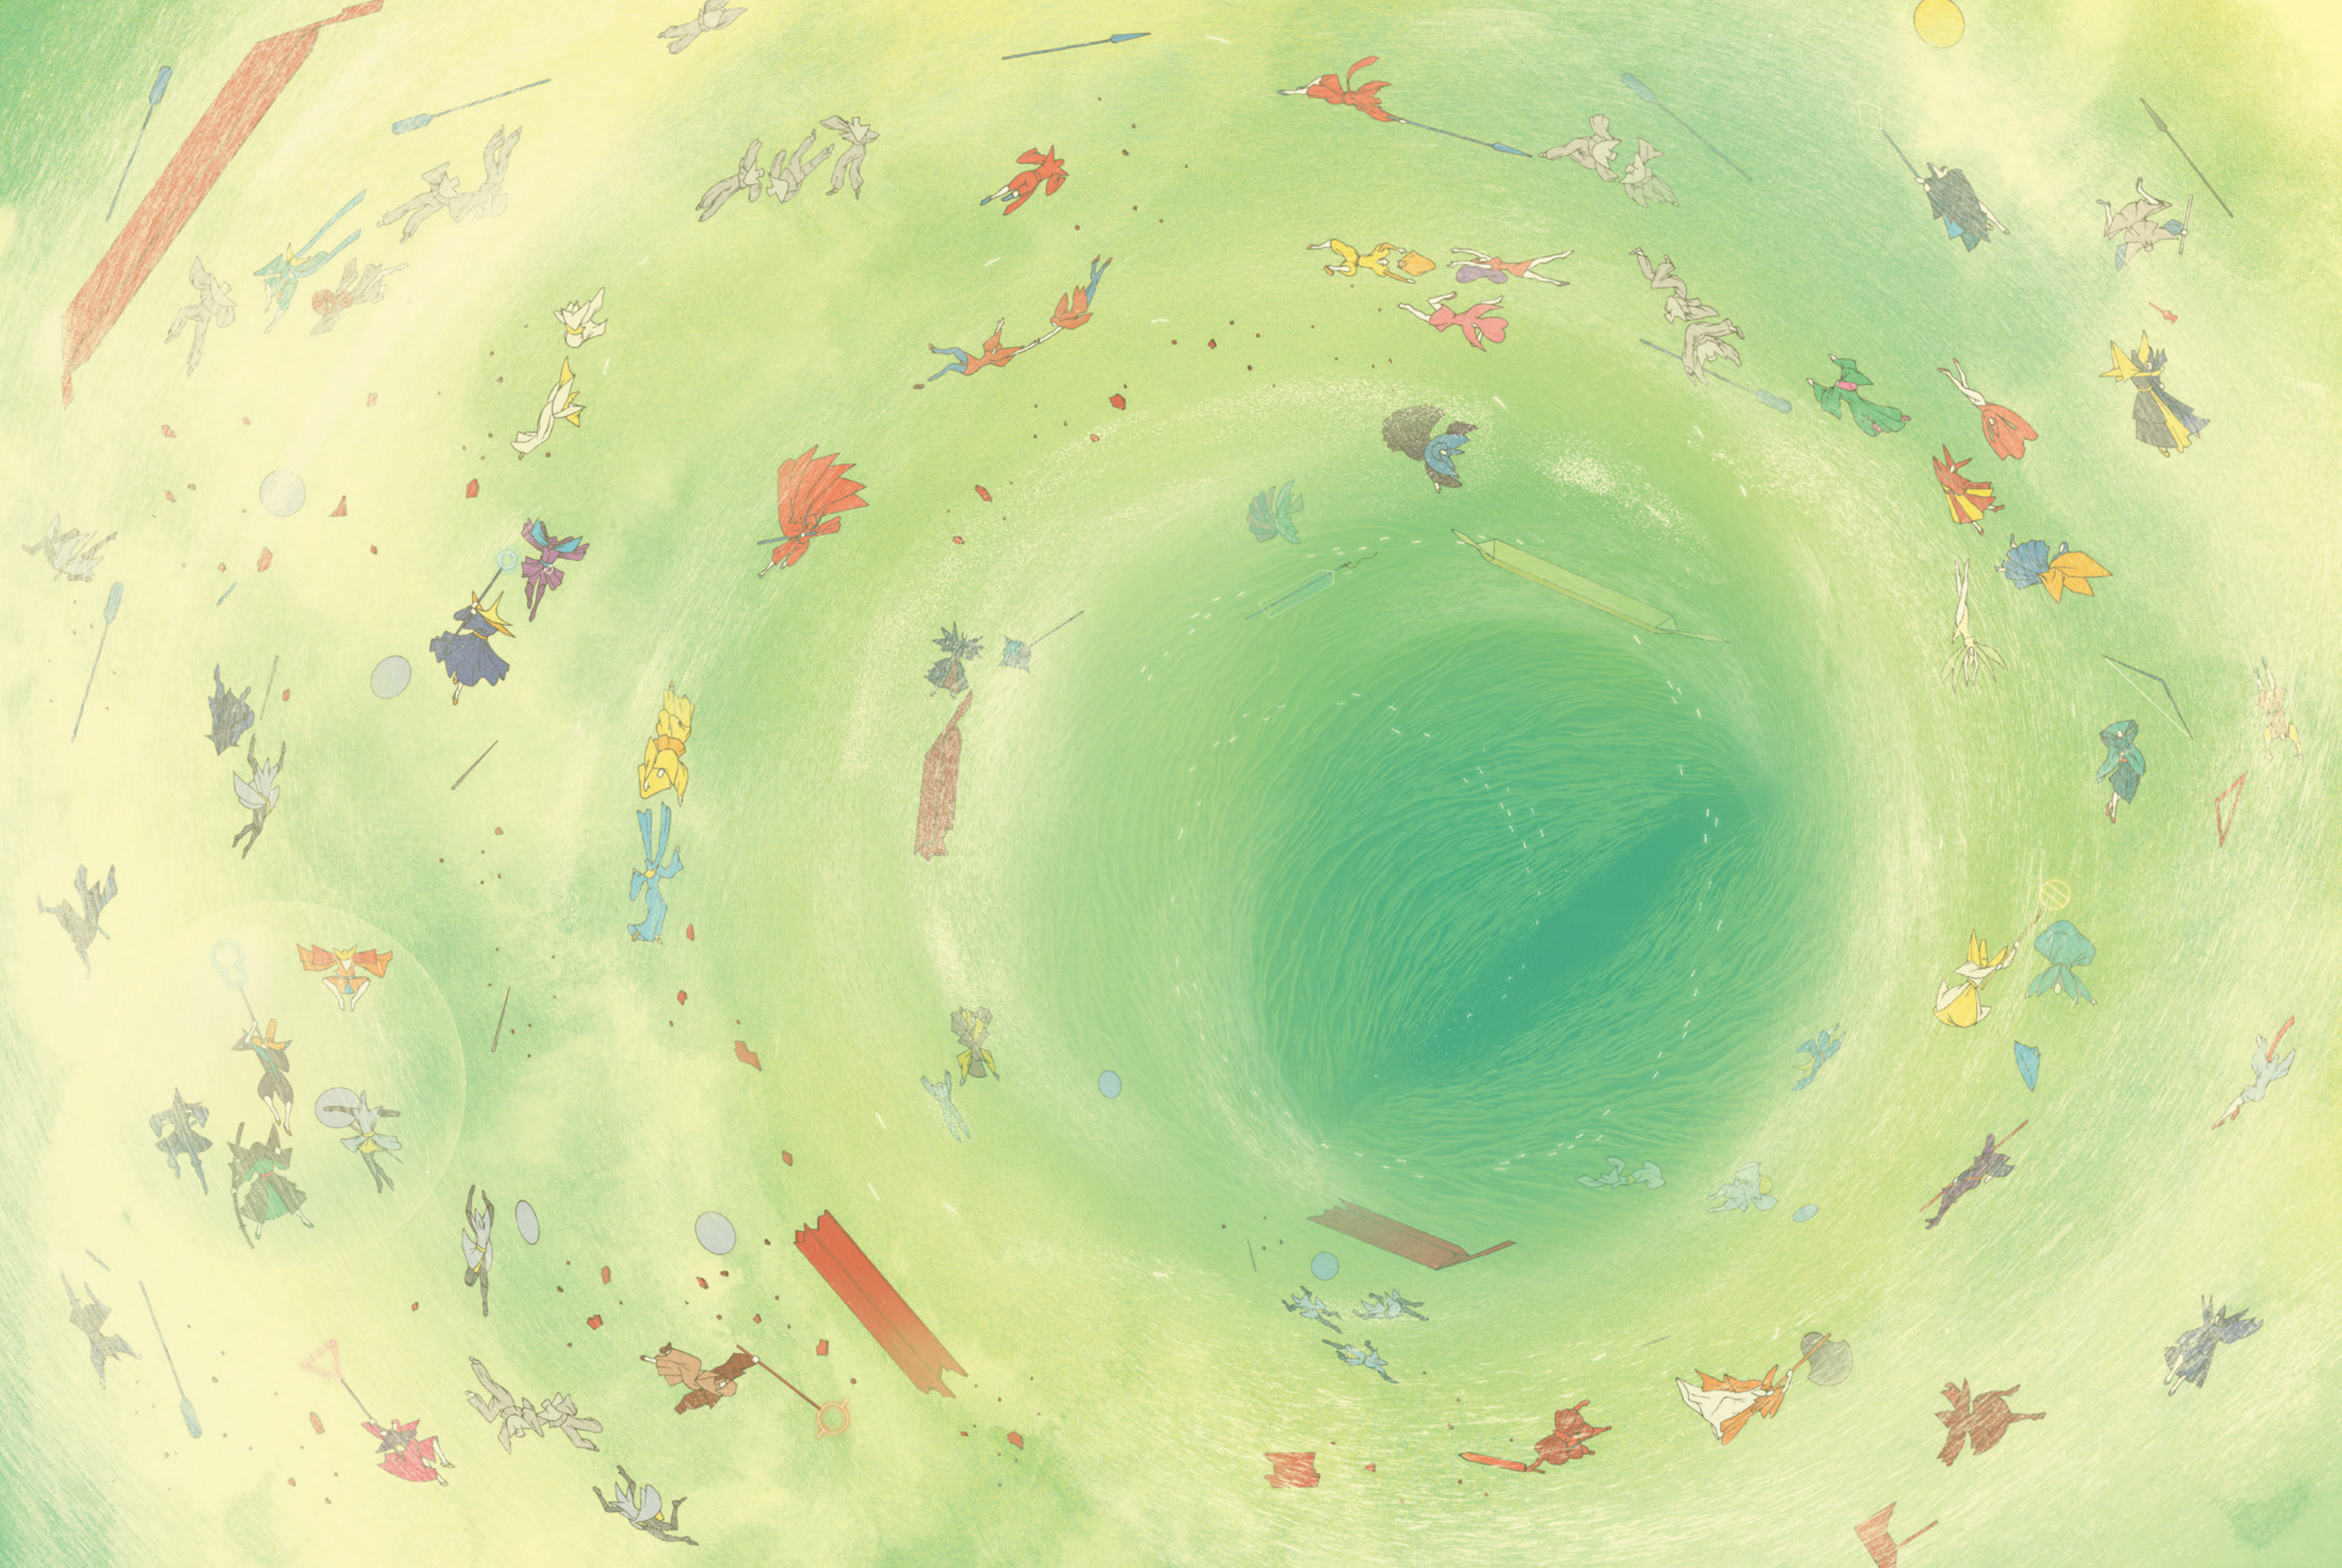

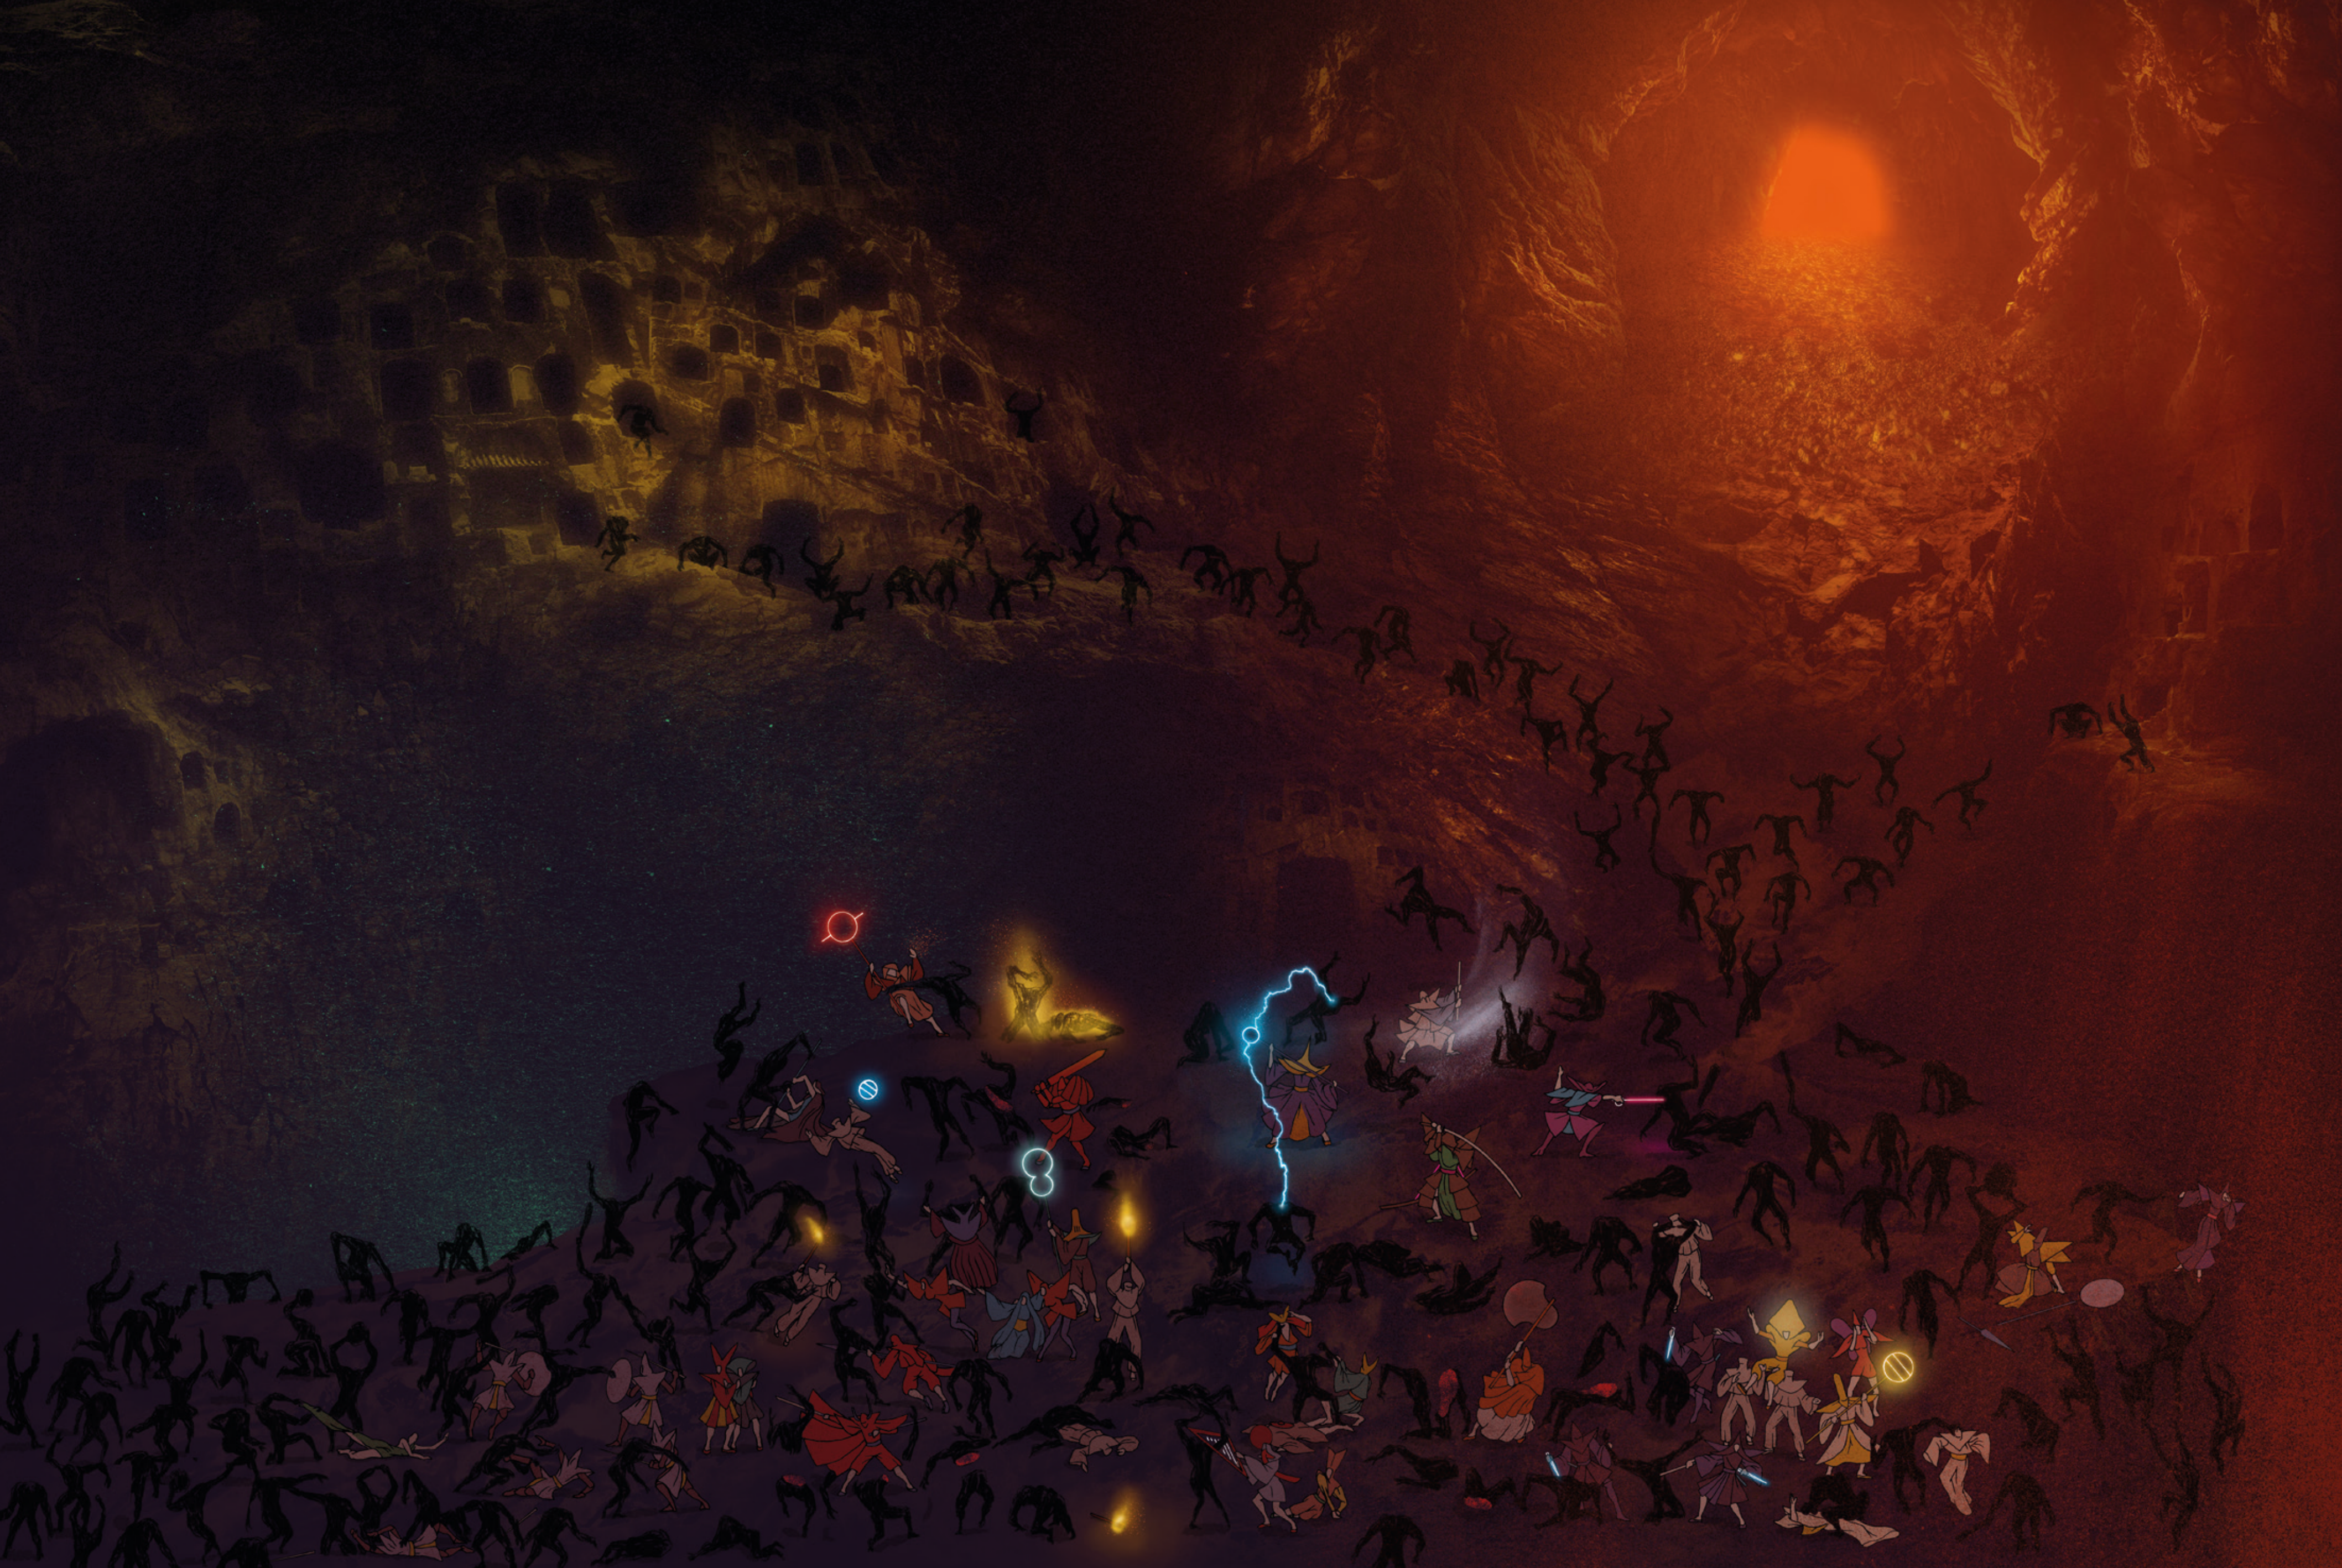

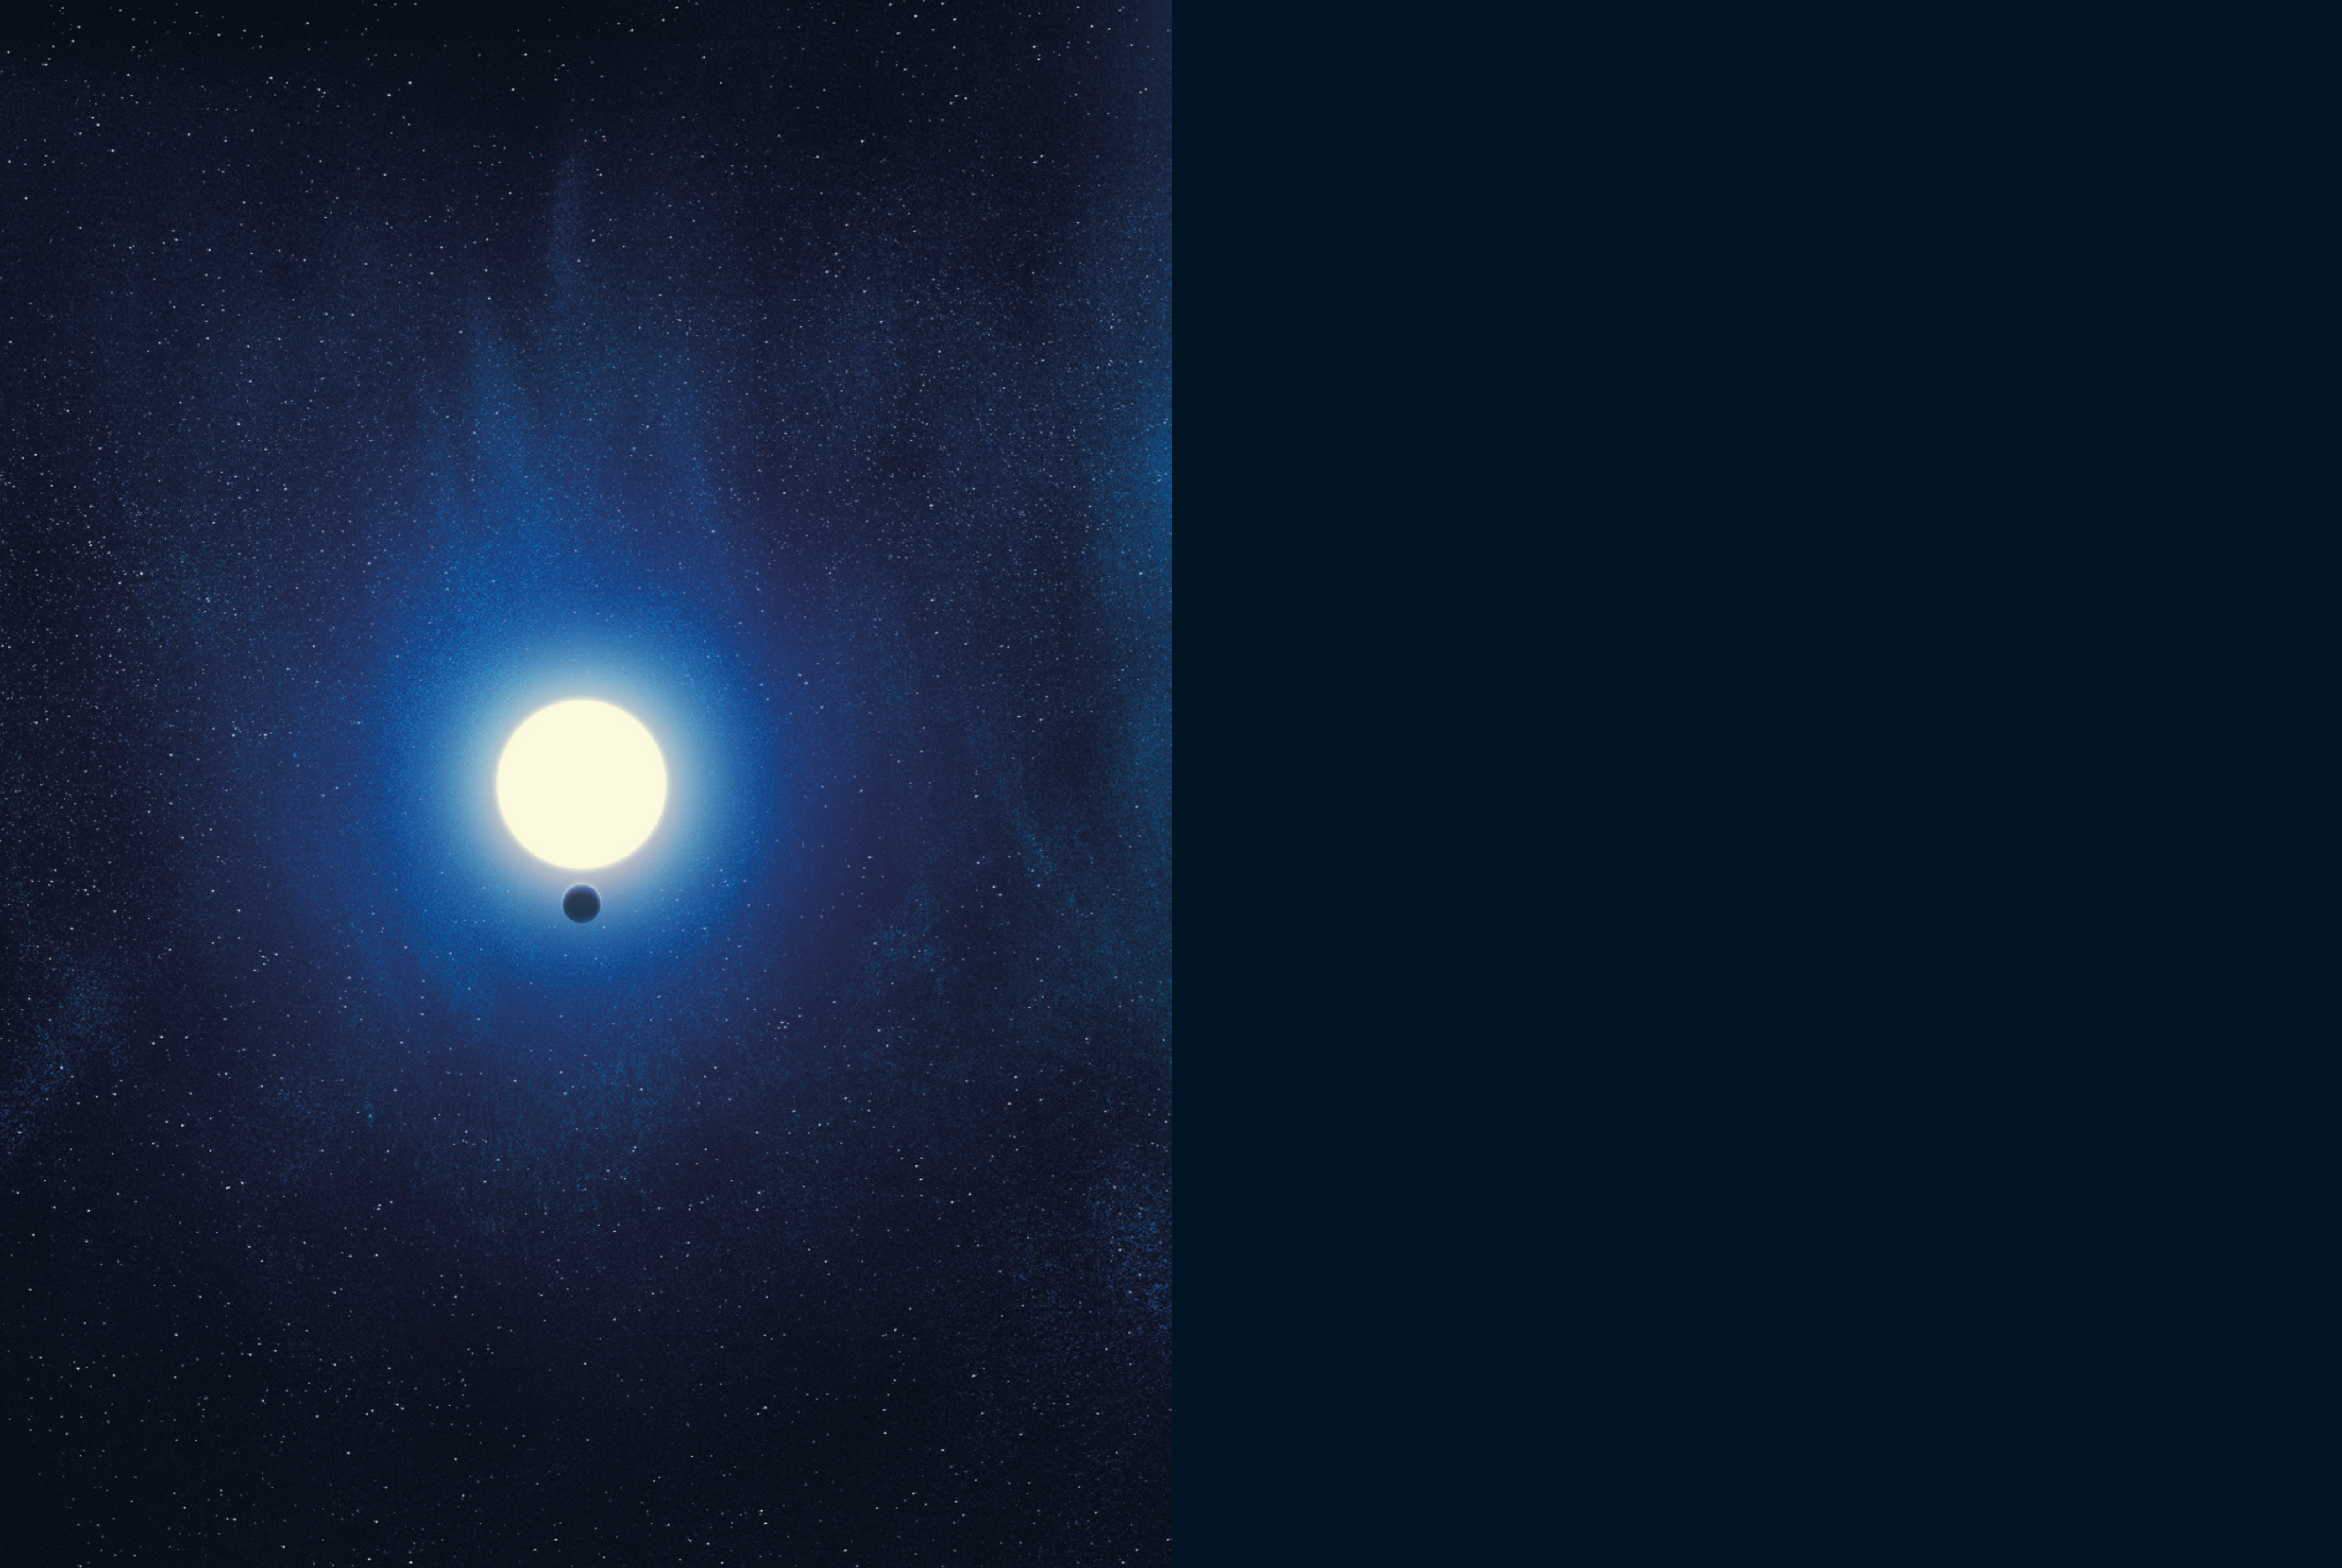

Helios  
a été achevé d'imprimer  
en quadrichromie modifiée  
sur Arctic volume white de 150g  
par l'imprimerie Jelgavas en Lettonie.
