CAPITAINE MULET

2024

an 1457 de Notre-Seigneur, dans un bon port de France, un navire est à quai qui va bientôt partir.

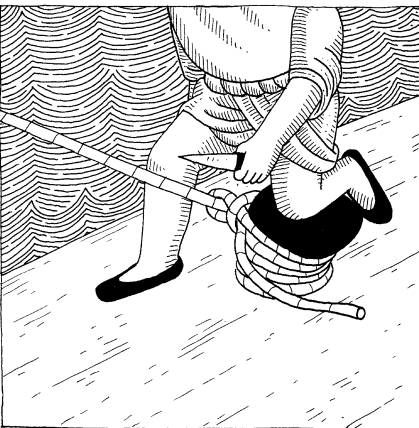

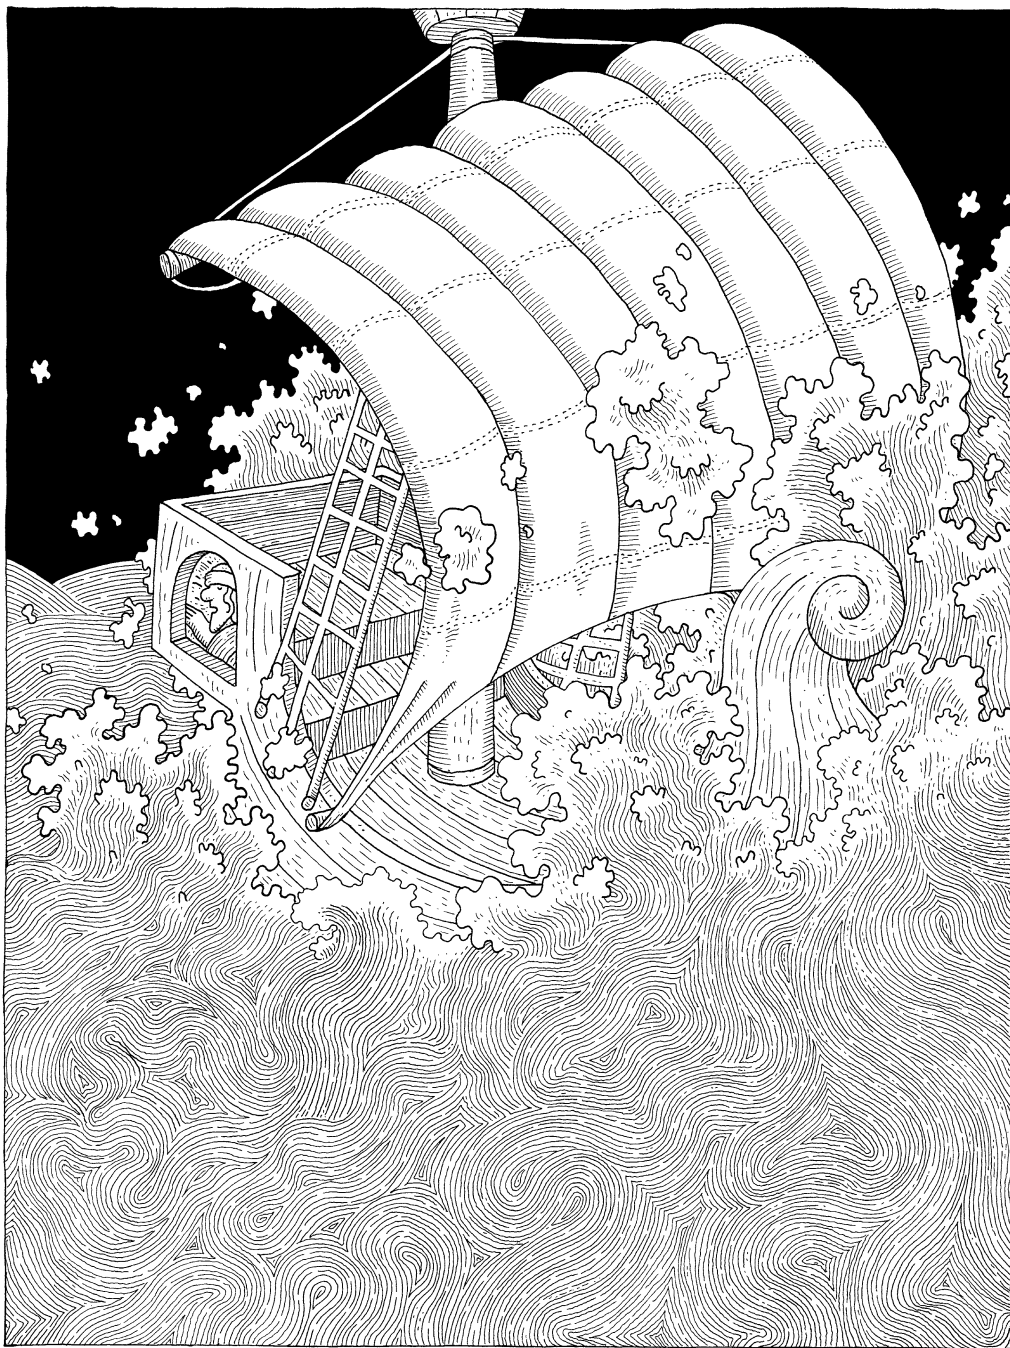

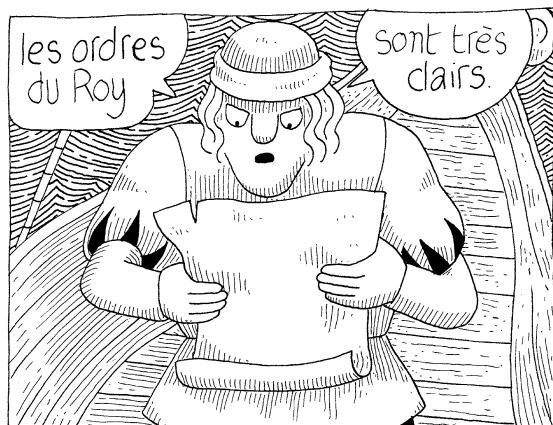

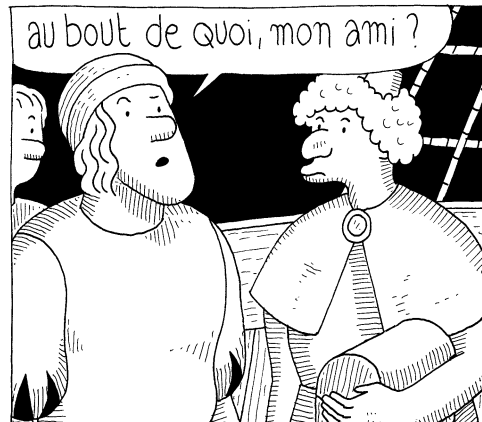

LA MISSION DU CAPITAINE

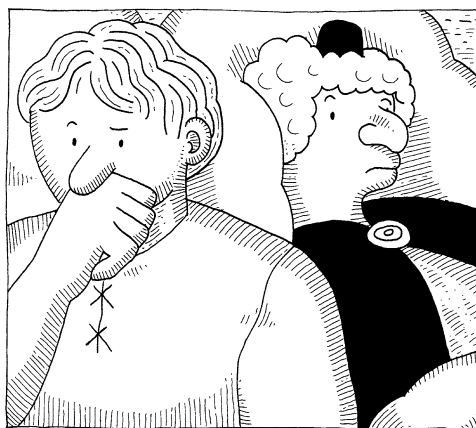

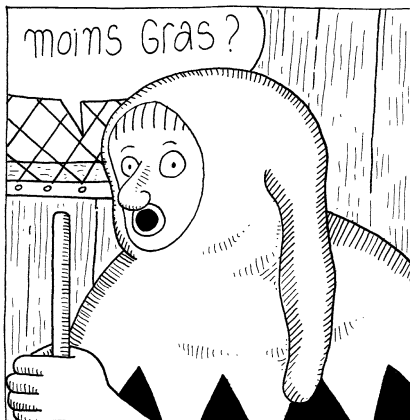

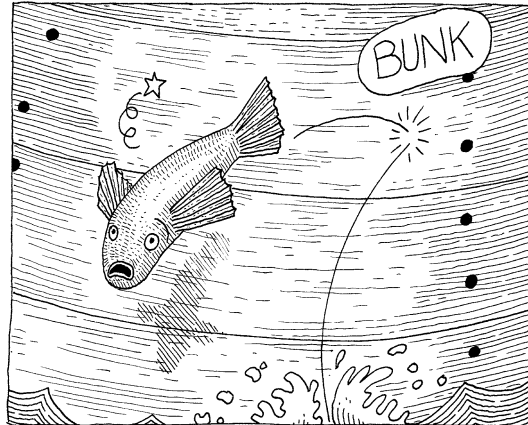

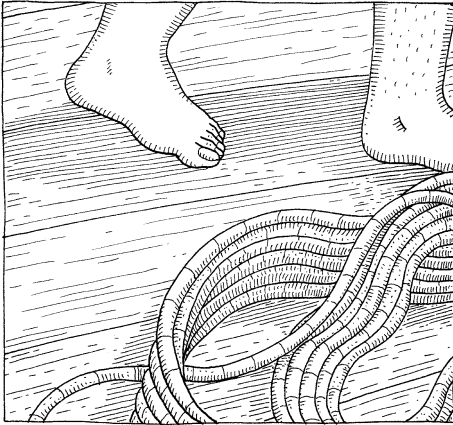

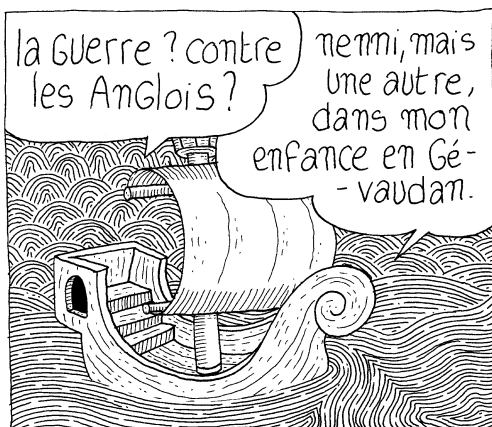

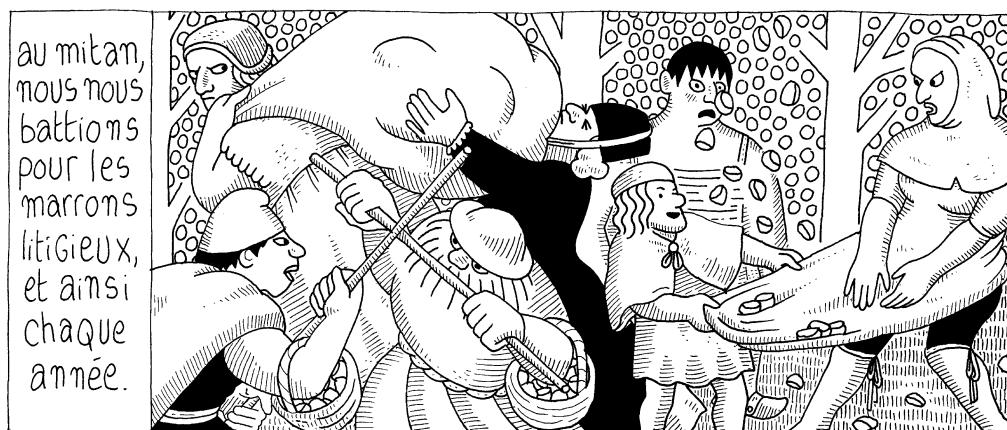

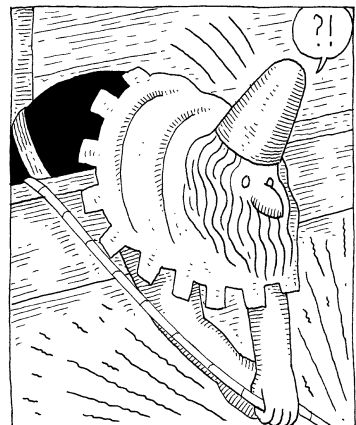

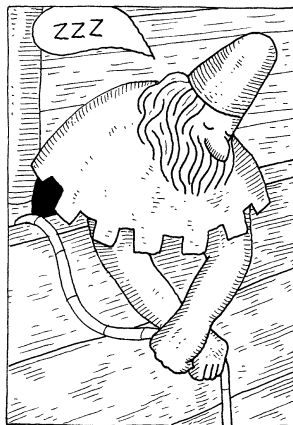

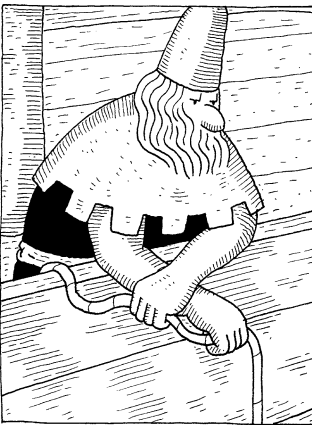

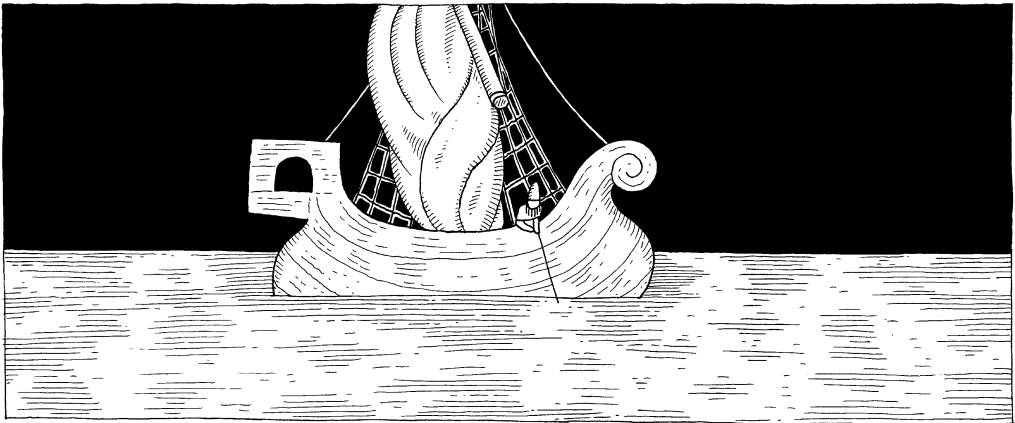

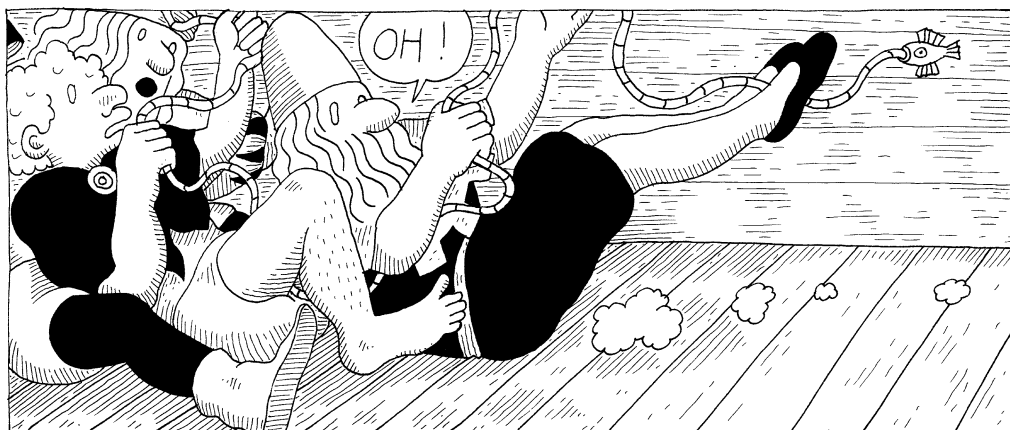

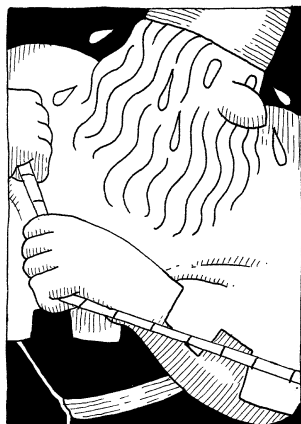

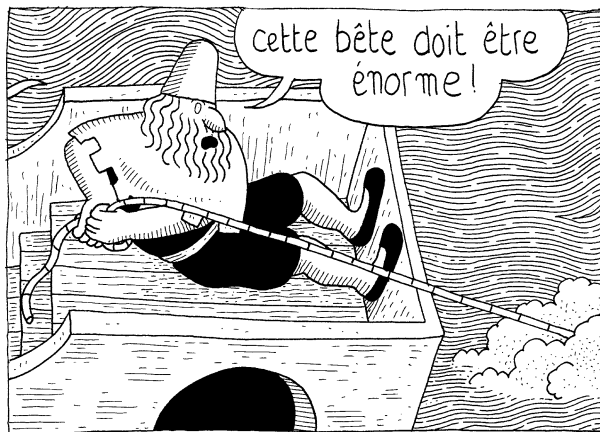

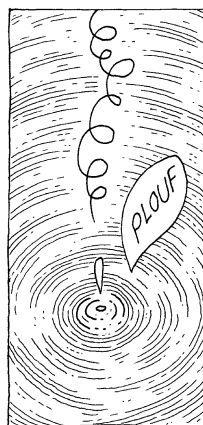

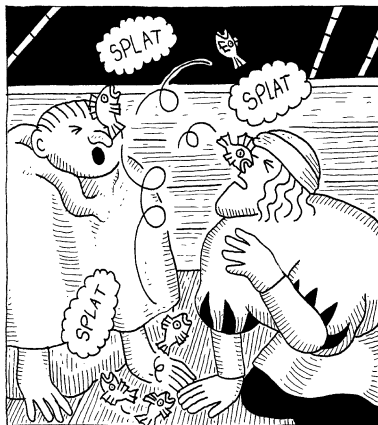

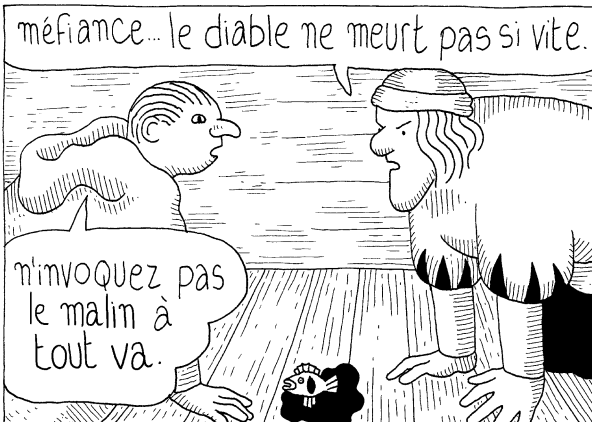

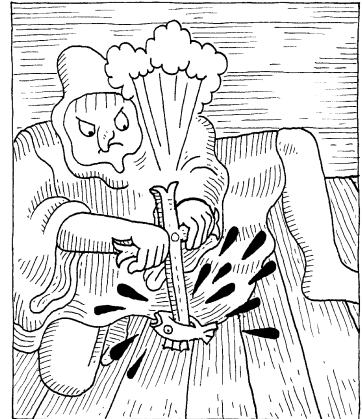

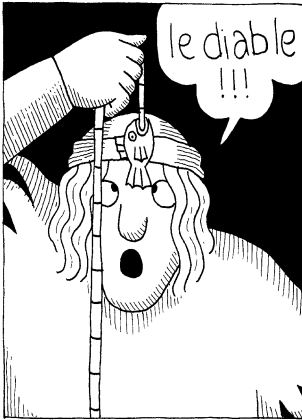

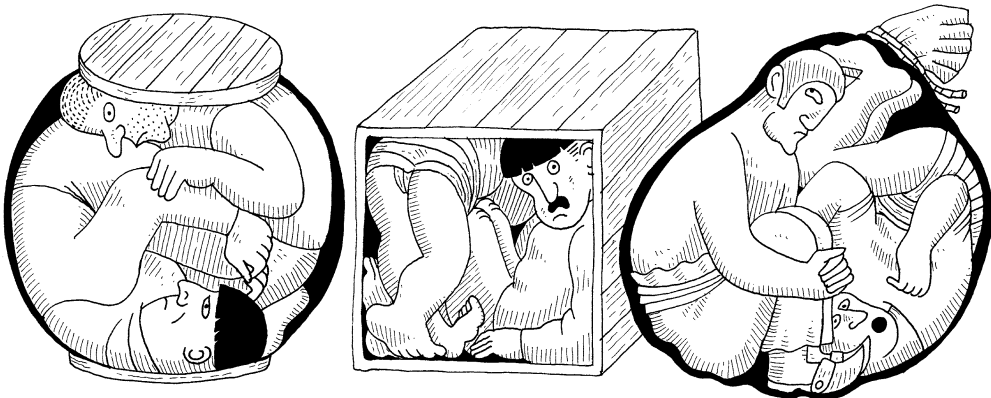

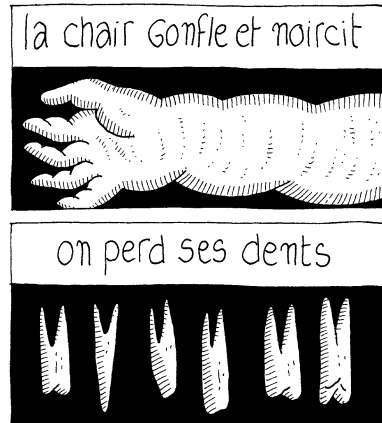

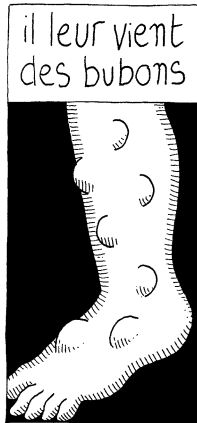

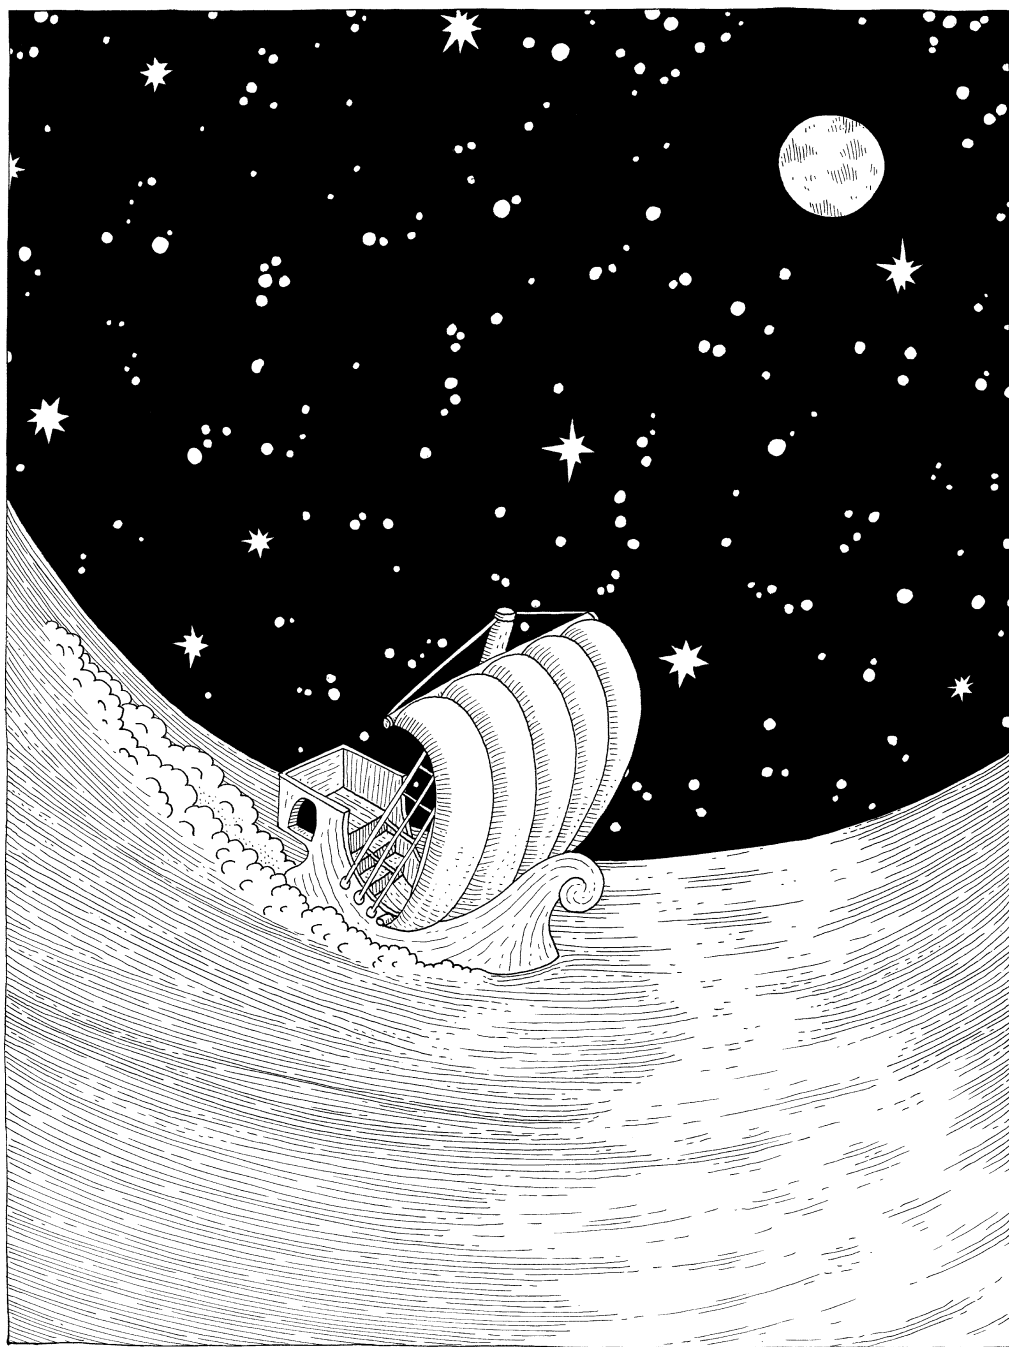

LE DOMAINE DU DIABLE

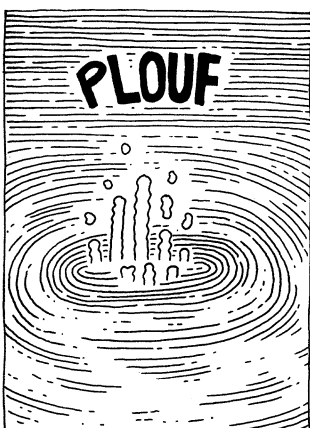

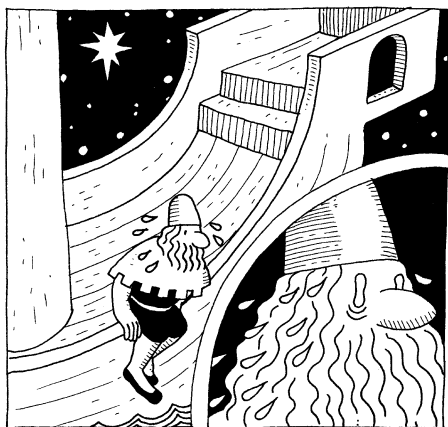

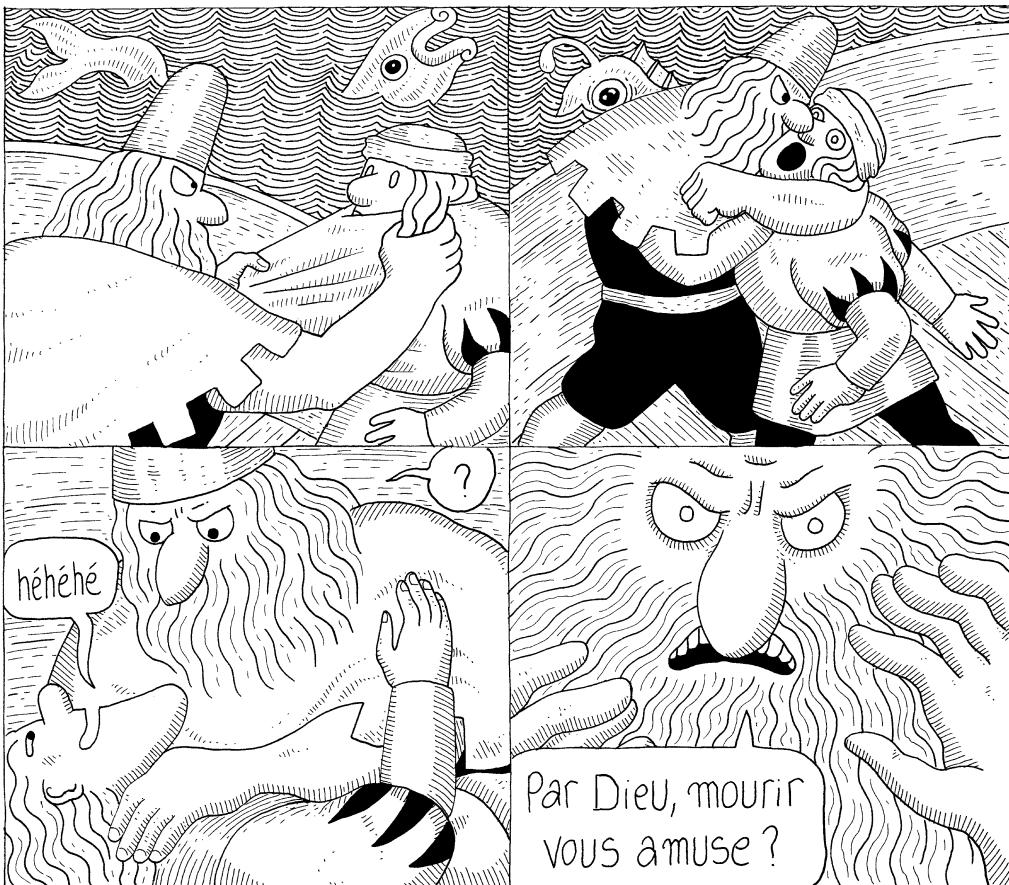

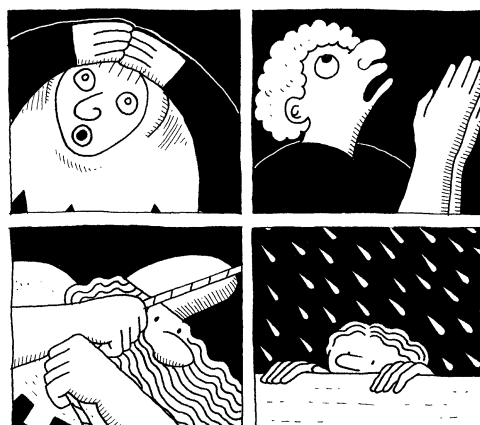

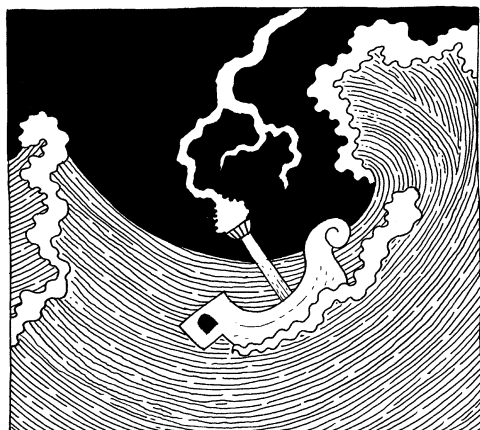

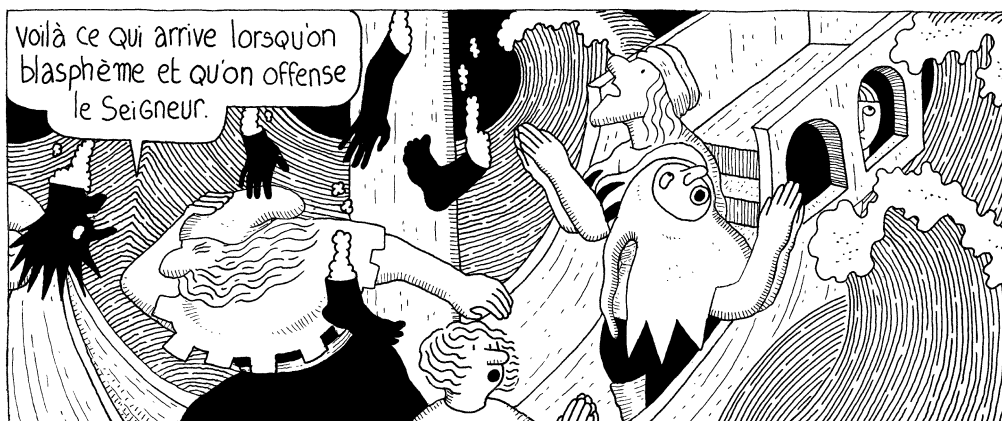

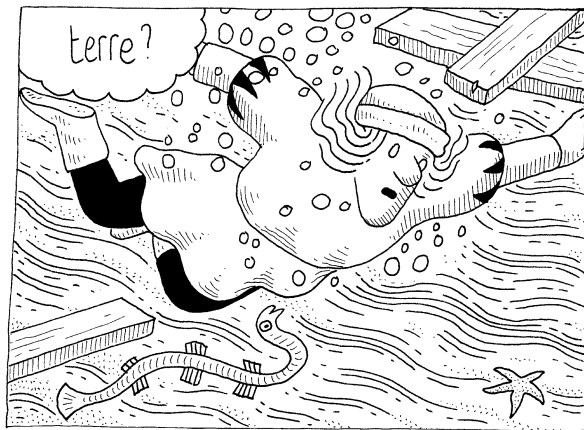

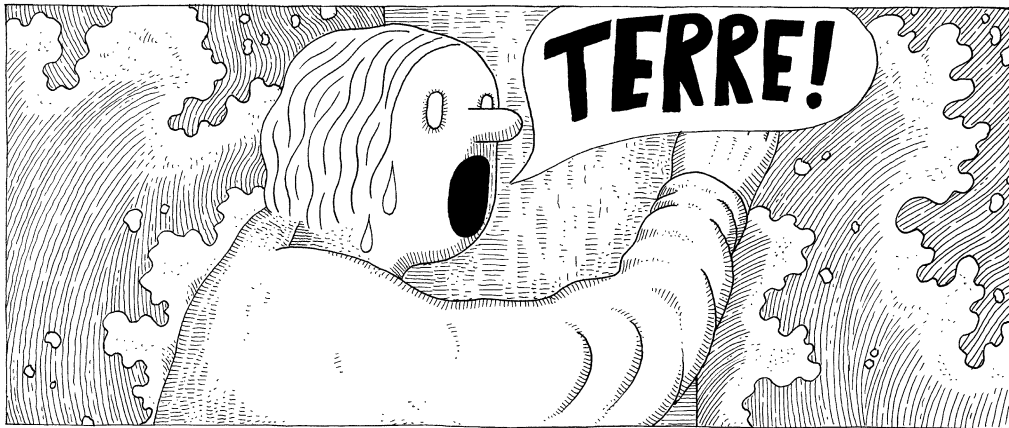

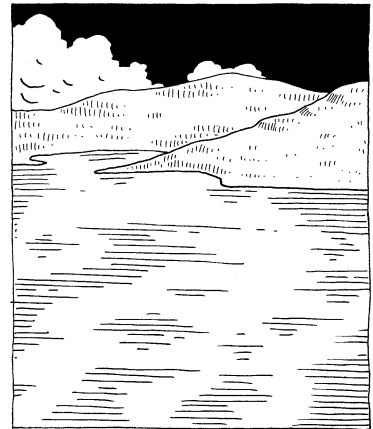

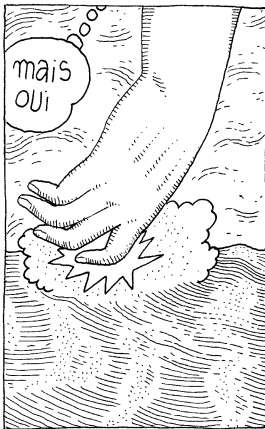

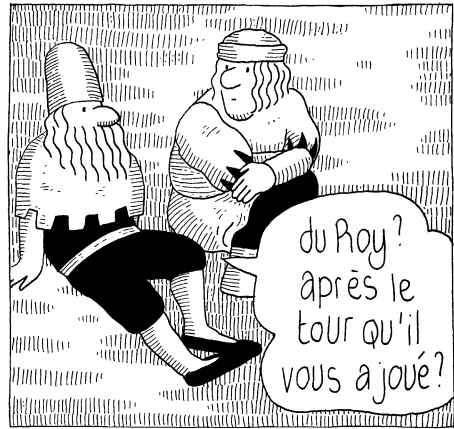

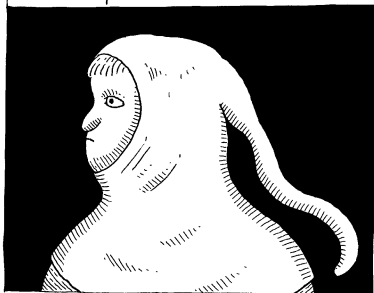

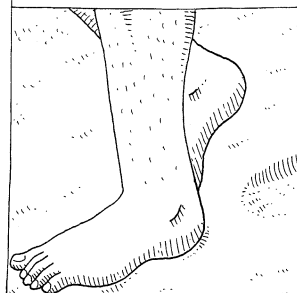

un homme est envoyé
suivre la côte
par le nord

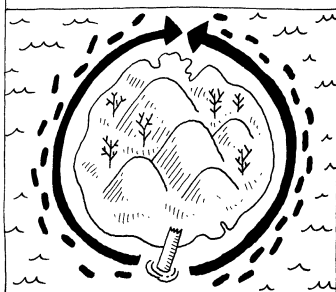

un autre
par le sud

chacun devant
compter ses pas

pour apprendre la
Grandeur de l'île.

quelques imbéciles restent sur la Grève
pour y attendre un navire improbable

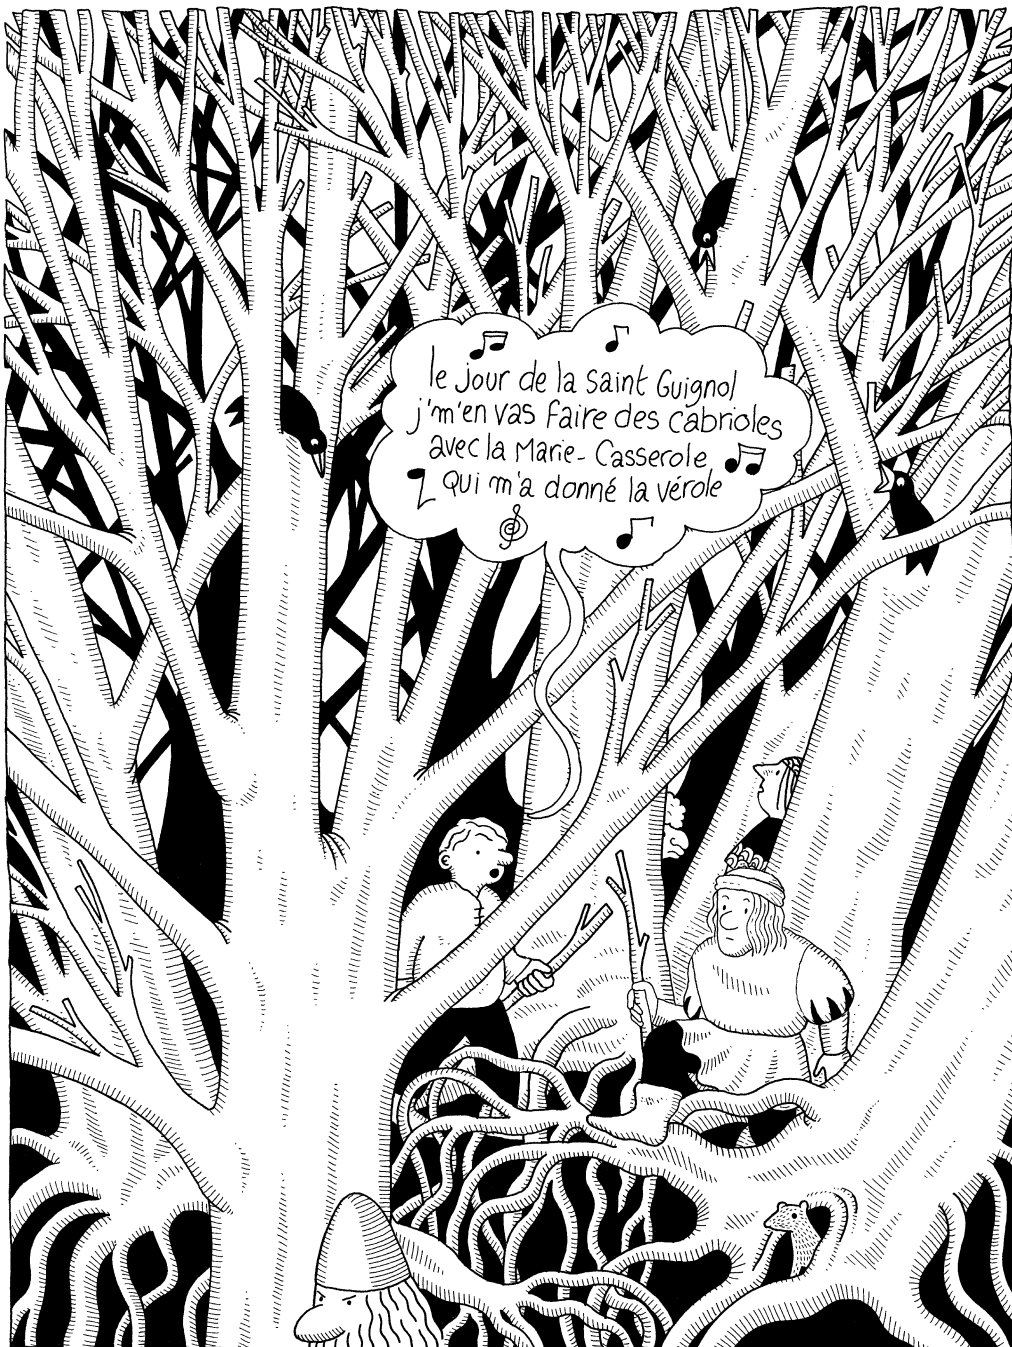

mais les hommes sensés, à la
suite du Capitaine...

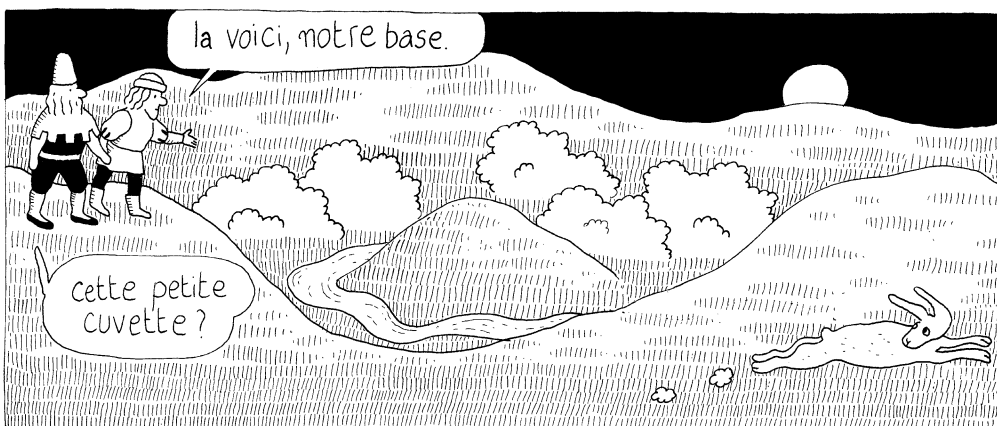

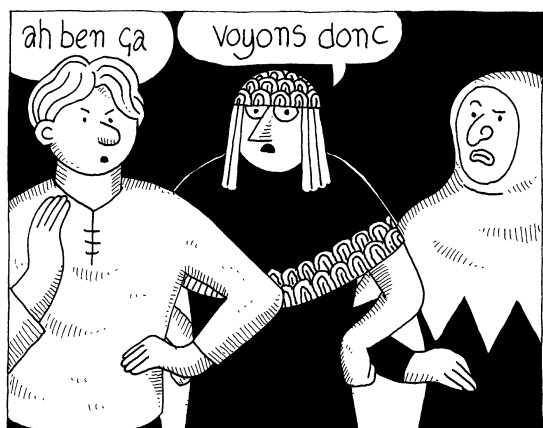

... se mettent en quête d'une
terre prospère où s'établir.

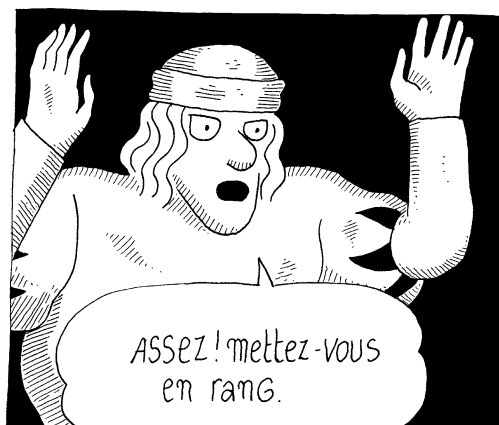

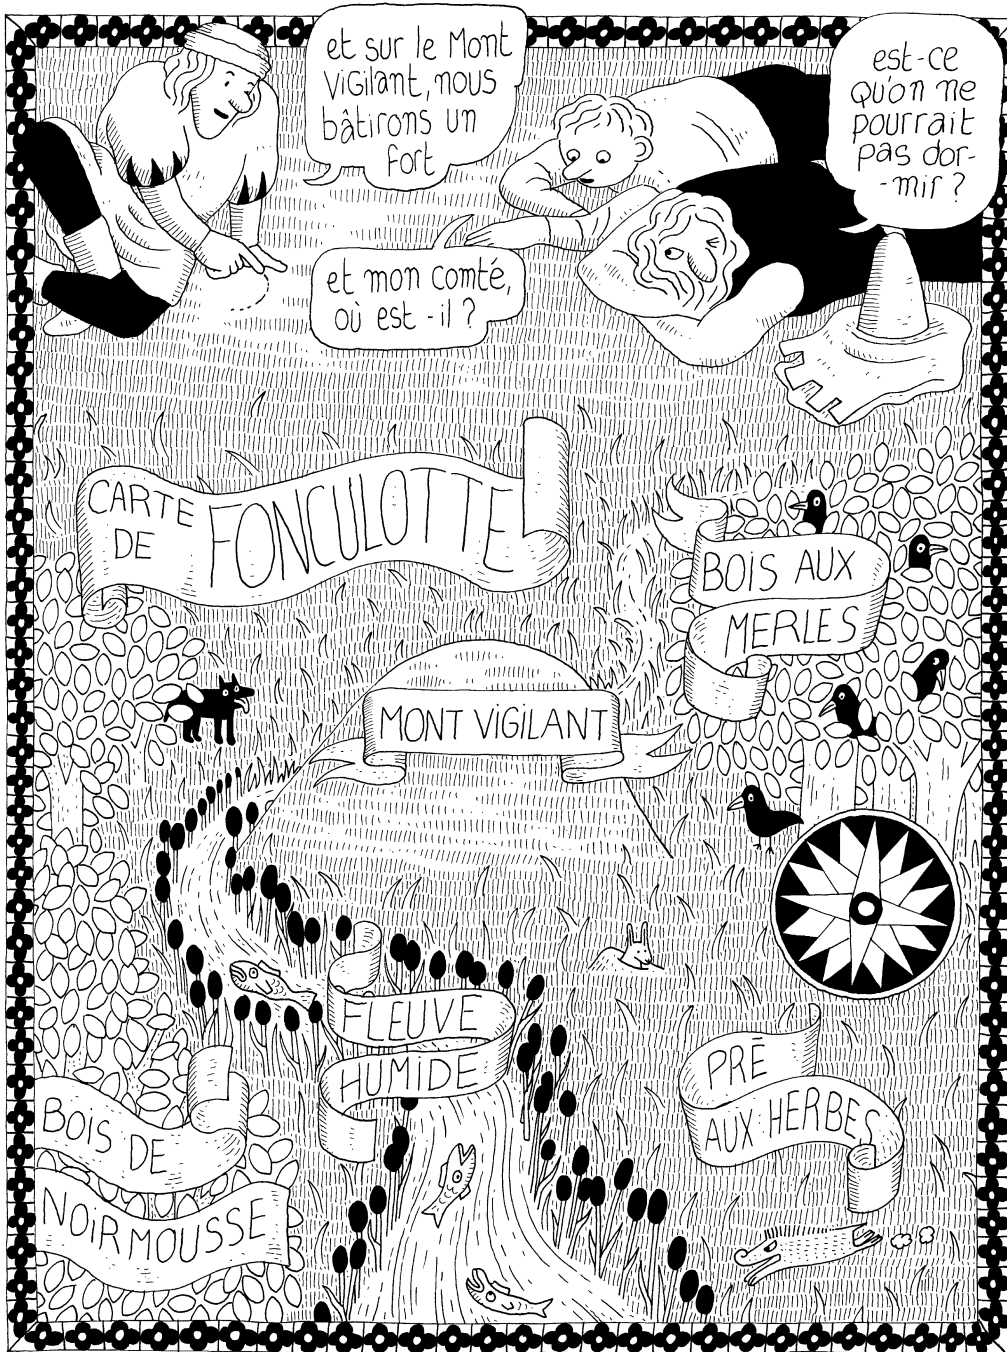

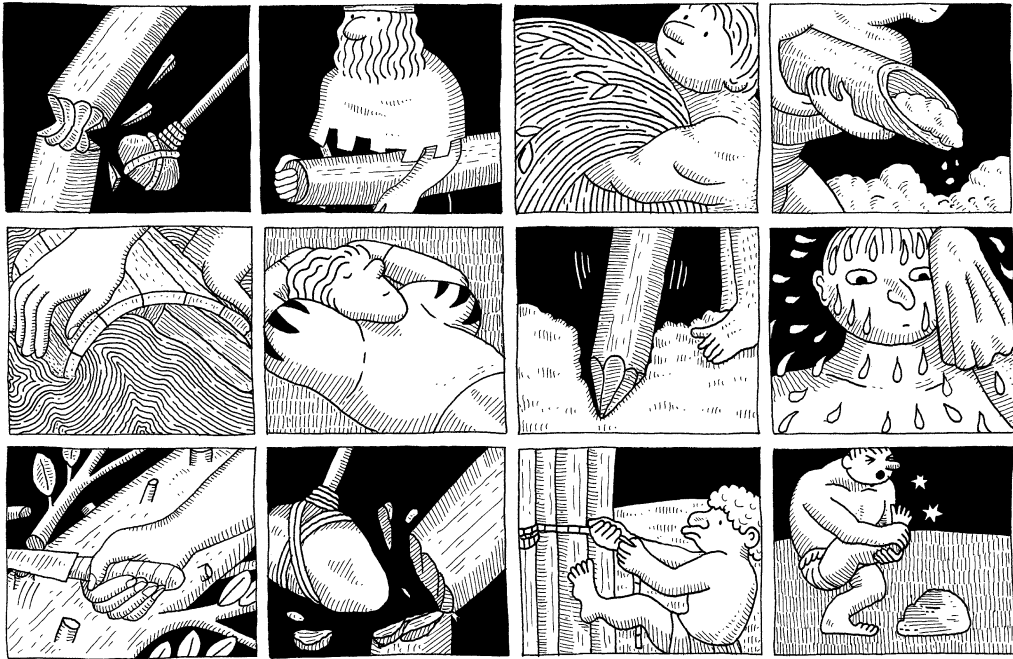

le jour de la saint Guignol
j'm'en vas faire des cabrioles
avec la Marie-Casseroles
qui m'a donné la vérole

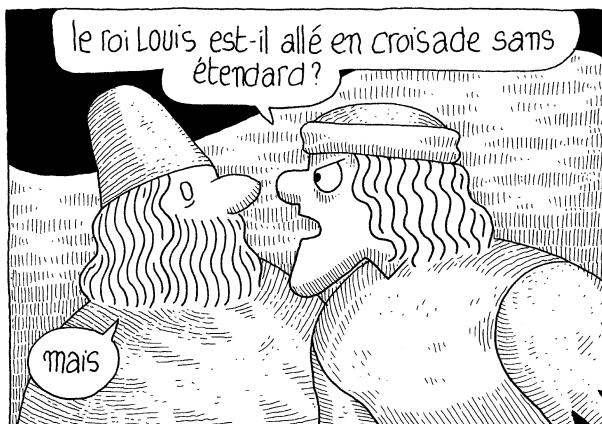

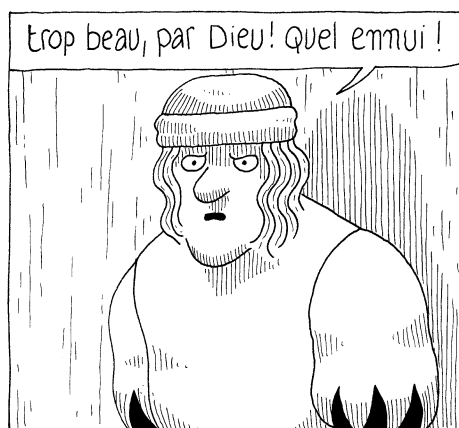

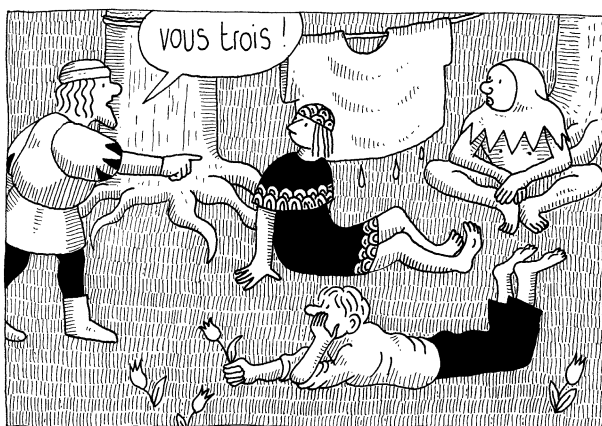

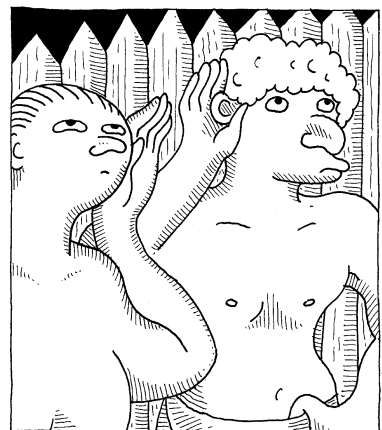

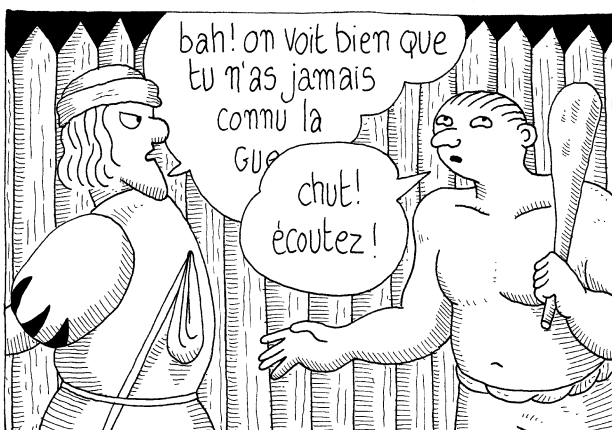

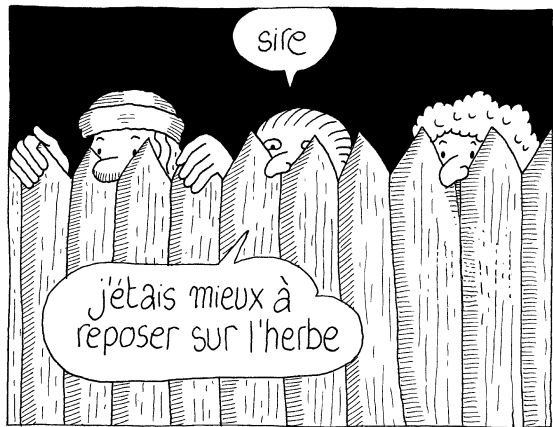

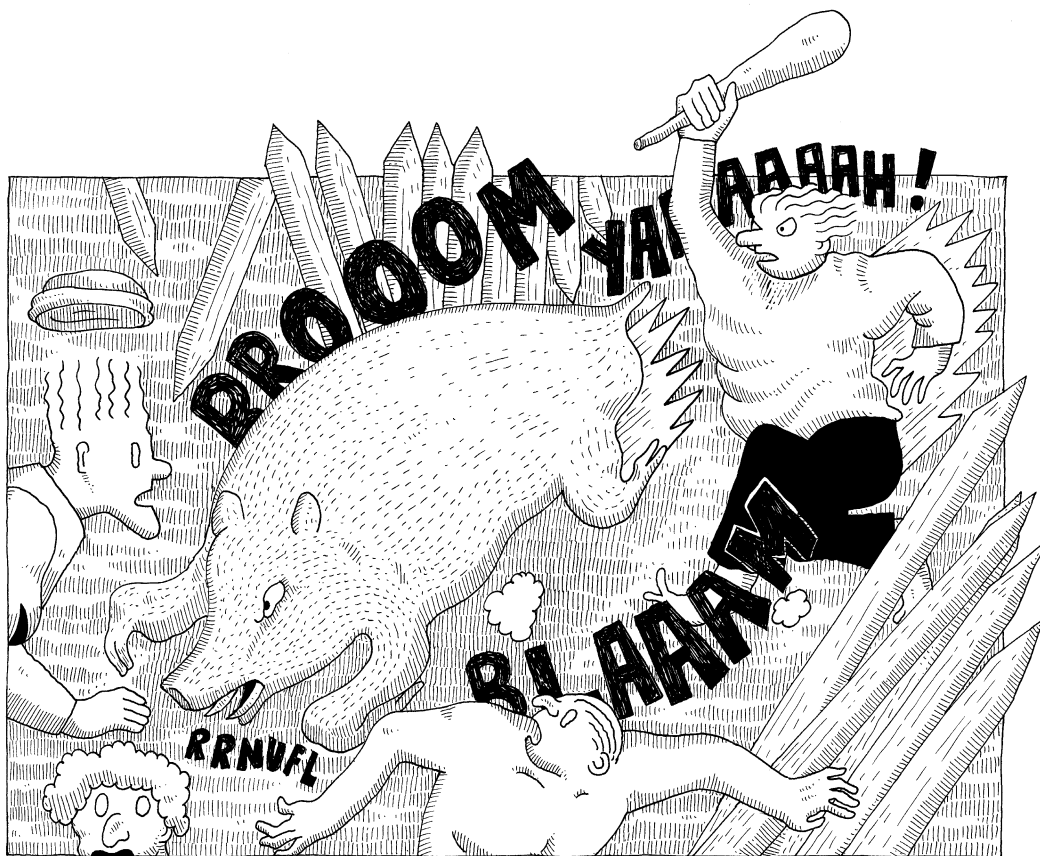

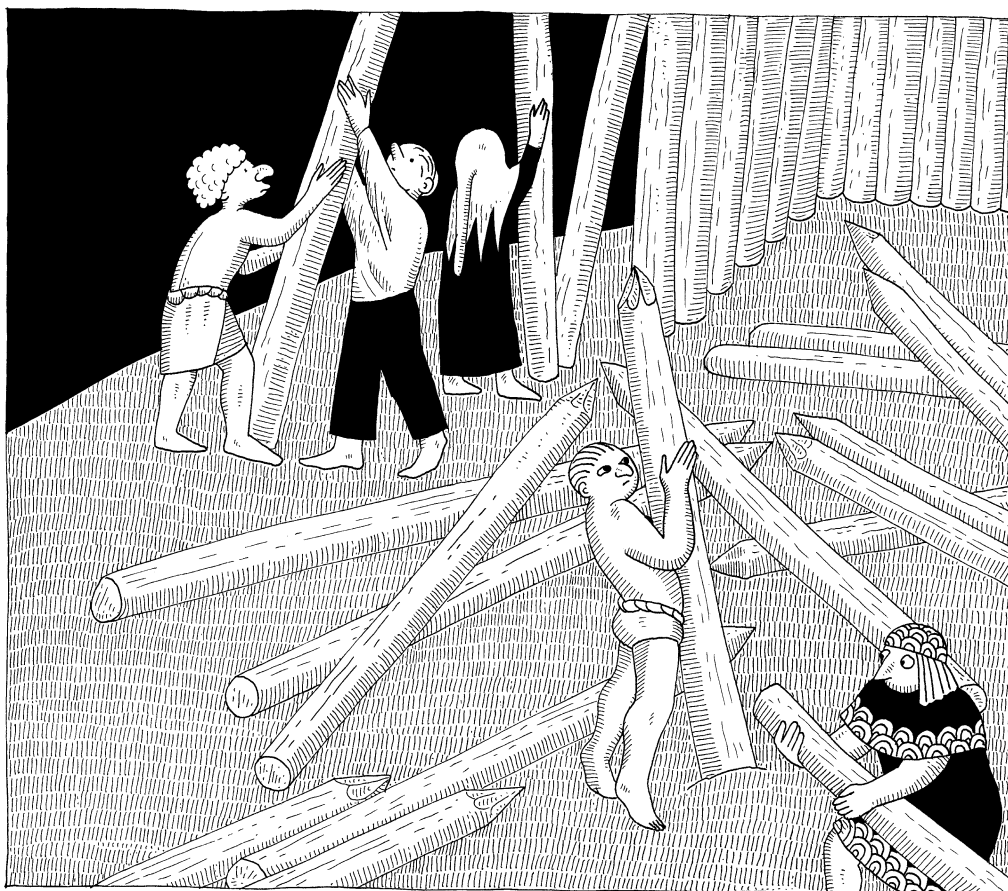

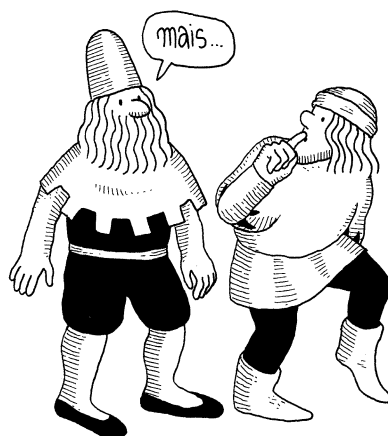

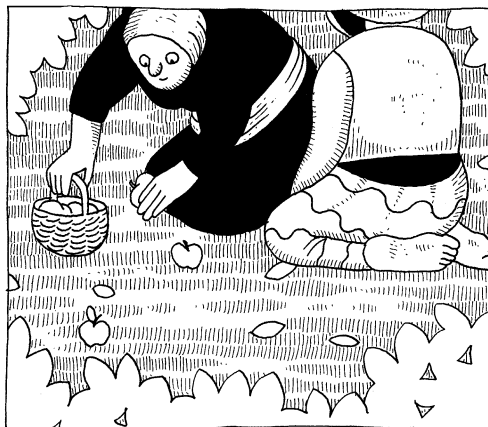

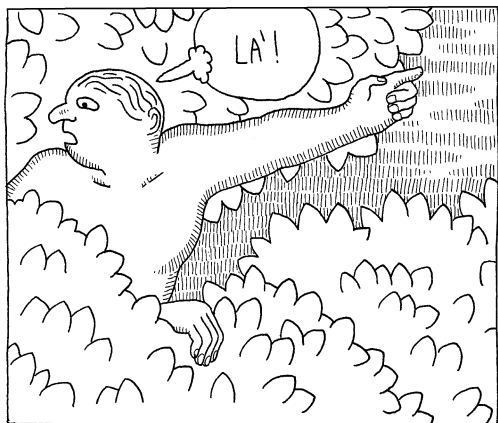

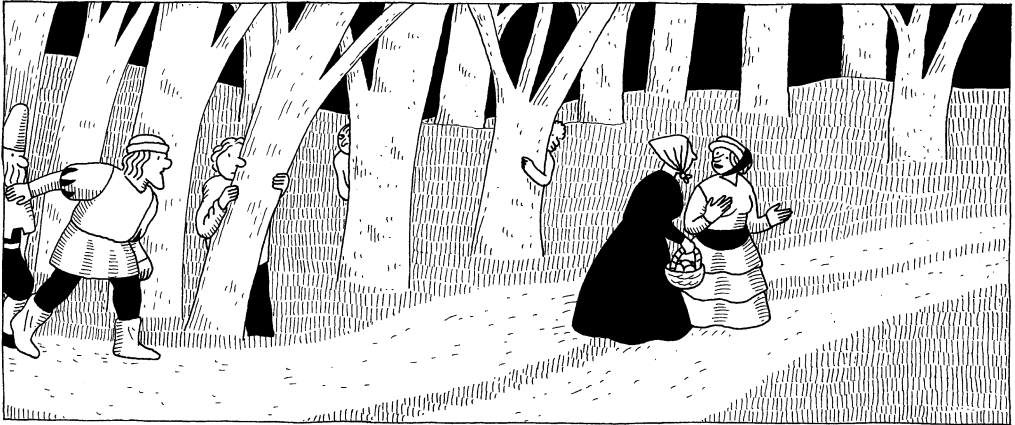

LA MENACE ATLANTE

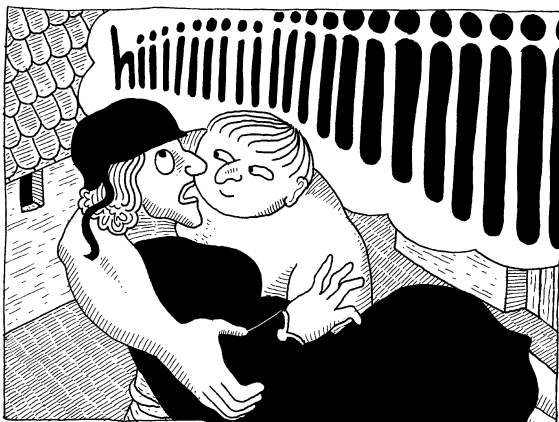

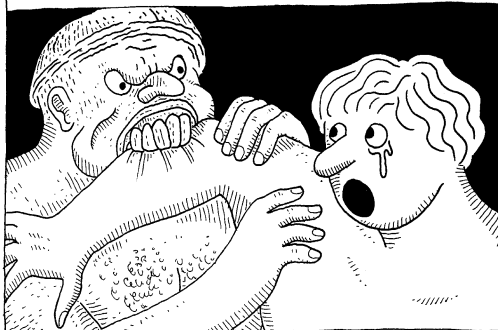

petit duc, ne sais-tu pas que les
Atlantes commercent avec le Diable ?

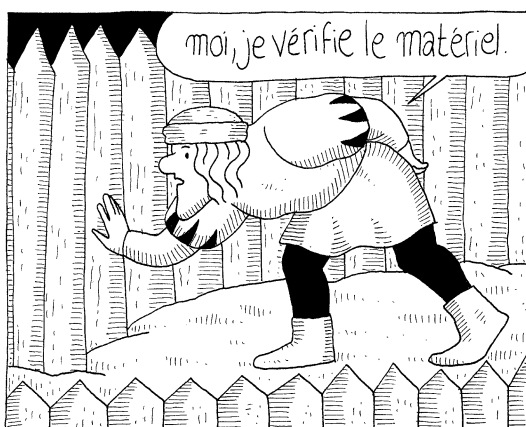

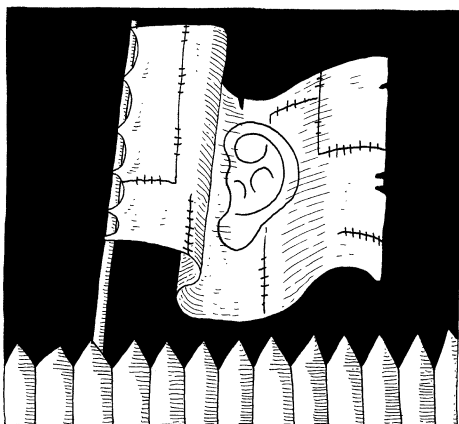

sais-tu s'ils n'ont pas connaissance
du secret d'éternelle jeunesse ...

et que ta mie peut avoir plus de mille ans ?

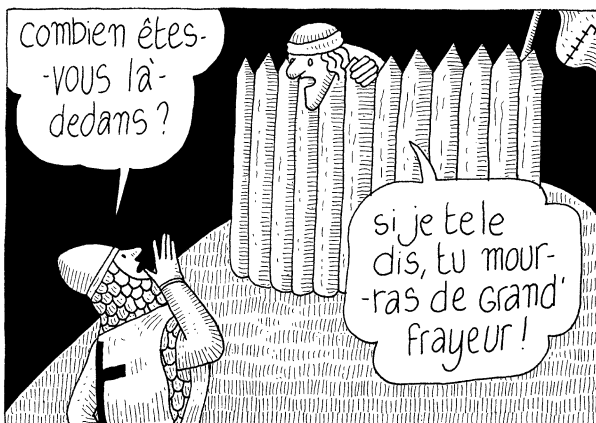

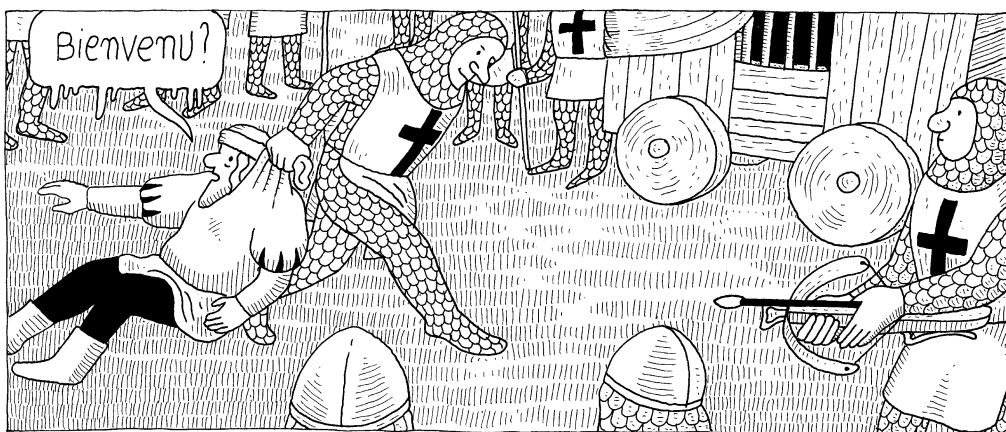

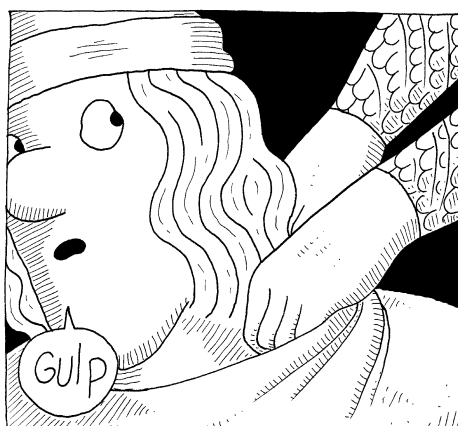

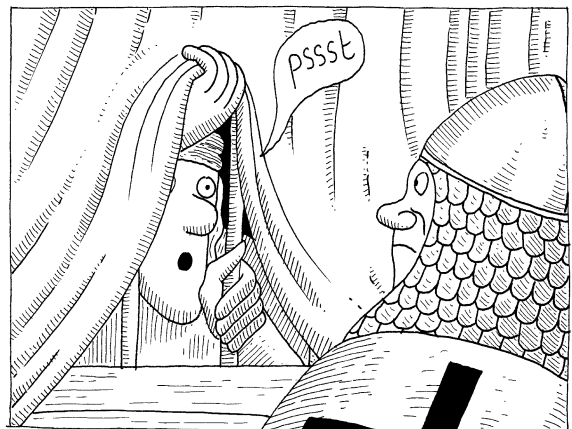

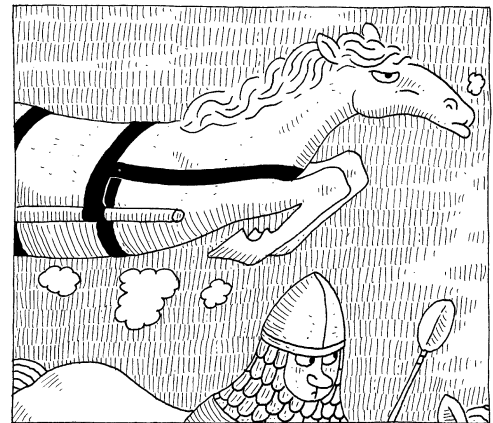

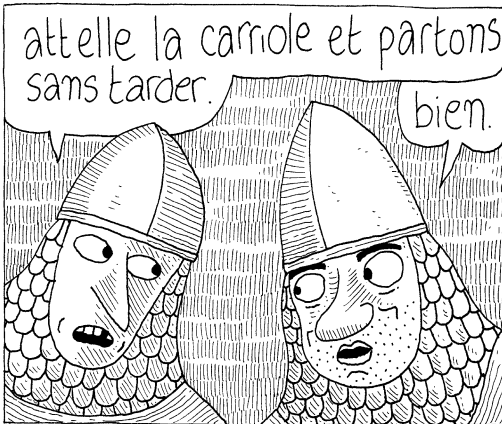

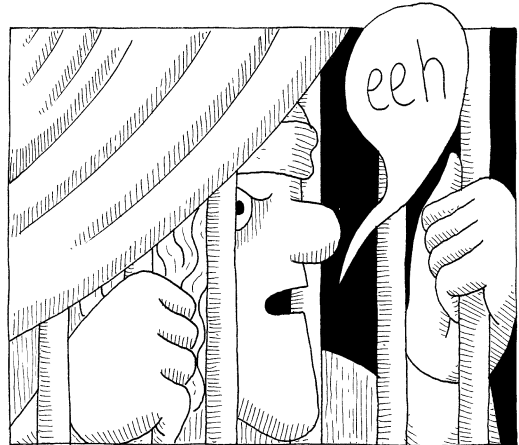

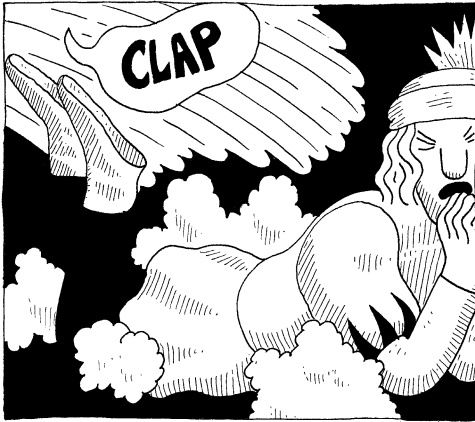

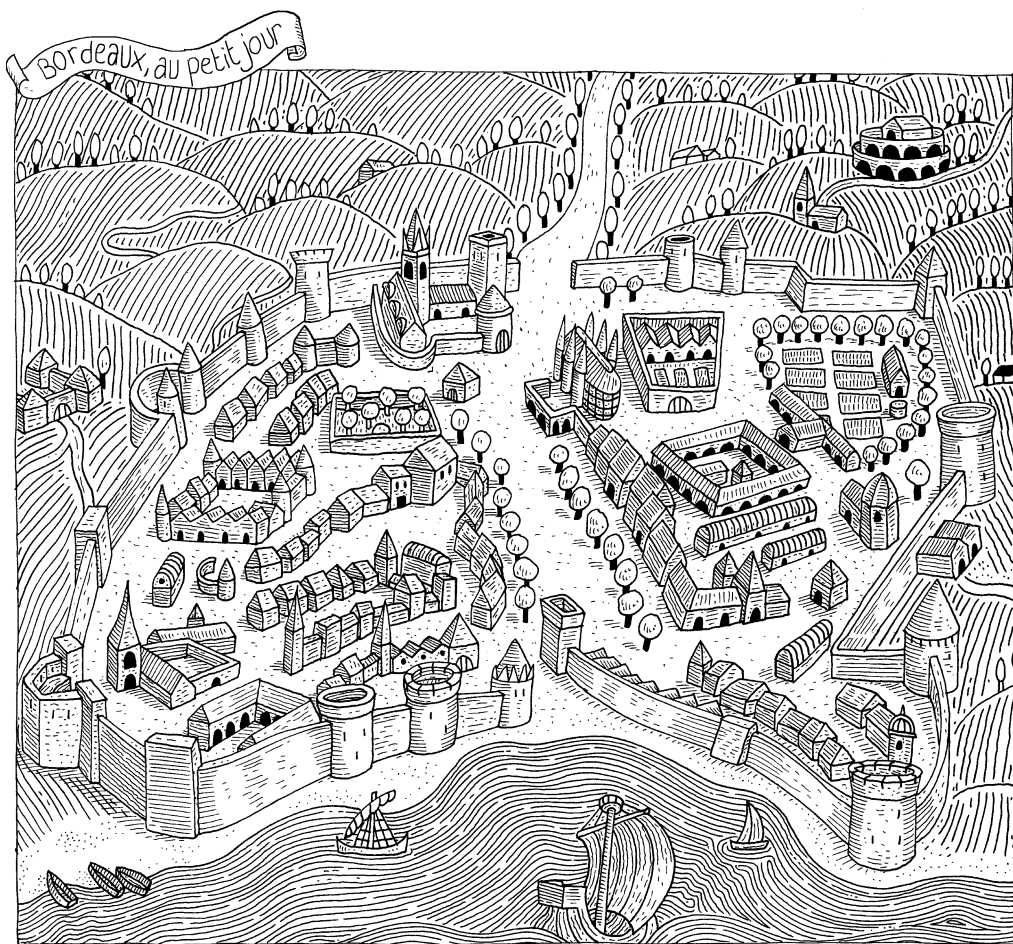

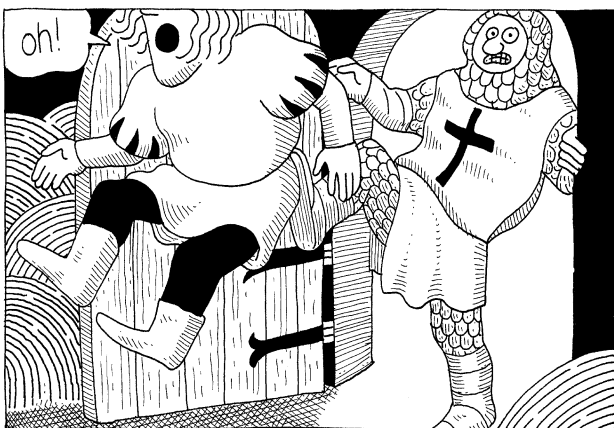

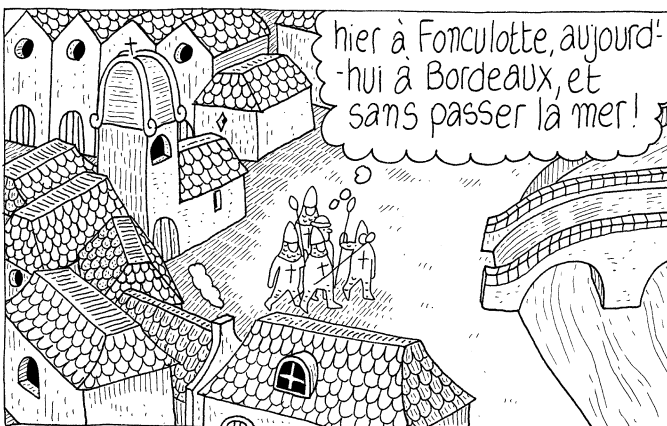

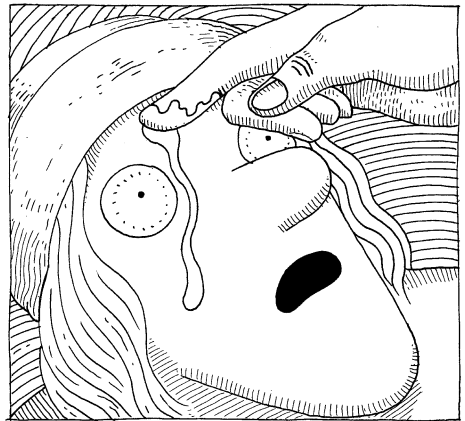

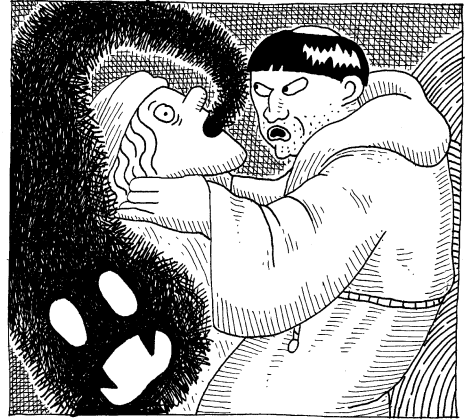

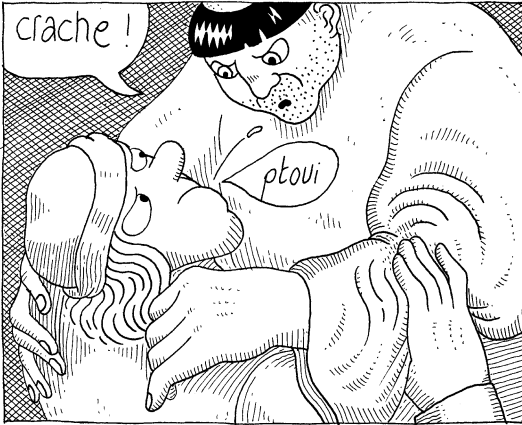

L'EXÉCUTION

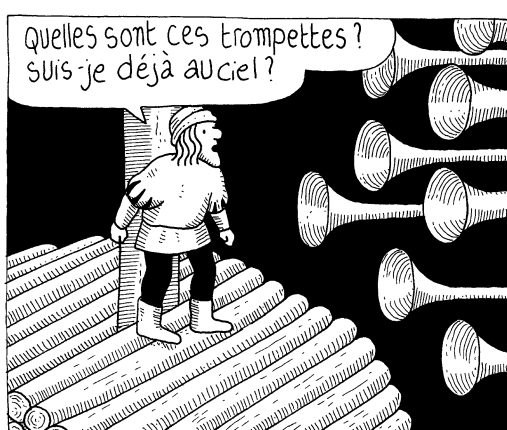

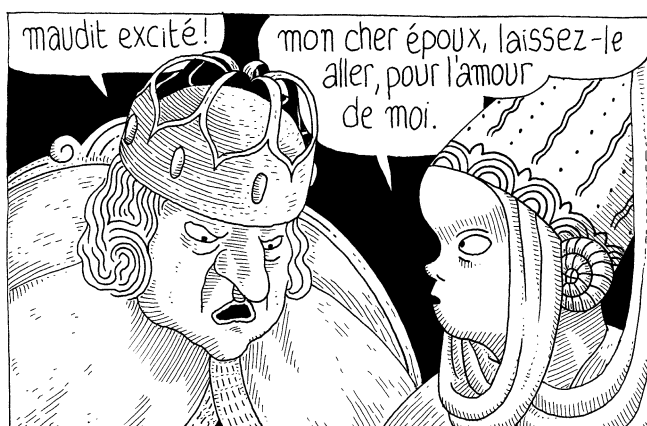

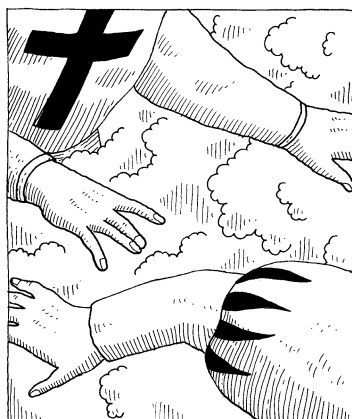

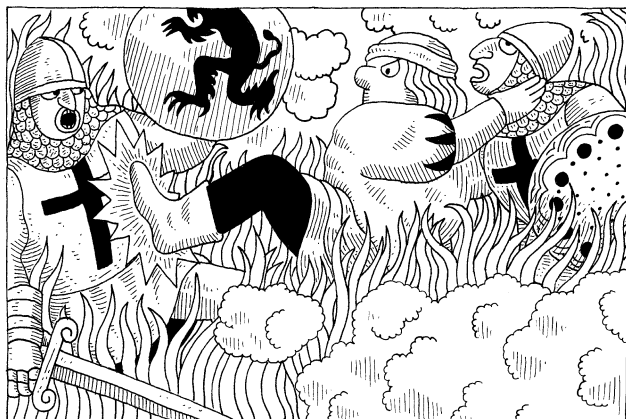

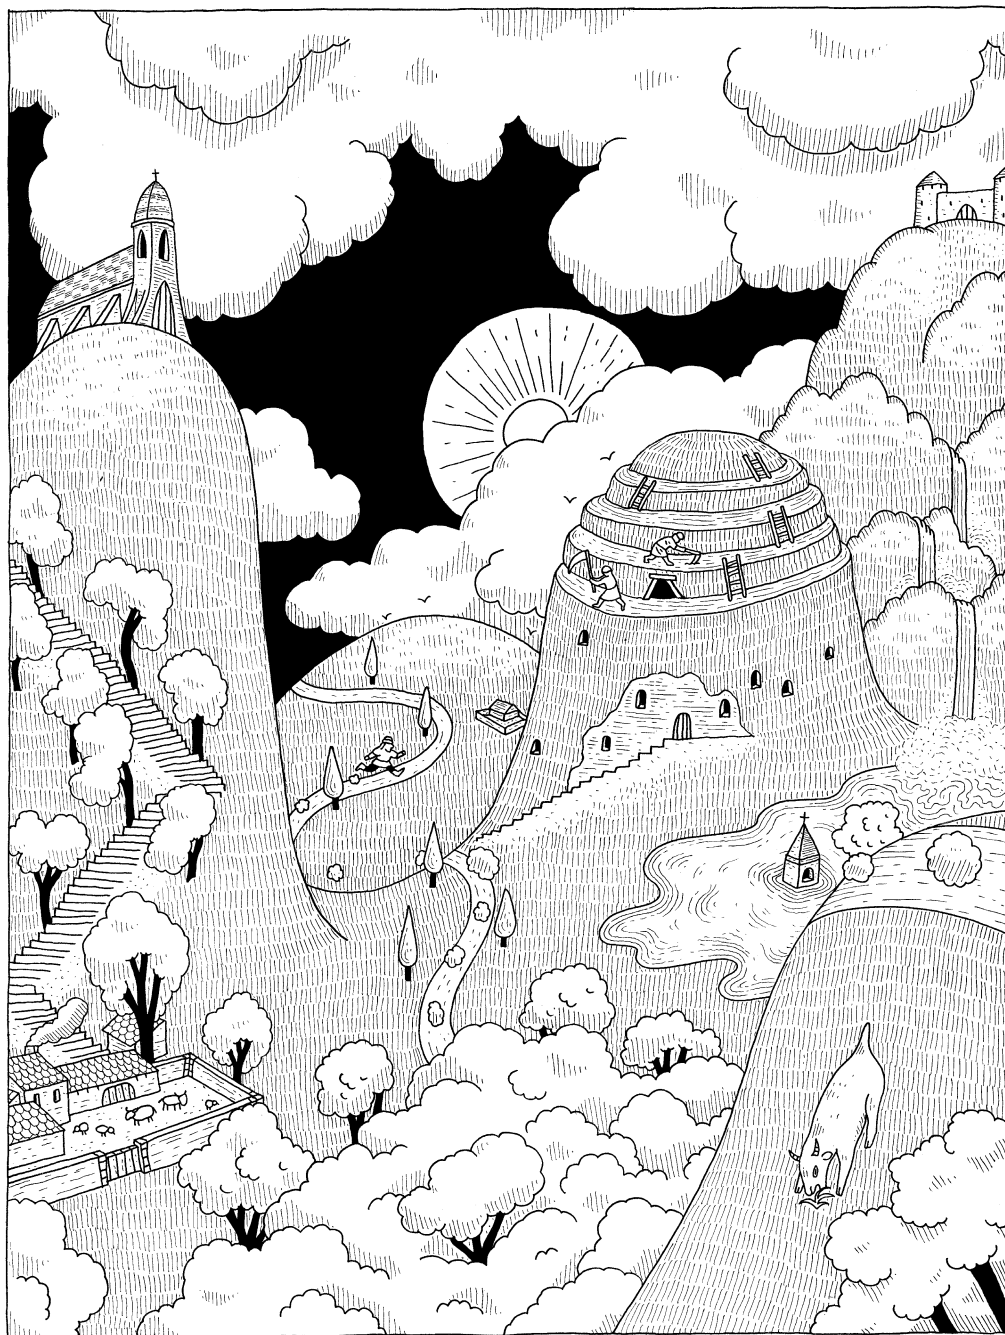

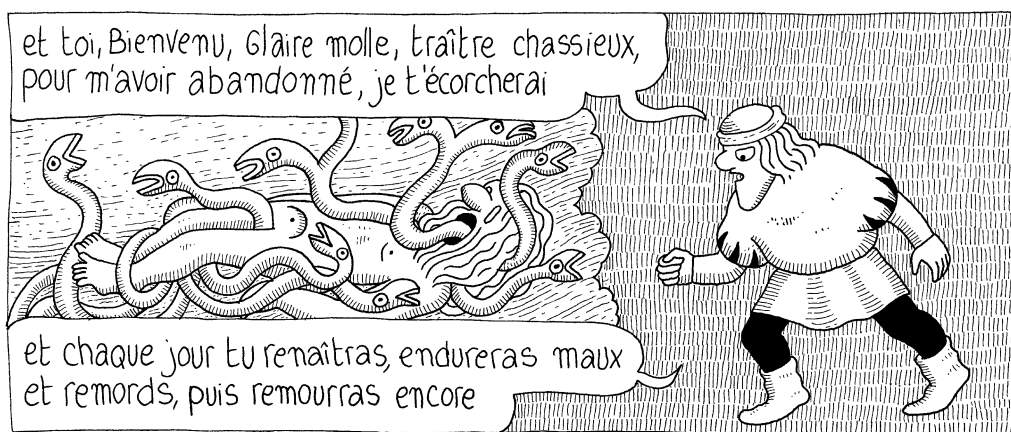

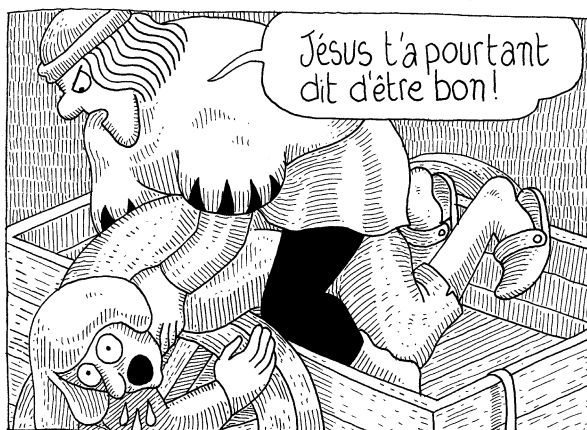

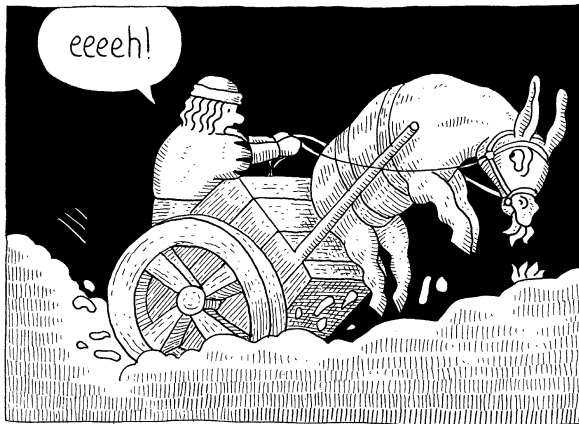

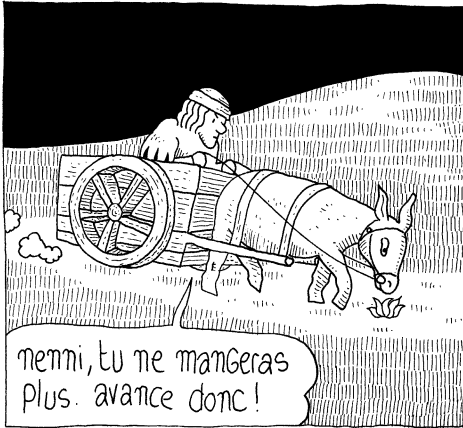

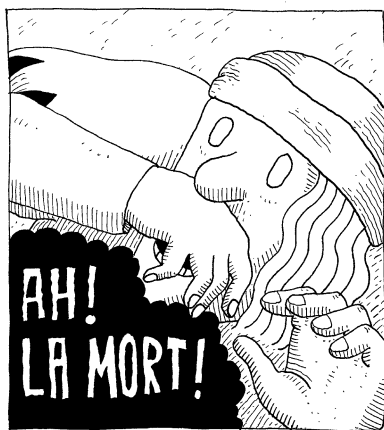

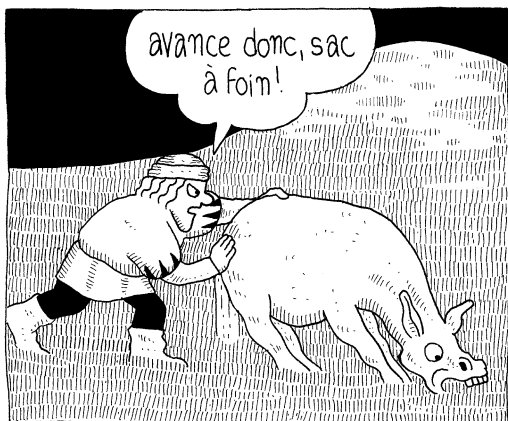

DEUX NOUVEAUX AMIS

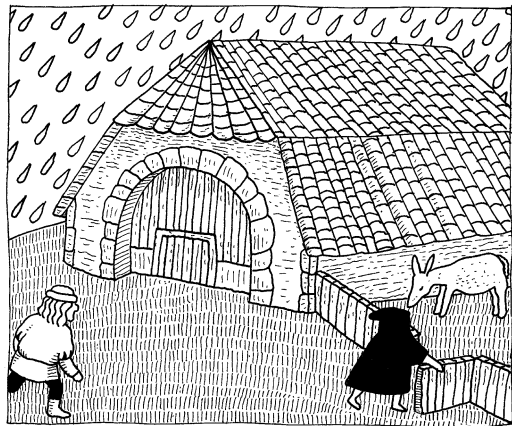

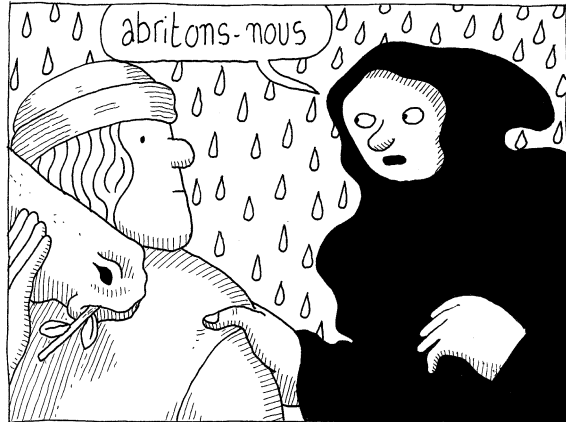

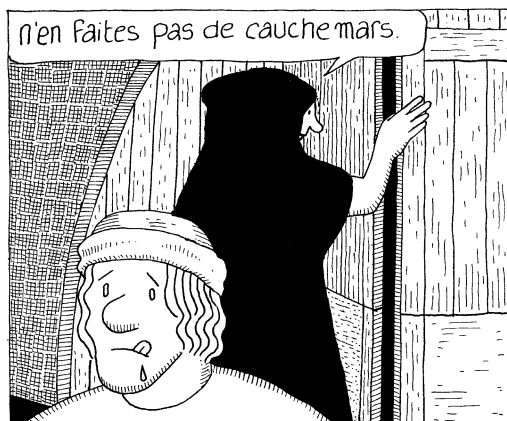

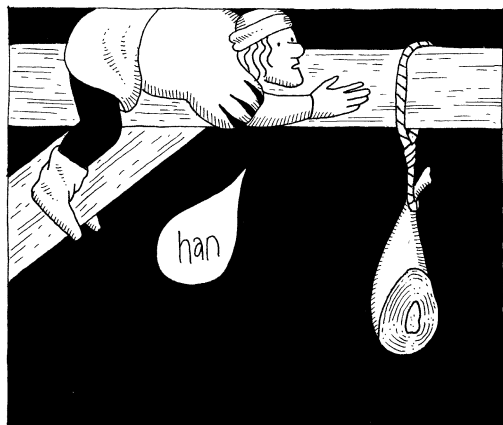

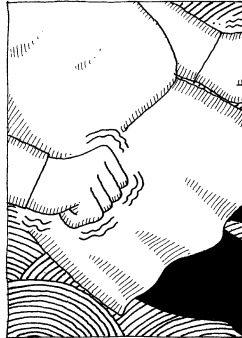

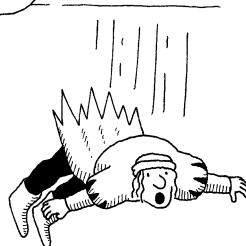

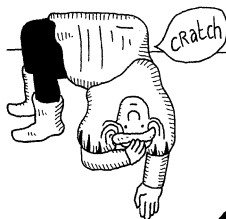

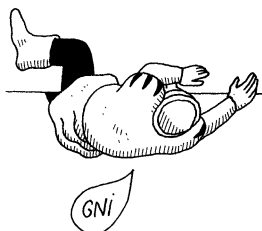

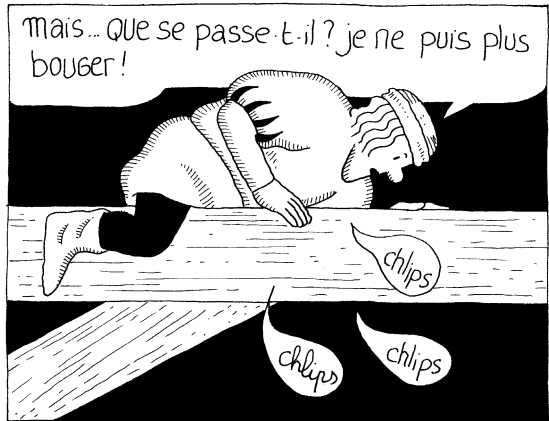

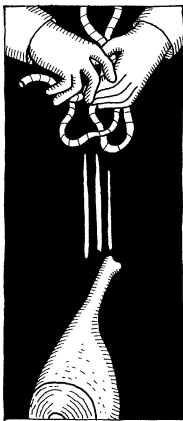

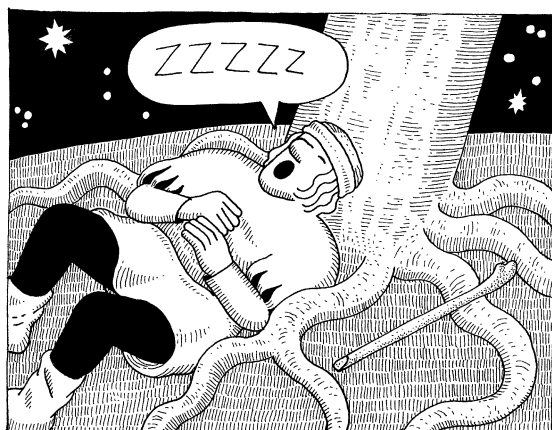

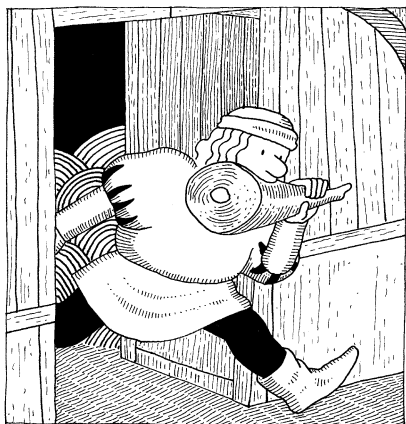

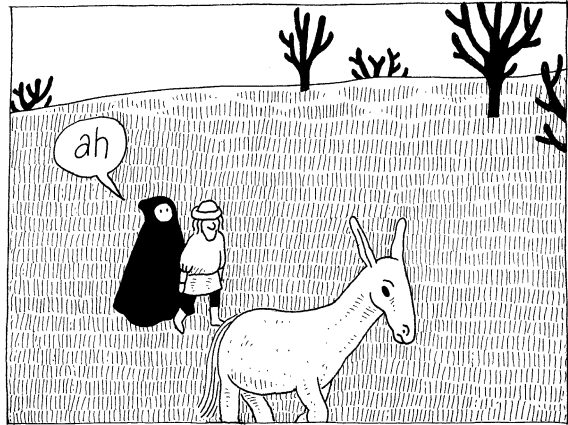

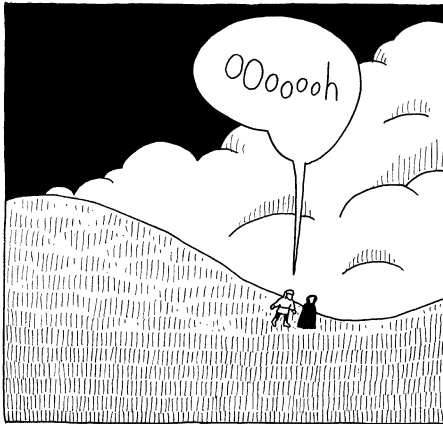

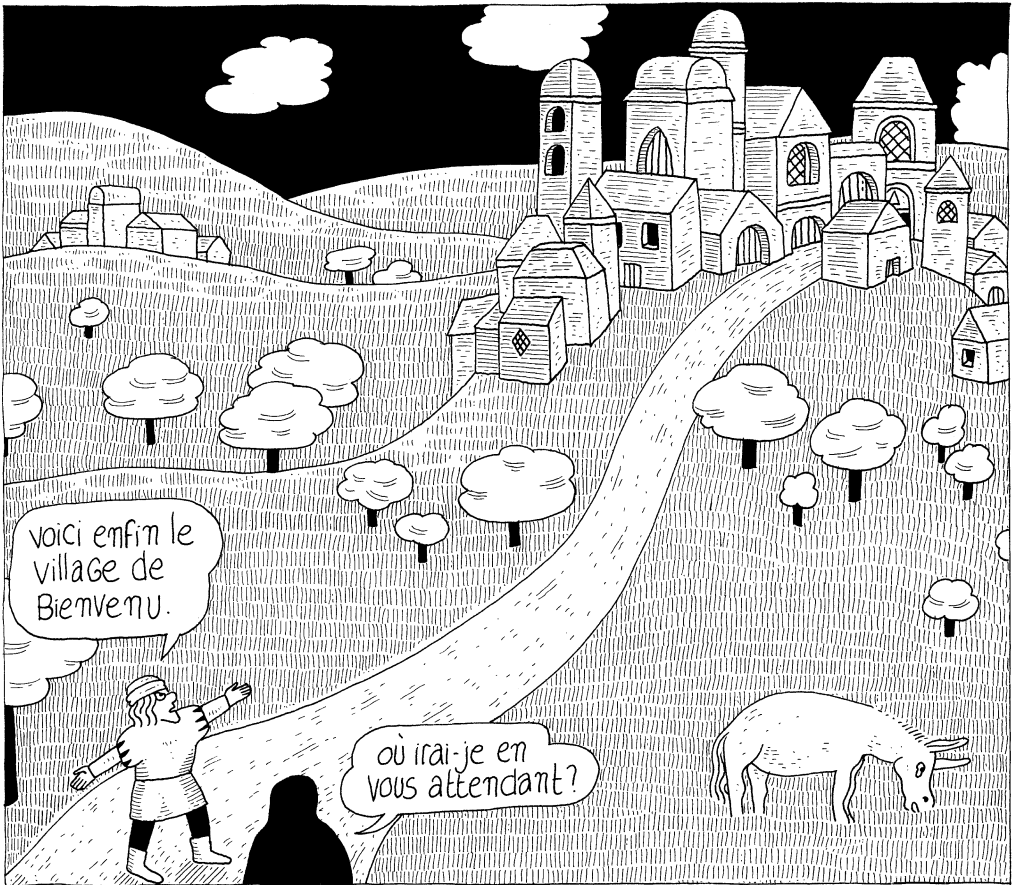

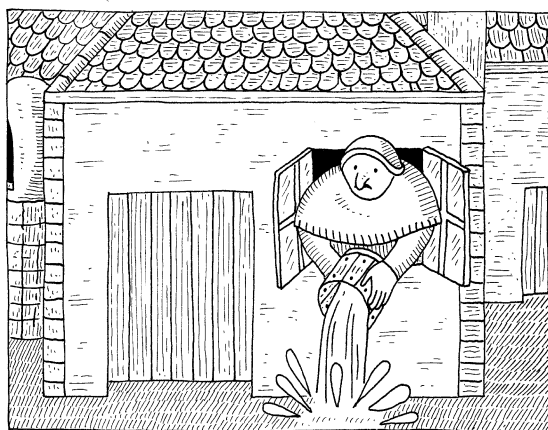

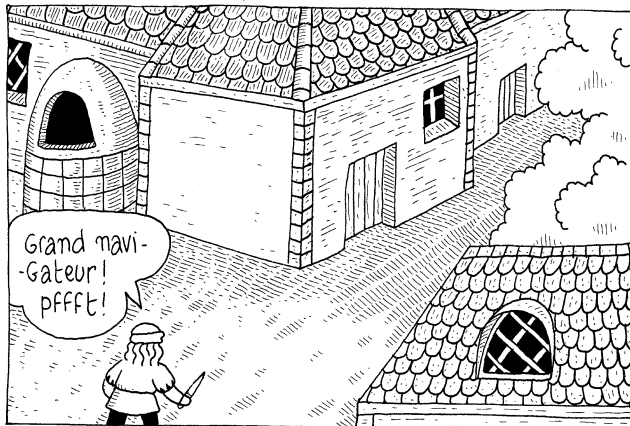

LA VENGEANCE DU CAPITAINE

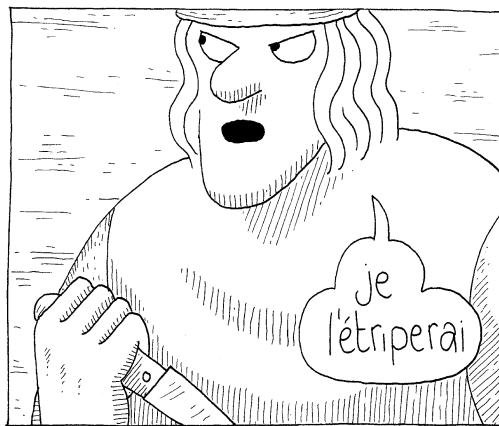

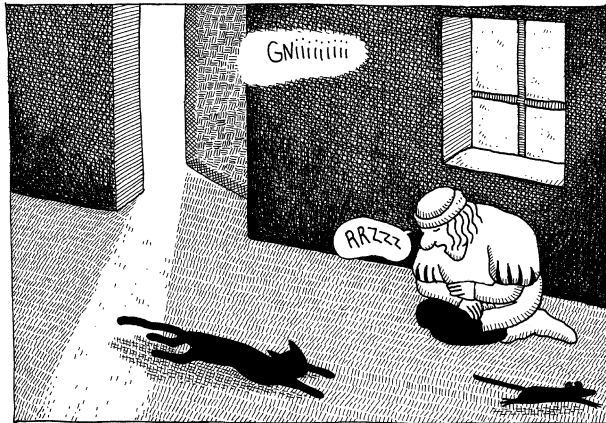

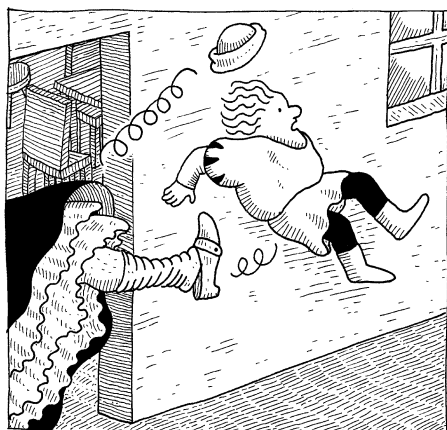

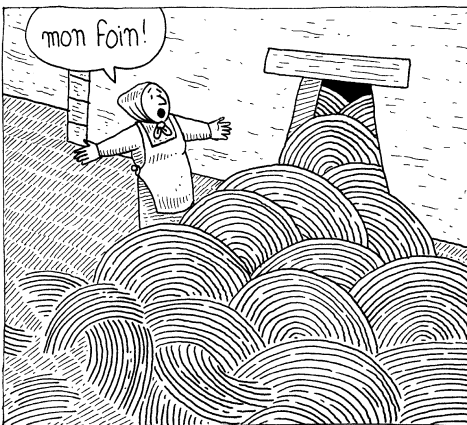

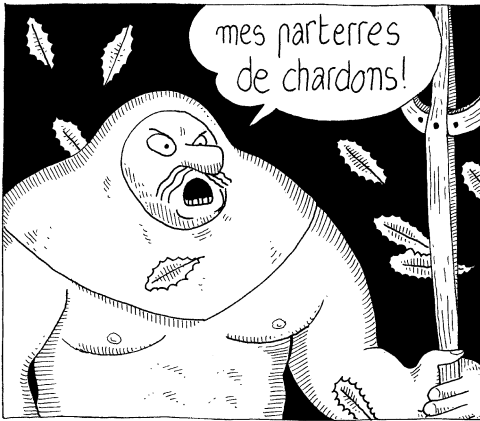

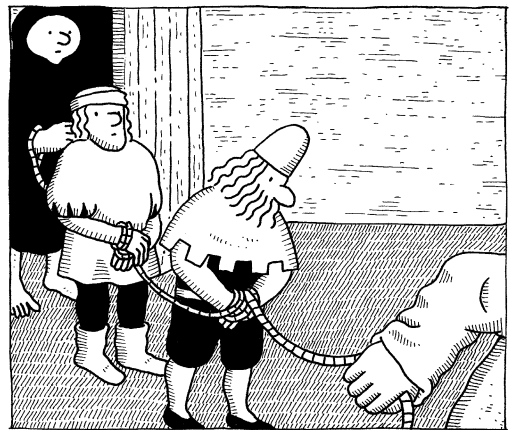

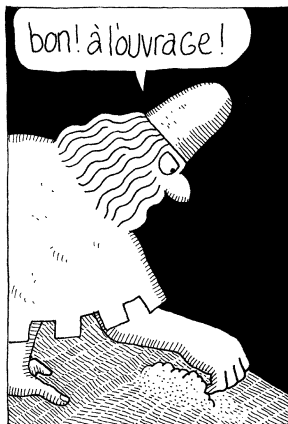

LE PROCÈS

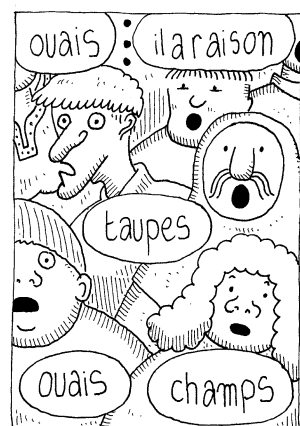

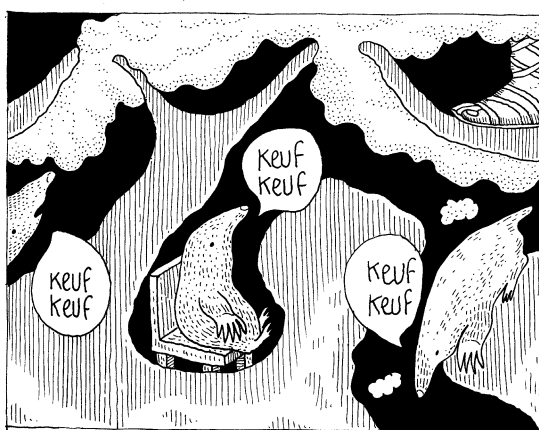

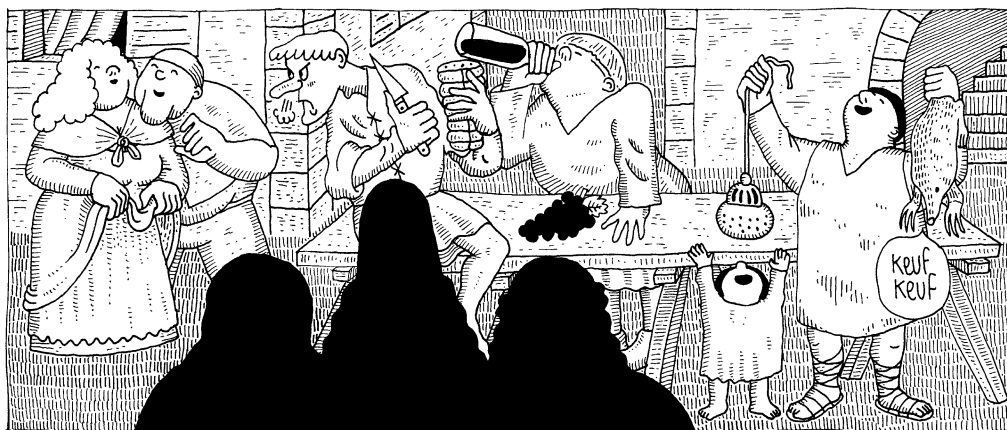

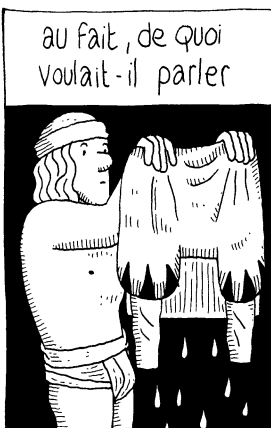

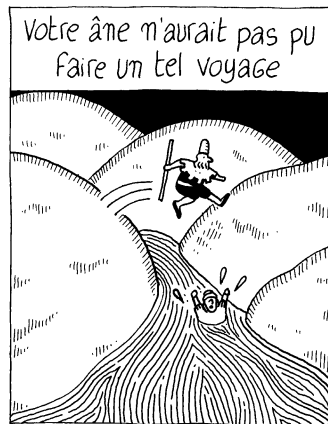

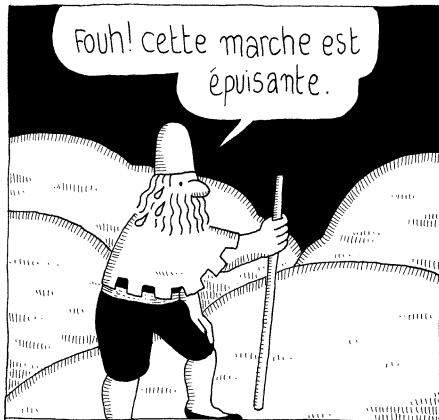

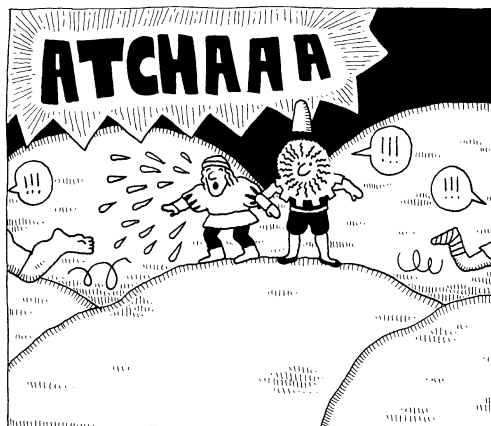

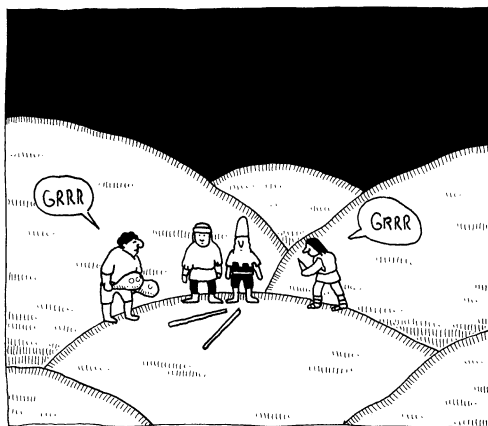

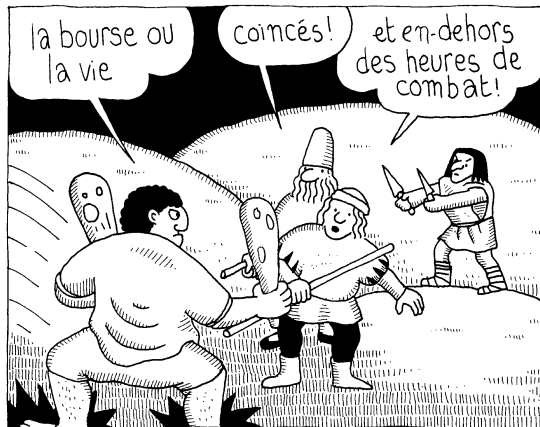

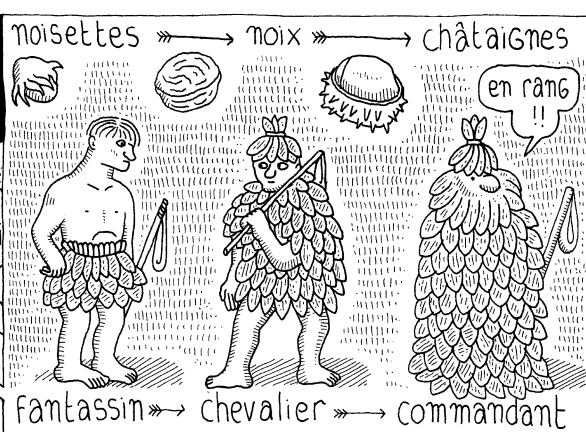

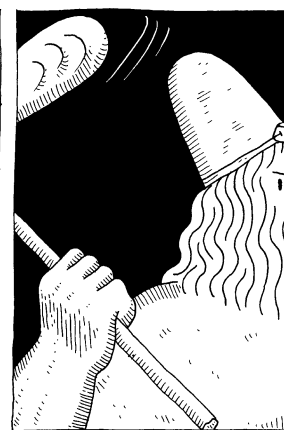

L'ARME NOUVELLE

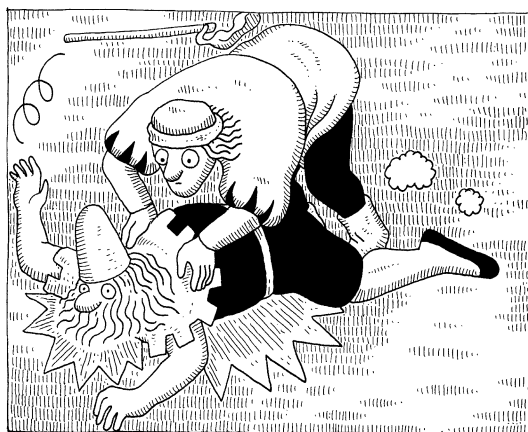

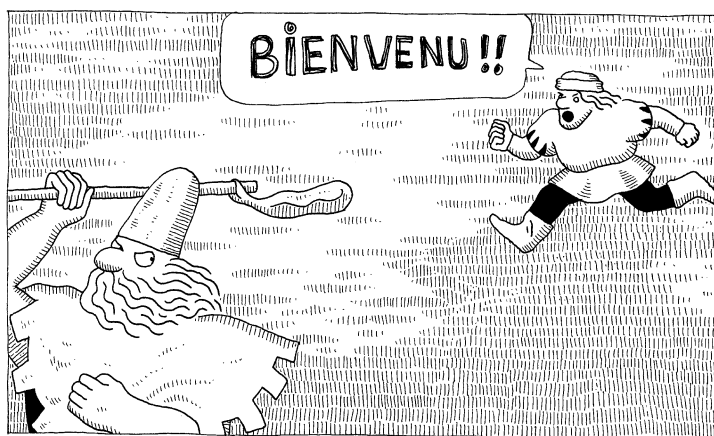

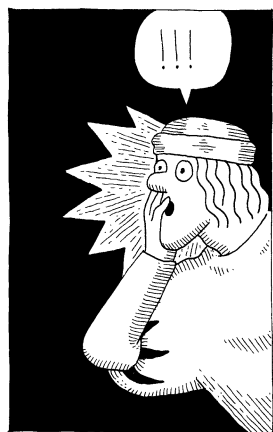

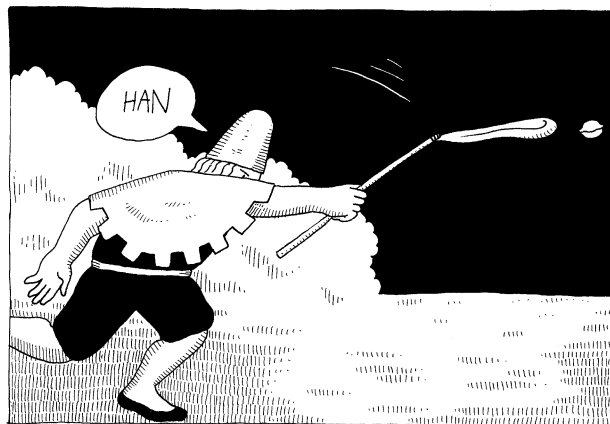

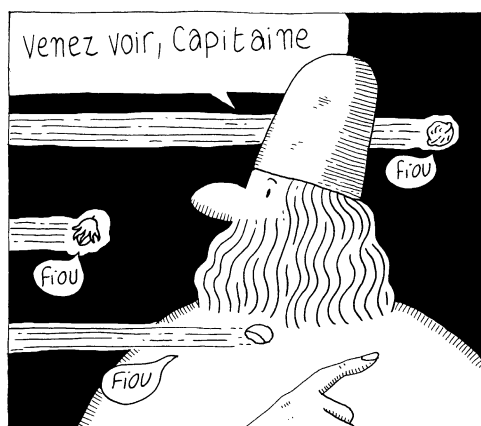

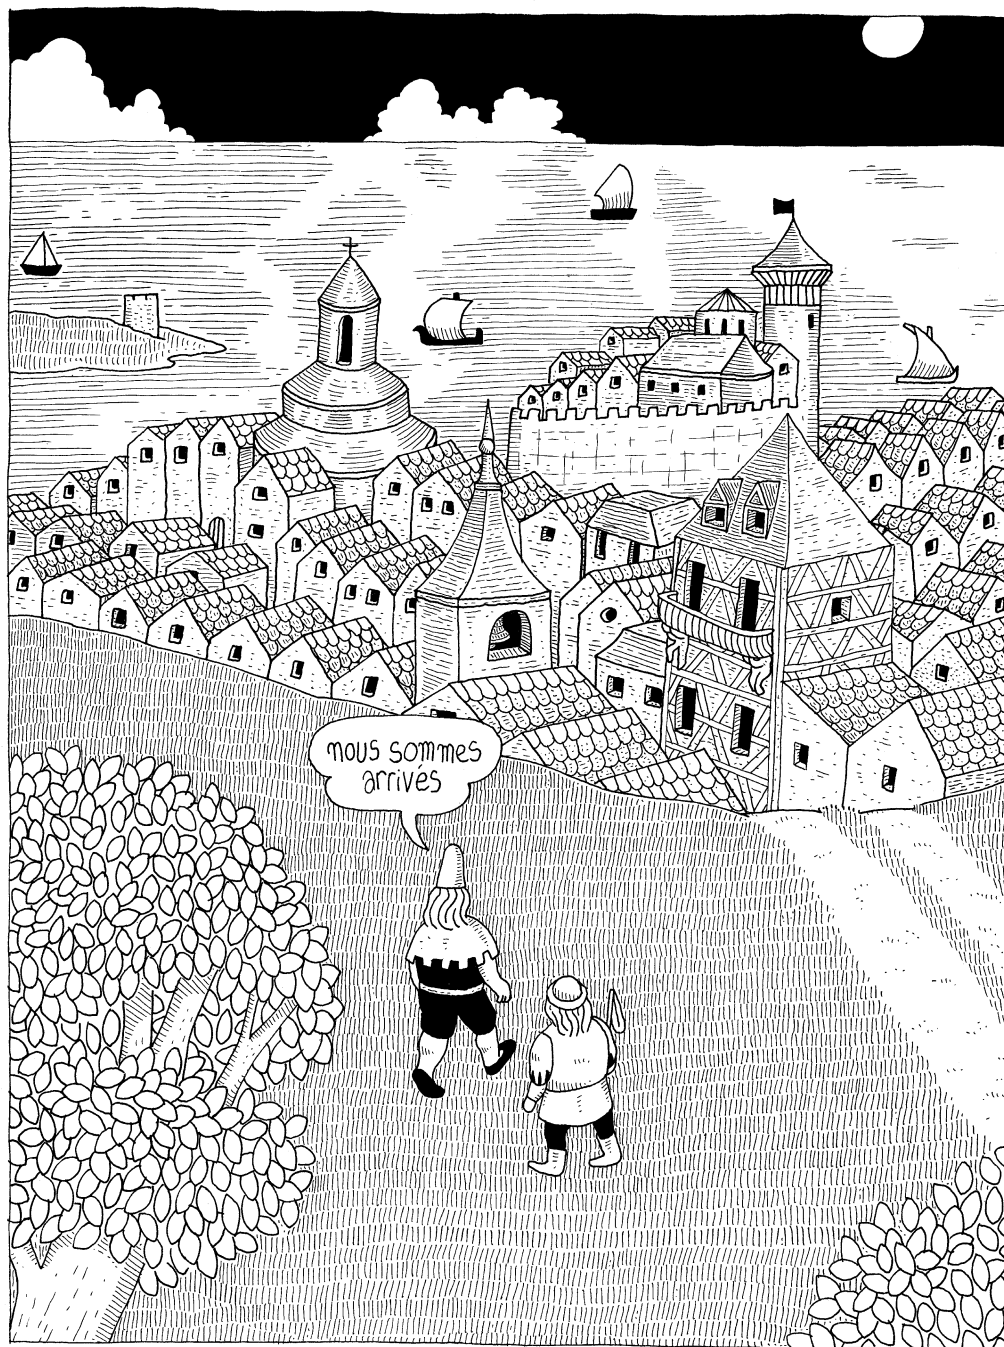

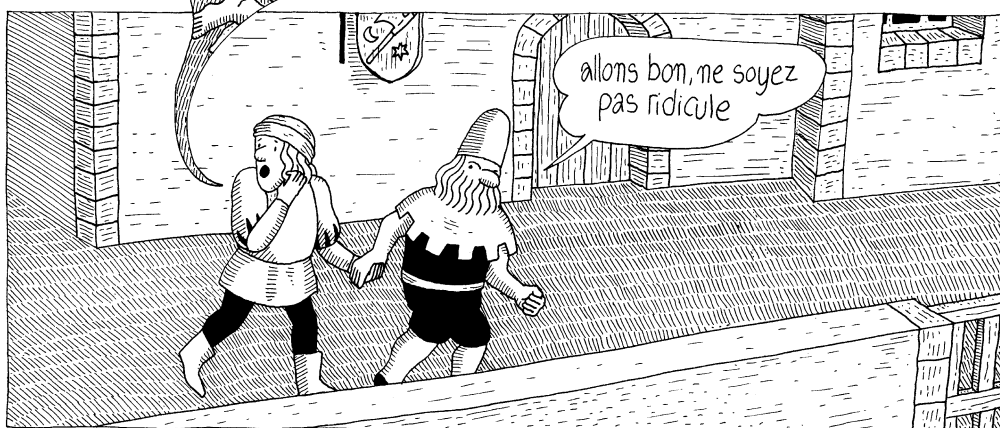

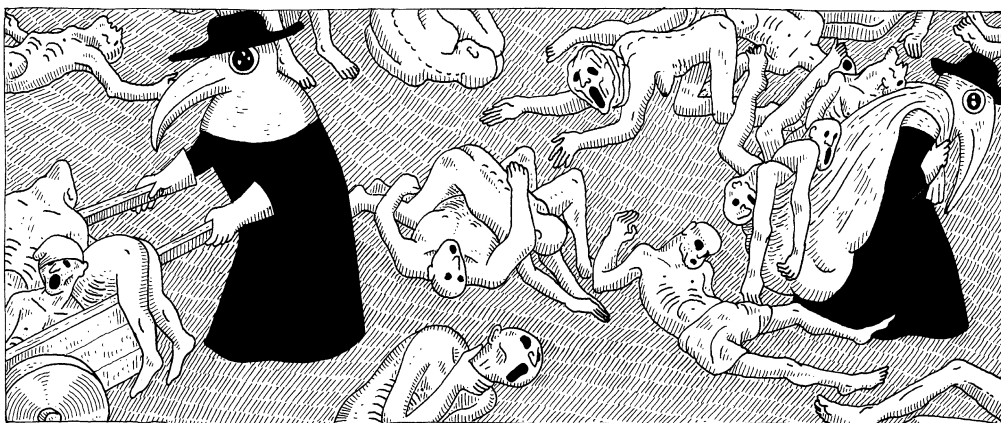

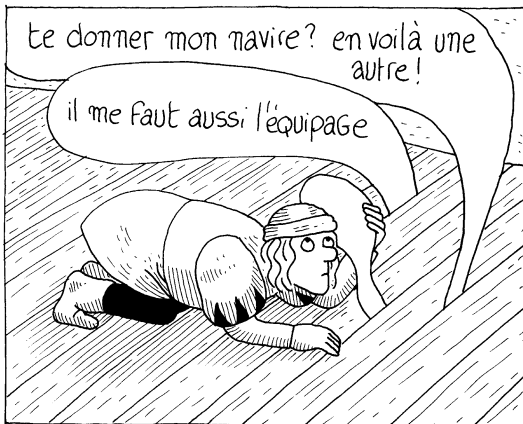

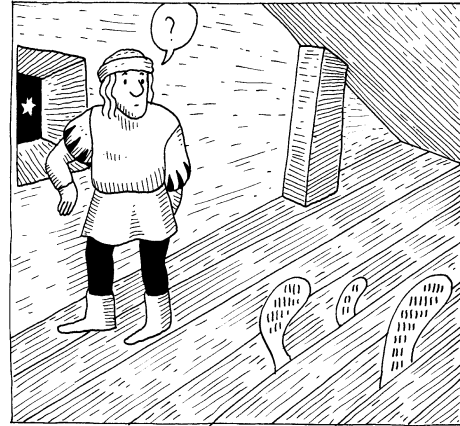

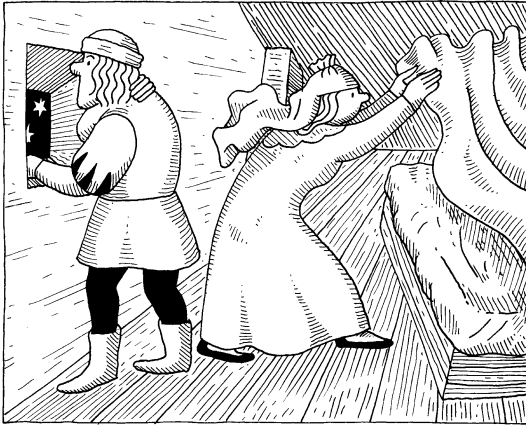

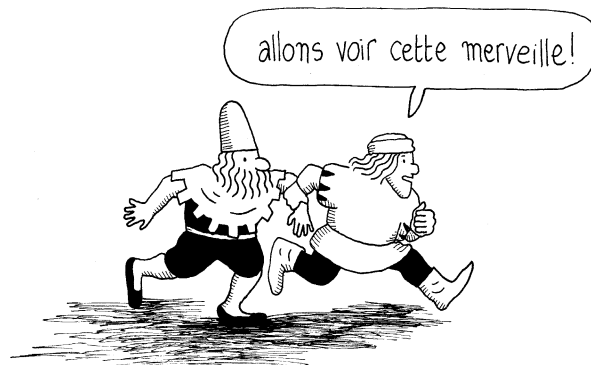

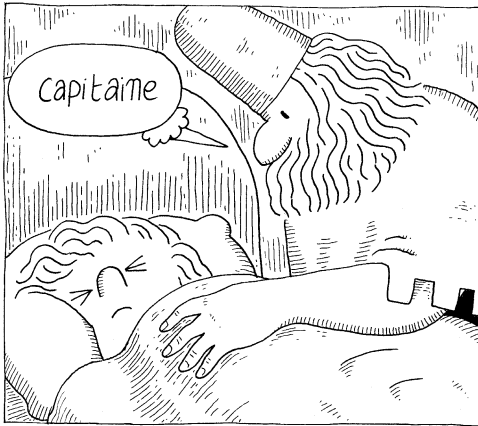

LE NAVIRE À PEAU DE BOUC

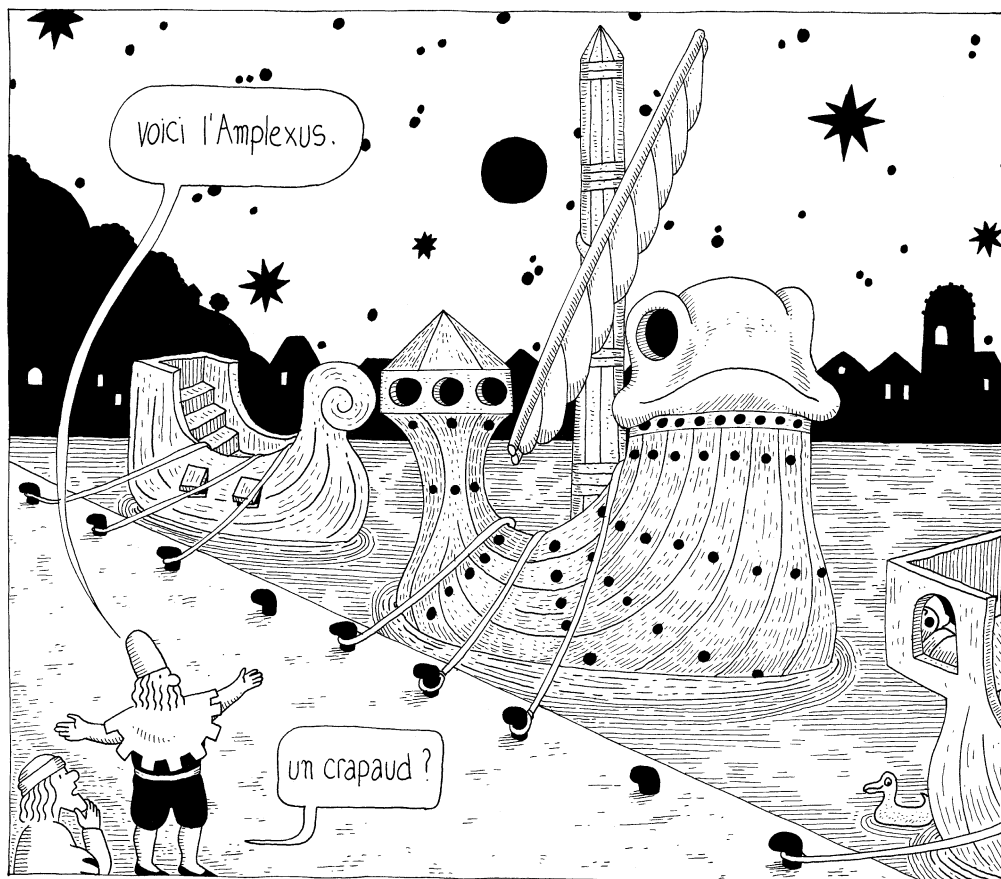

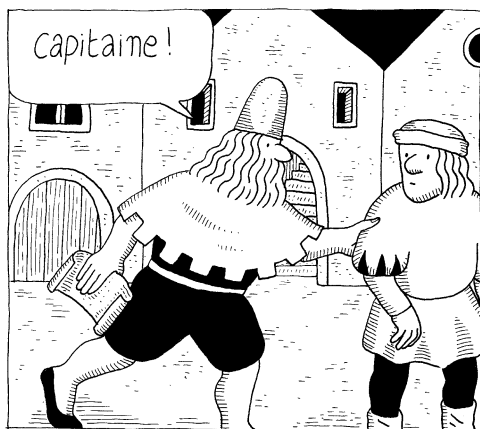

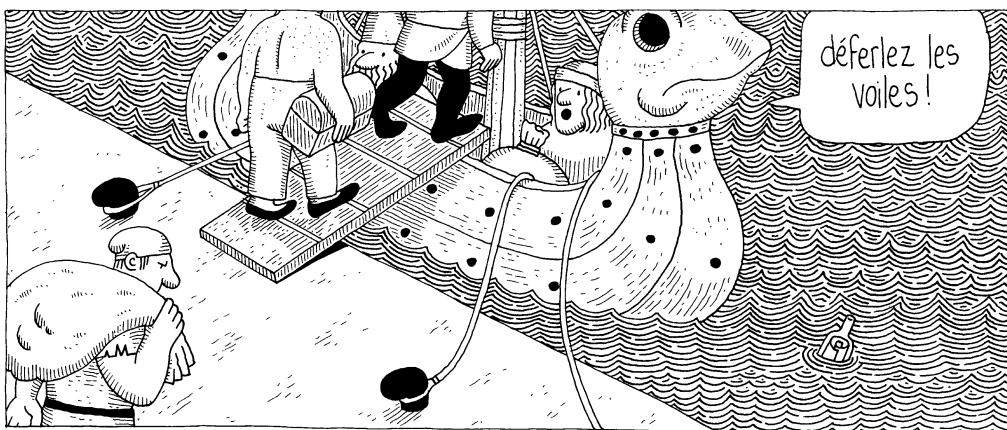

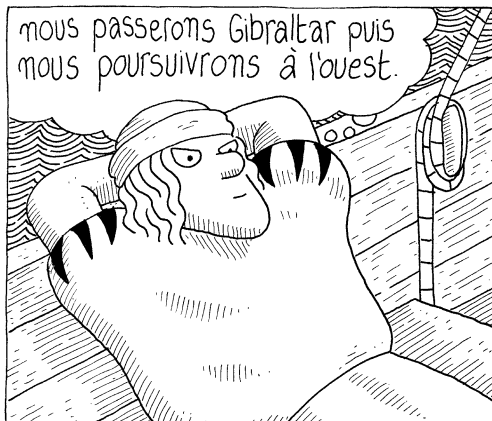

ah! les coquins! trois jours de
trêve pour du charbon!

mais
nous voilà
partis! enfin!

nous passerons Gibraltar puis
nous poursuivrons à l'ouest.

mais Fonculotte est maintenant
aux mains des François, qui ne
me laisseront pas reprendre
le pouvoir...

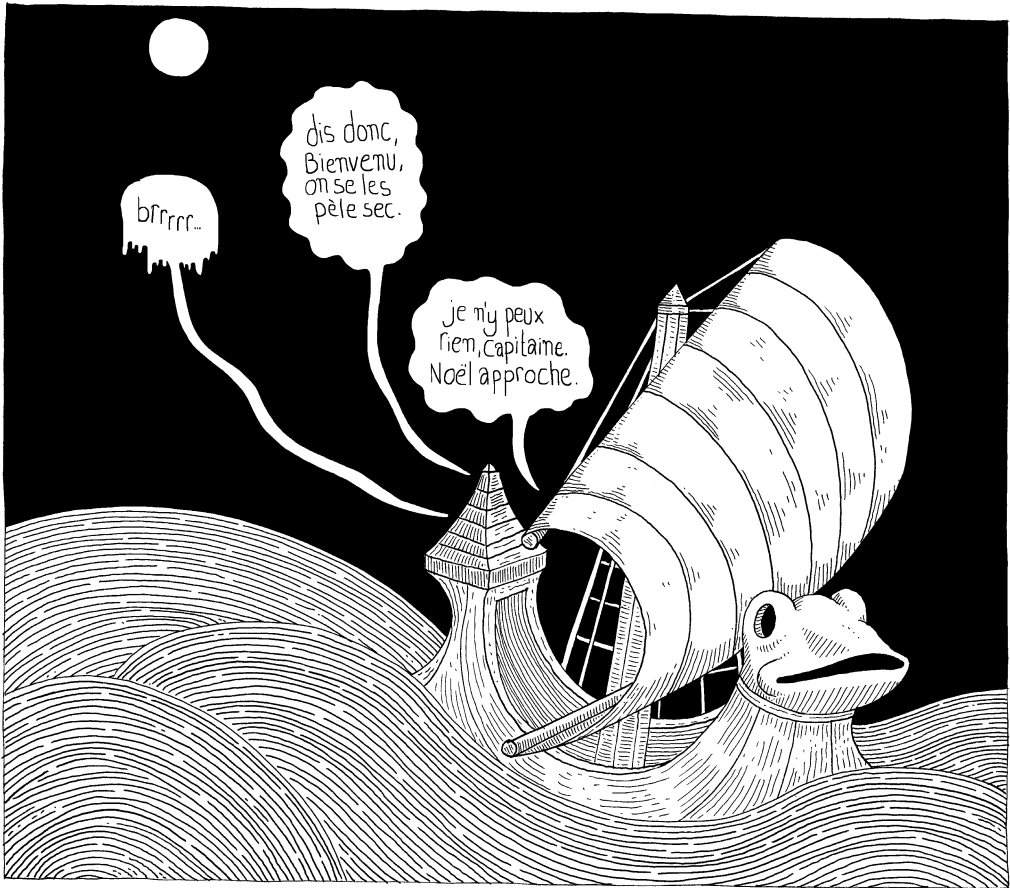

et pourtant cette terre est
mienne; je l'ai découverte et y
ai planté mes couleurs! il
me la
faut

et si je me l'ai par plaisir,
je l'aurai par
guerre!

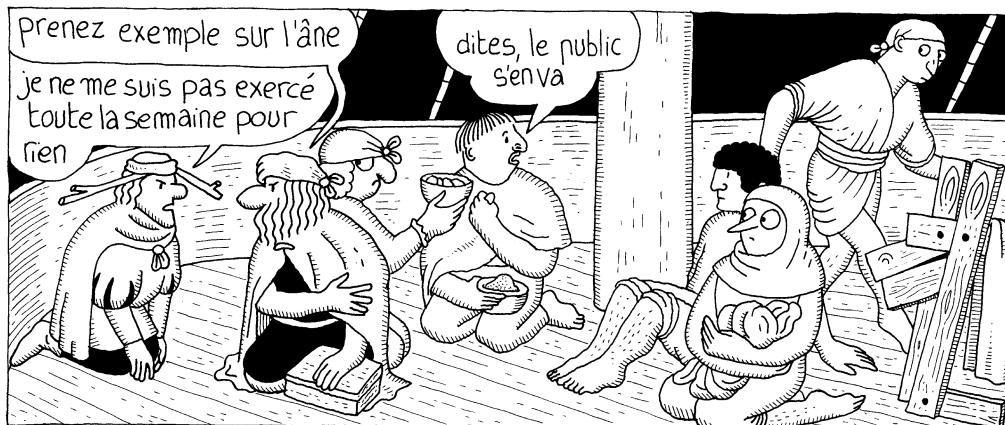

LE MYSTÈRE DE LA NATIVITÉ

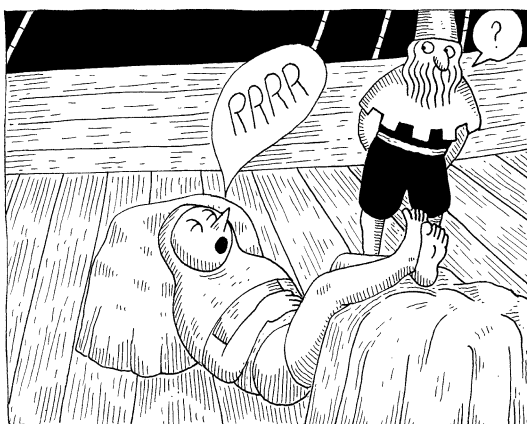

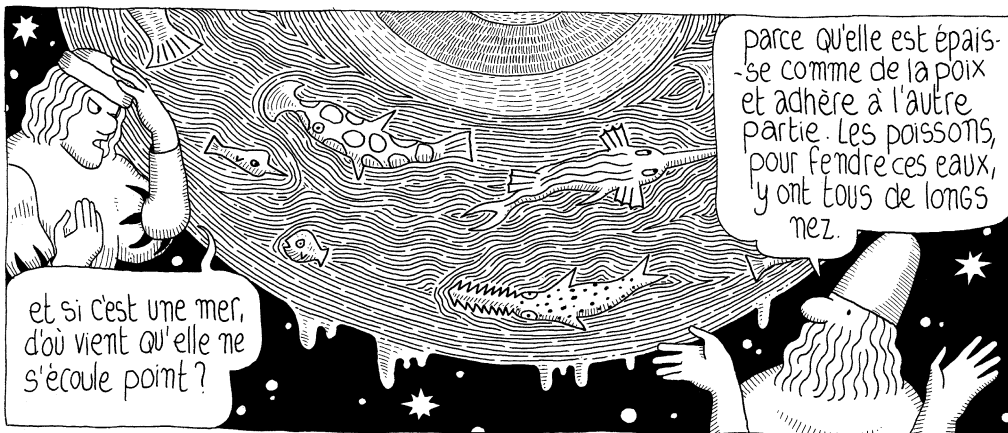

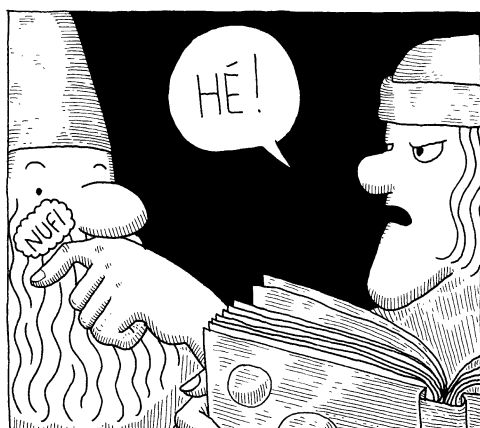

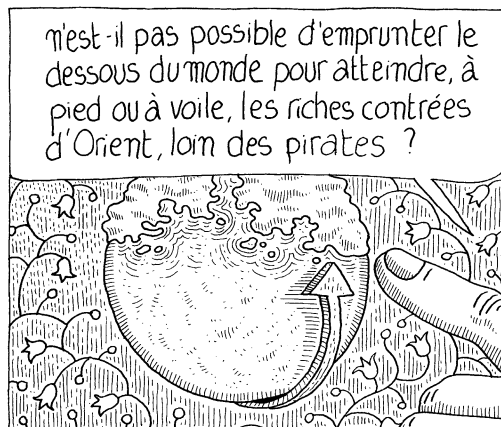

L'HYPOTHÈSE GRECQUE

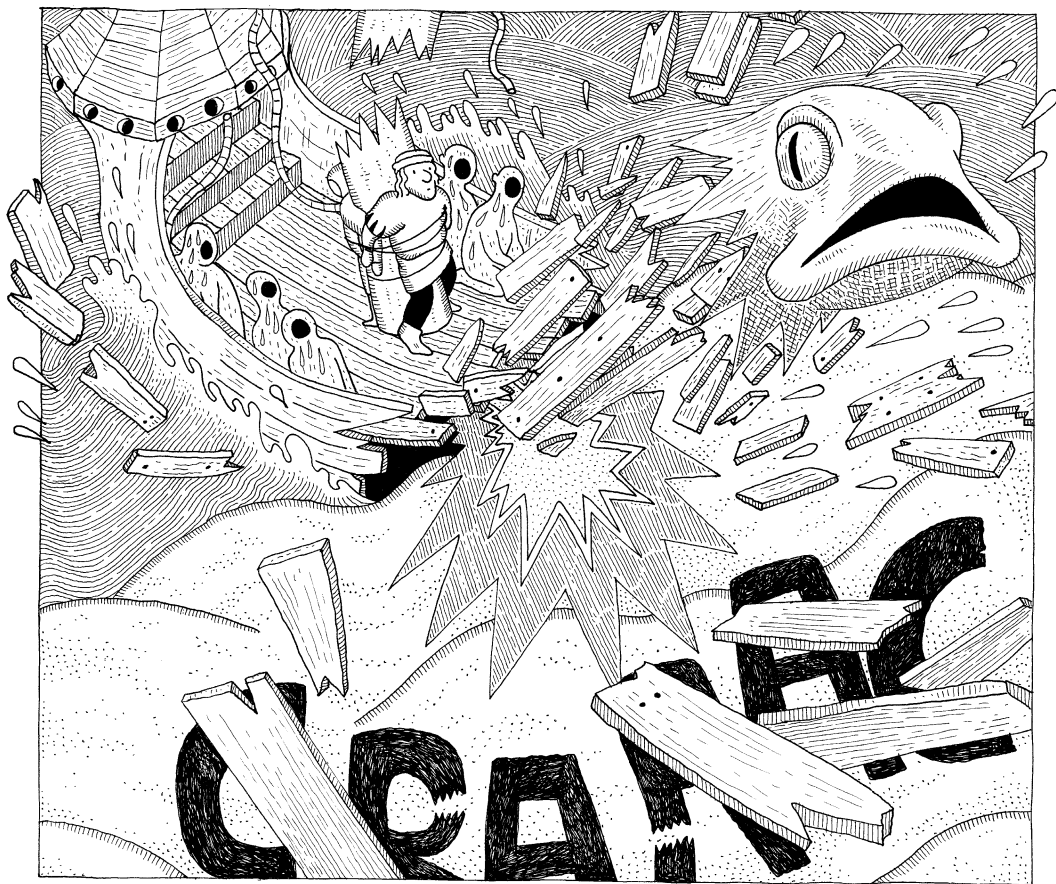

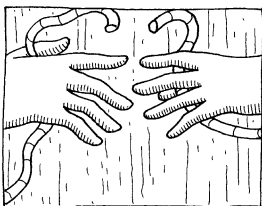

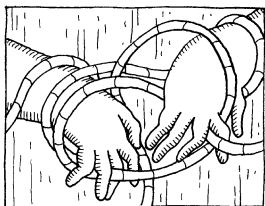

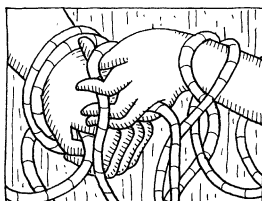

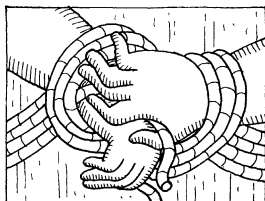

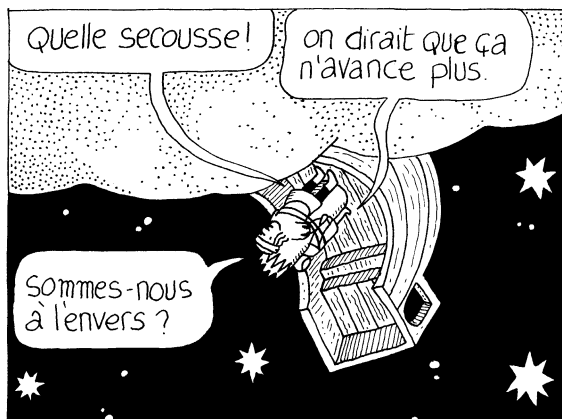

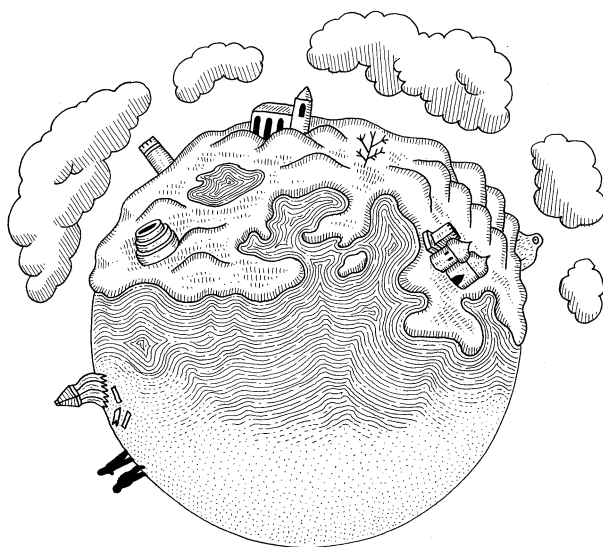

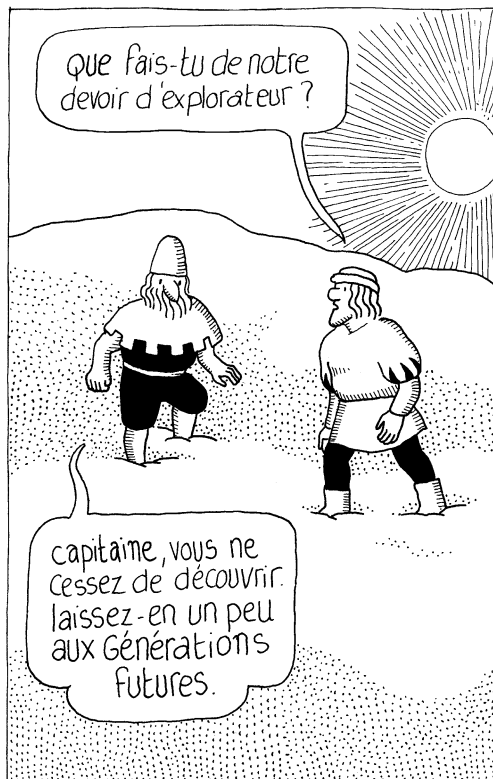

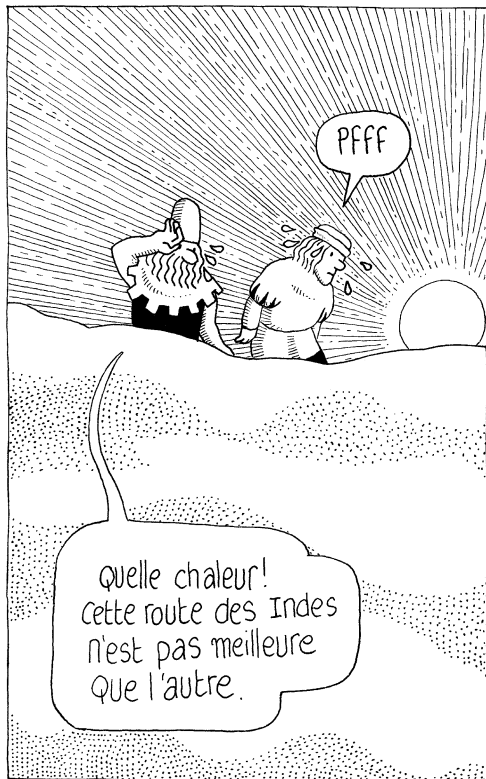

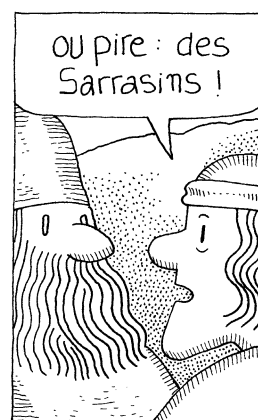

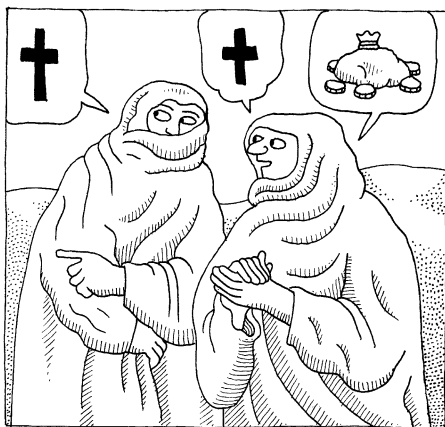

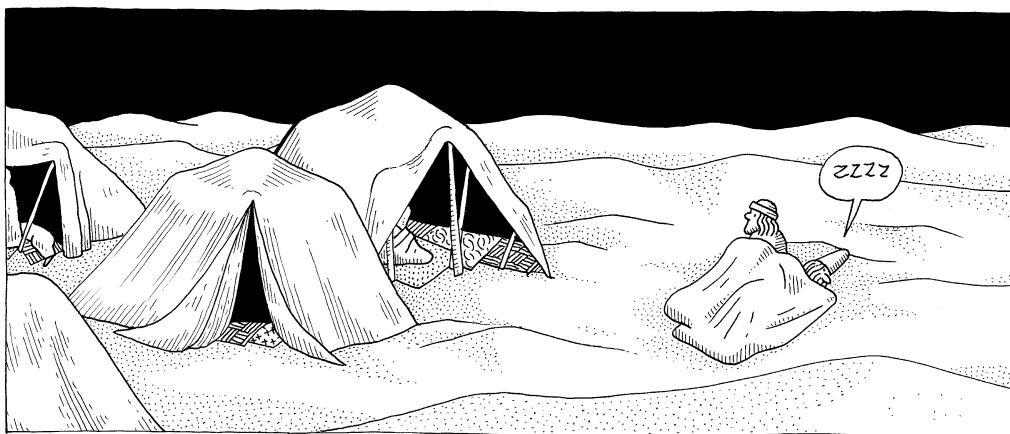

LE VOYAGE A L'ENVERS

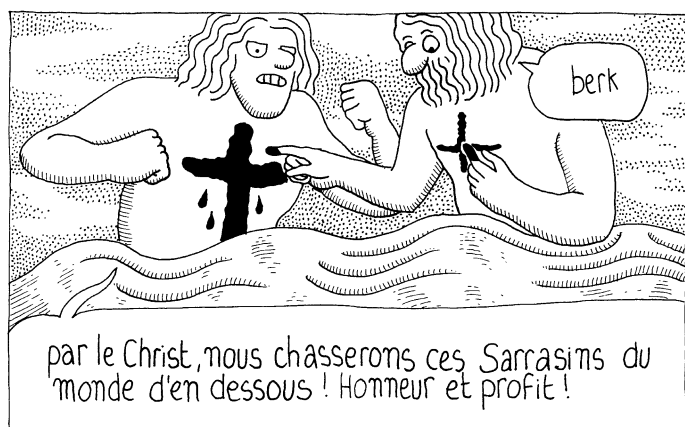

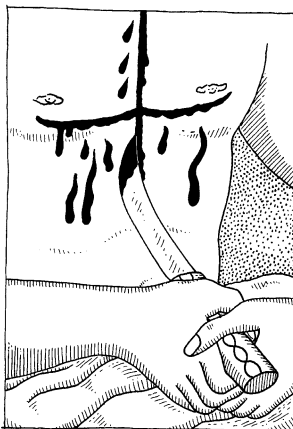

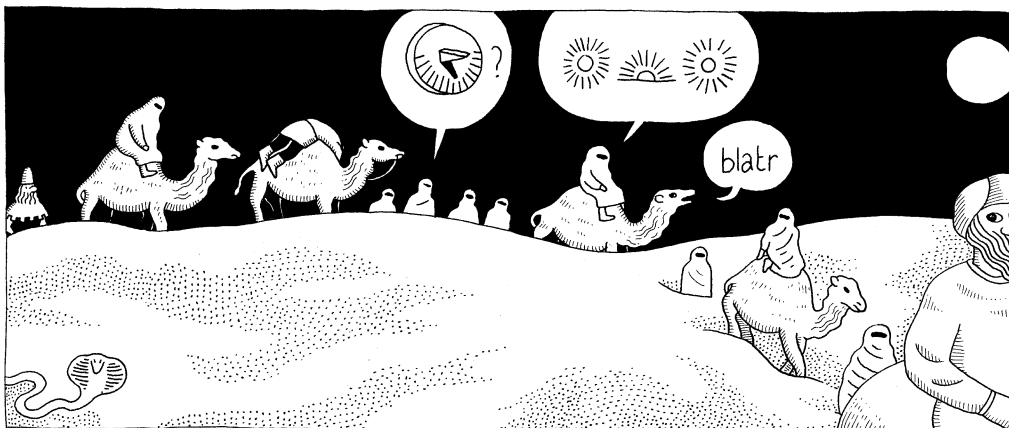

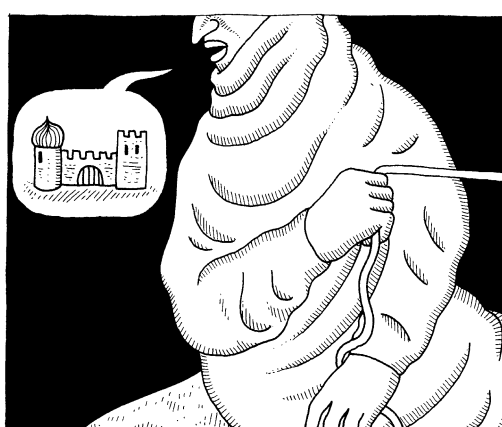

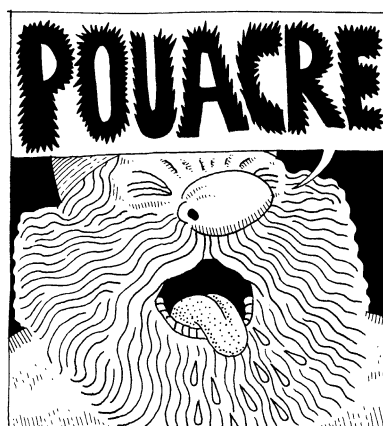

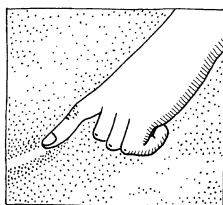

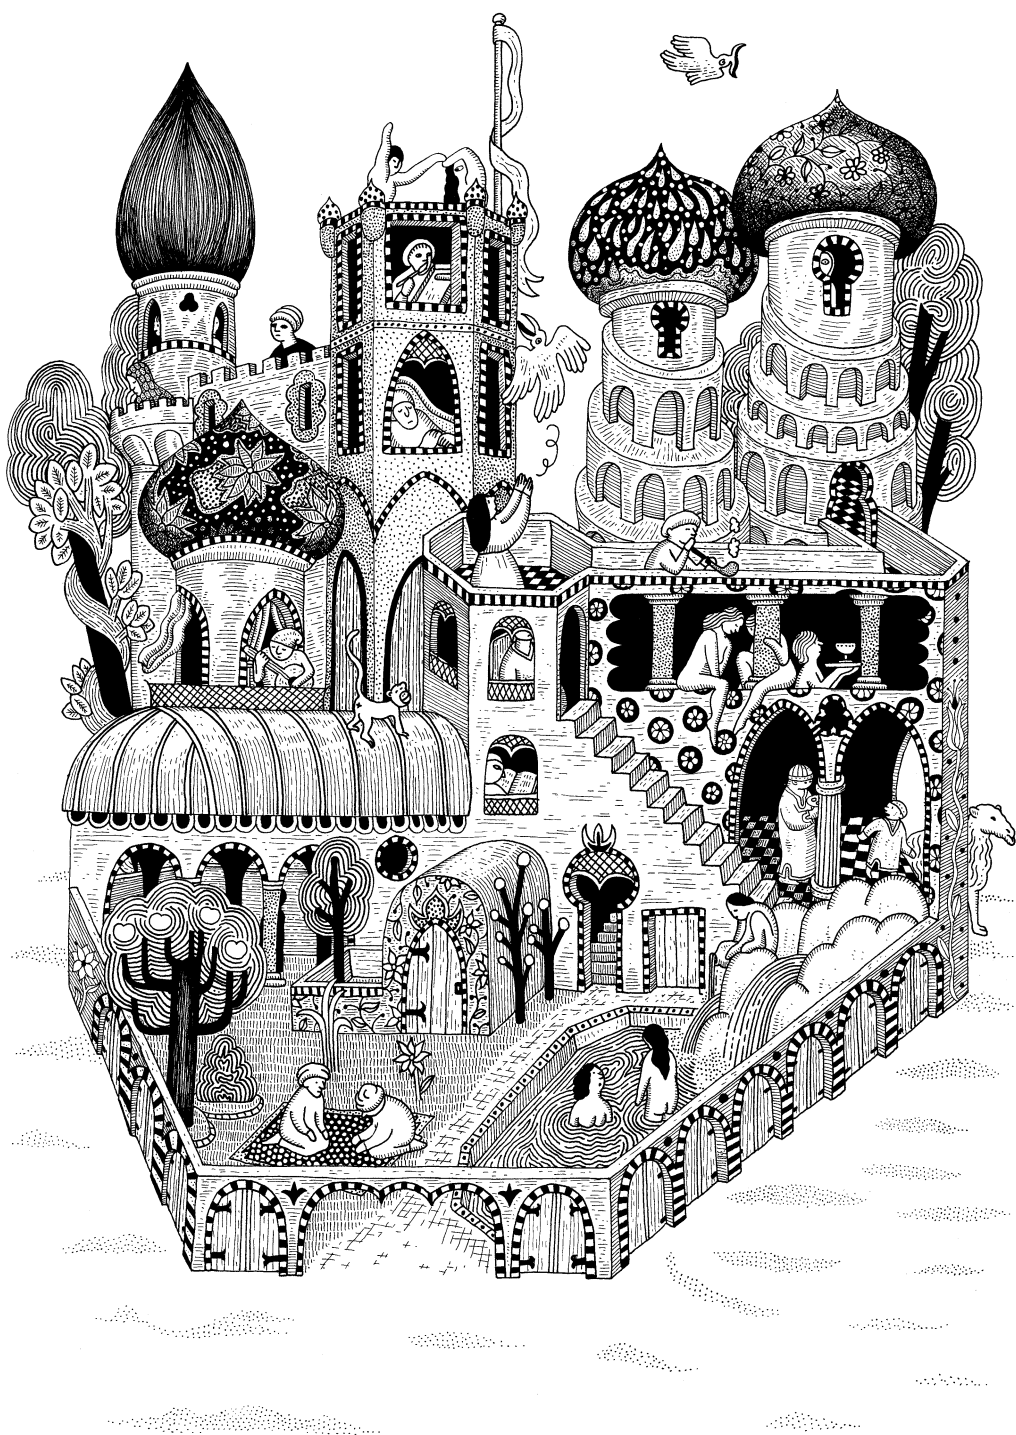

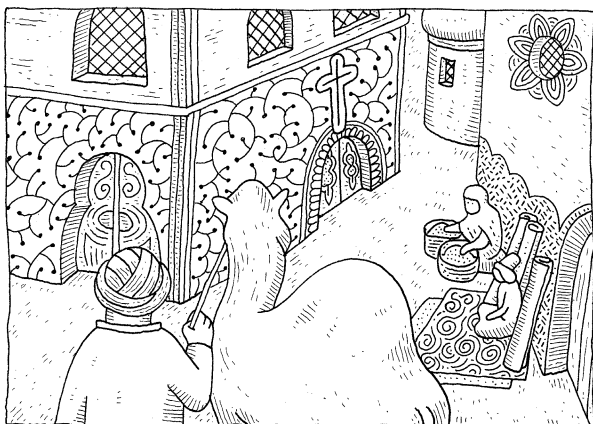

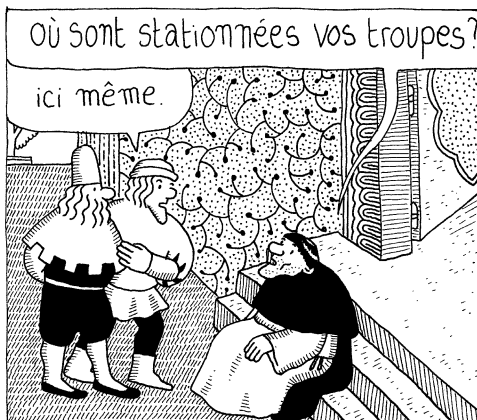

Que dites-vous? Jene suis point Gouverneur, mais le frère Balsame, en charge de ce couvent.

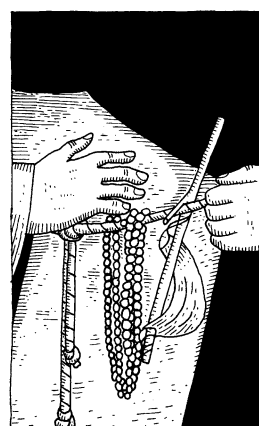

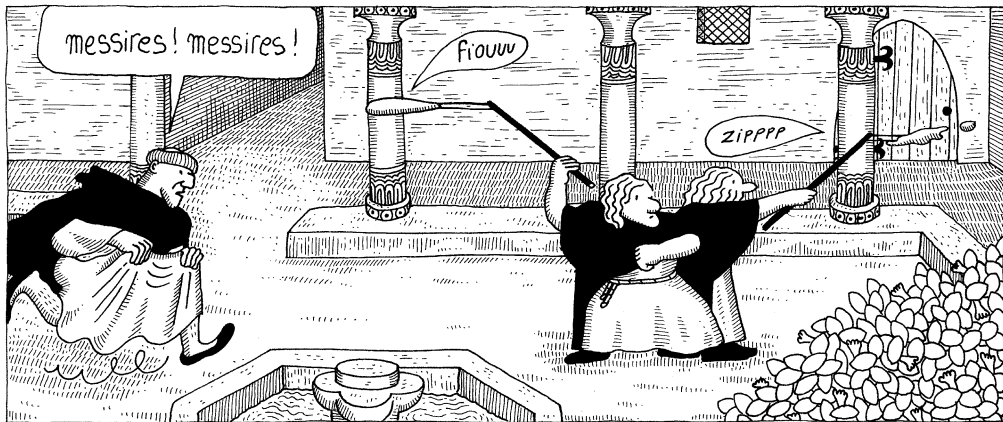

SMACK

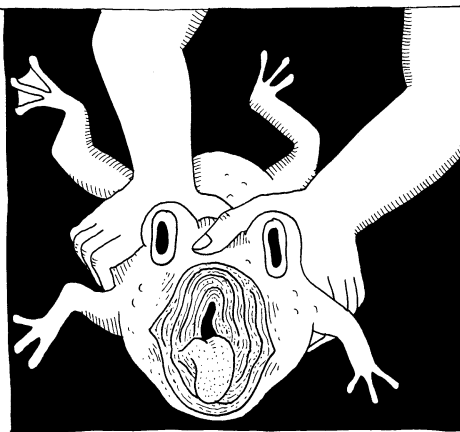

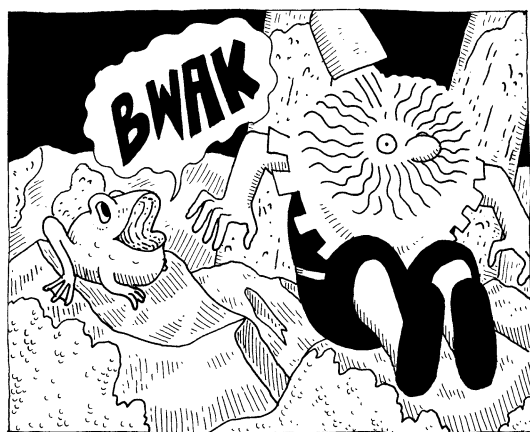

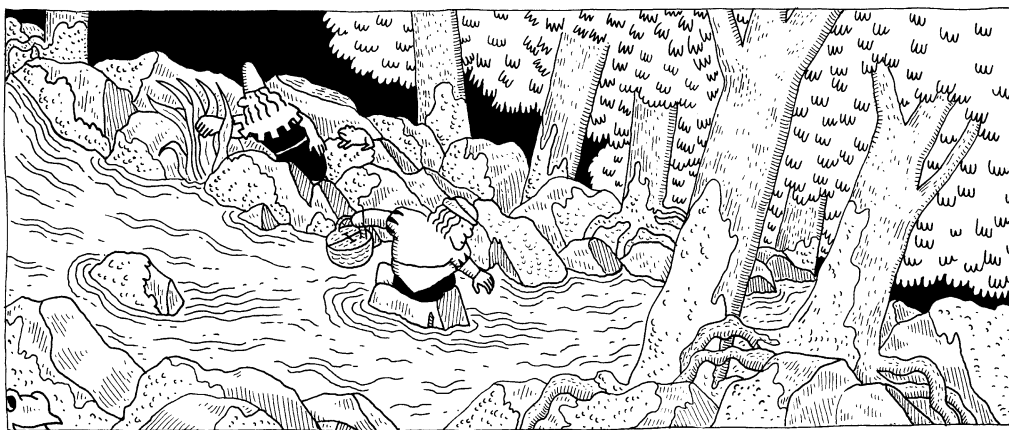

!!

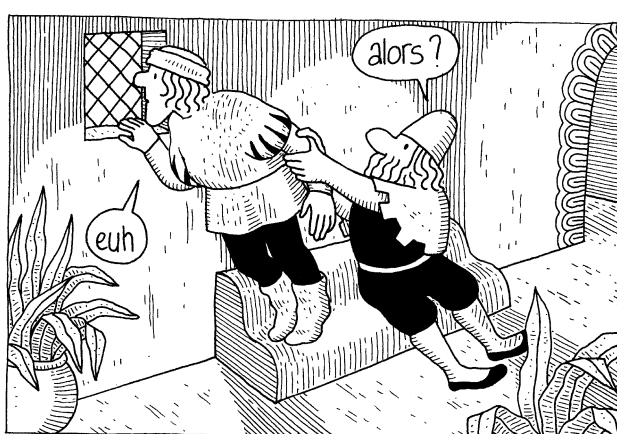

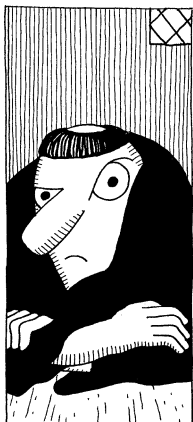

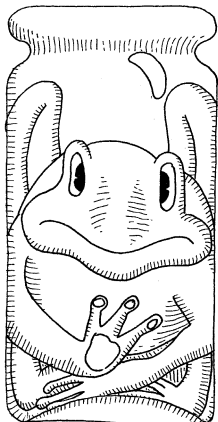

LE COUVENT AUX CRAPAUDS

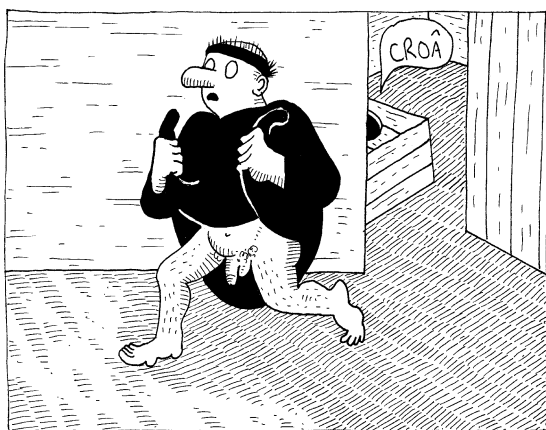

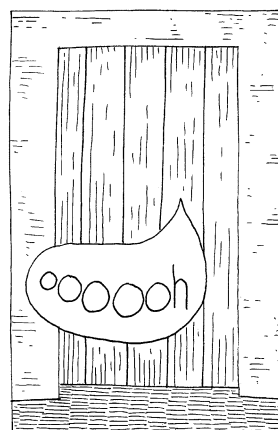

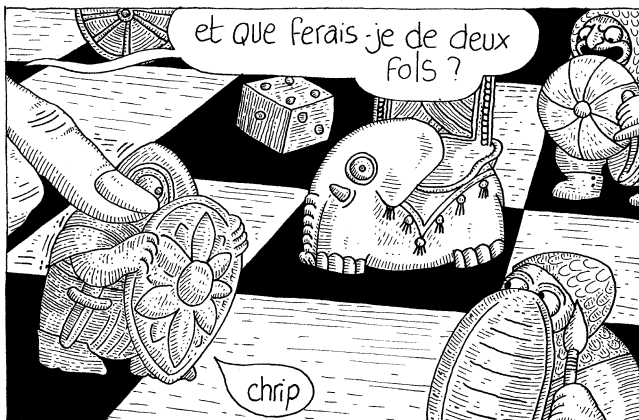

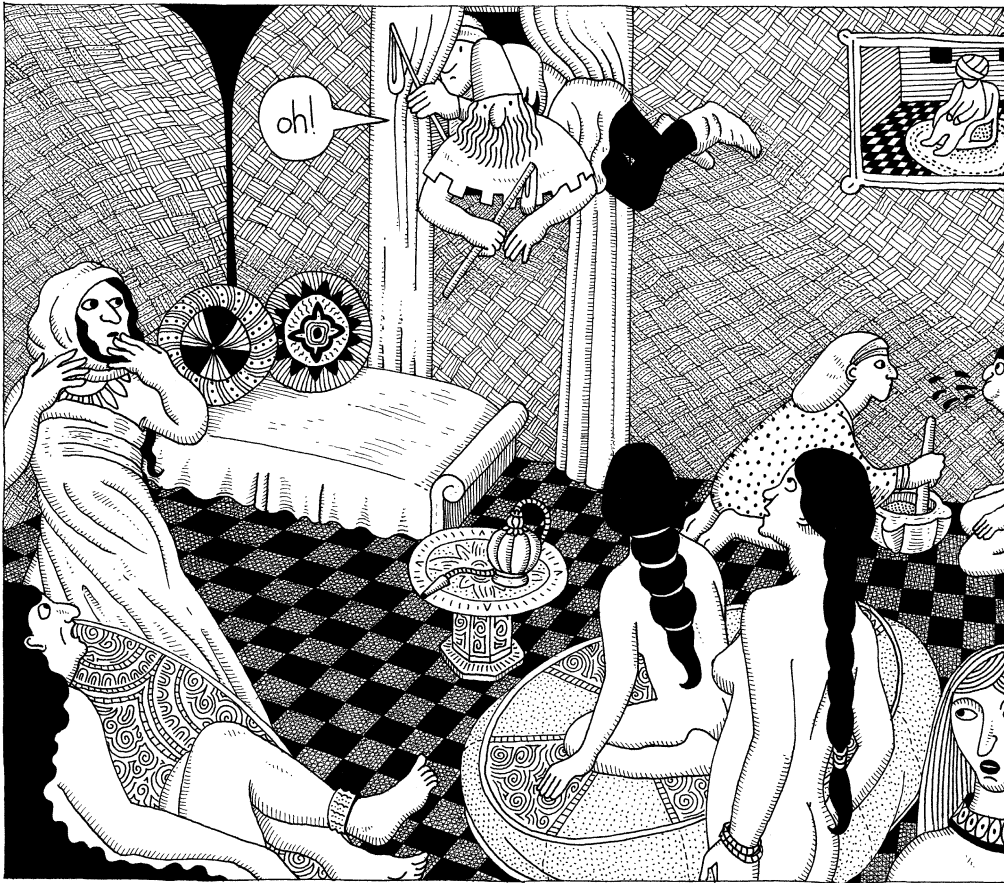

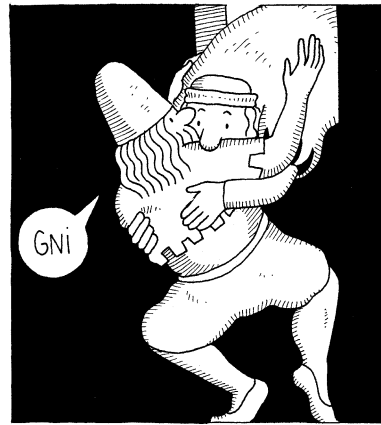

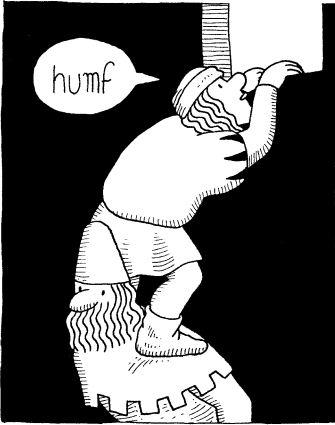

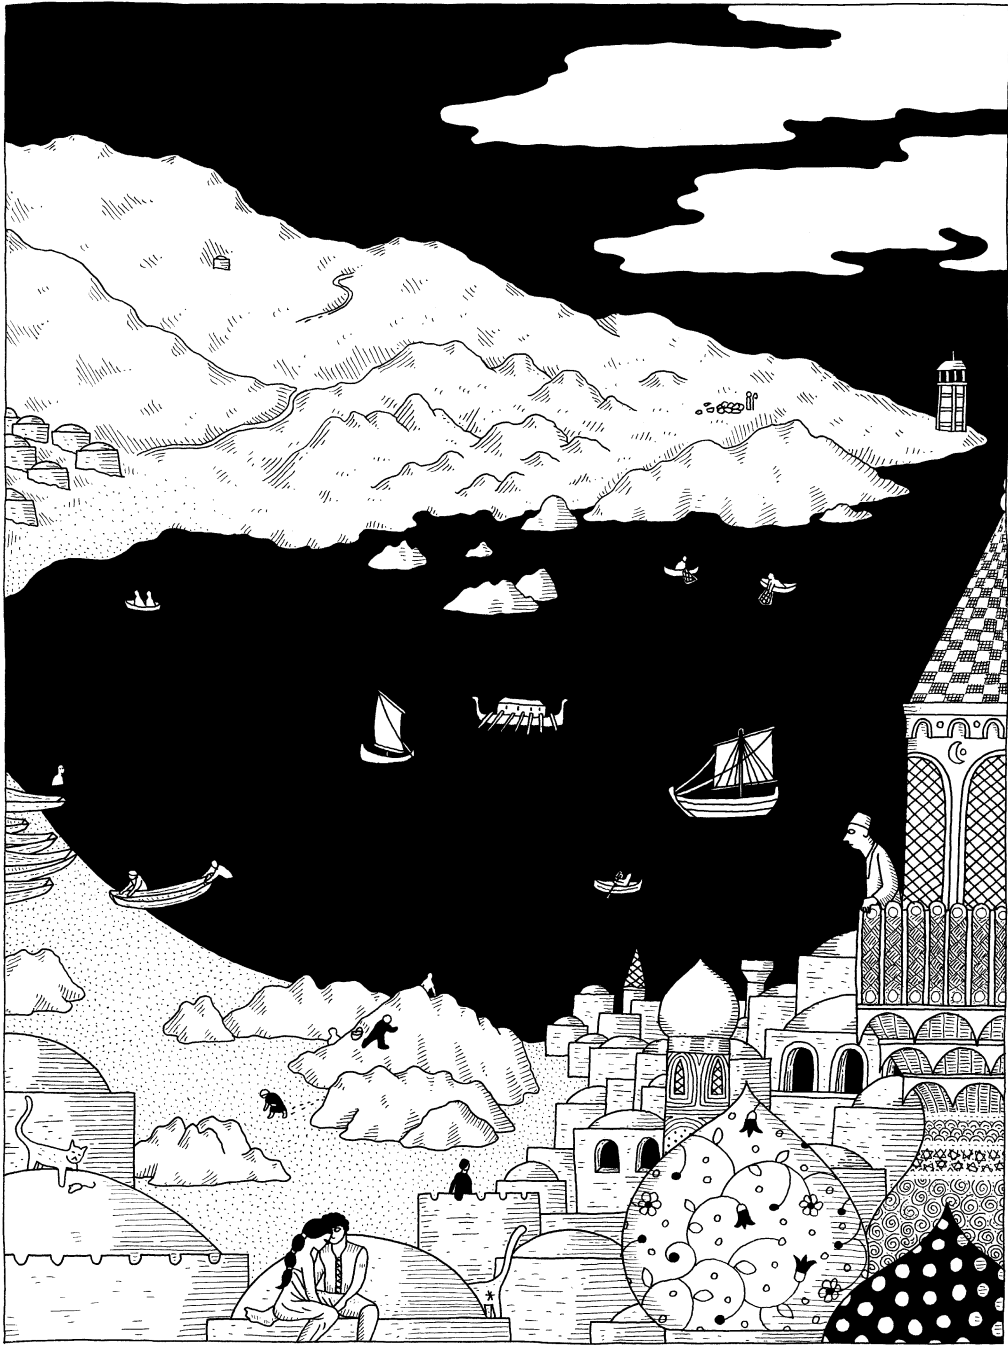

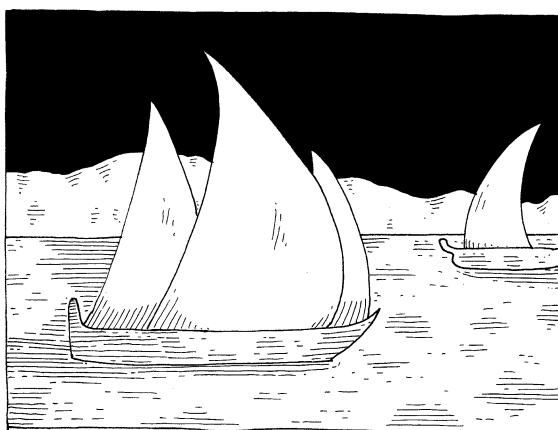

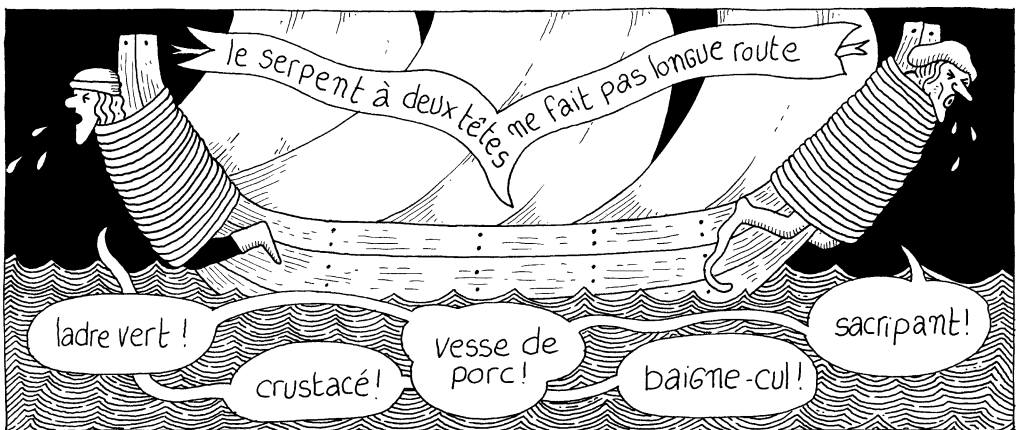

L'AUTRE CAPITAINE

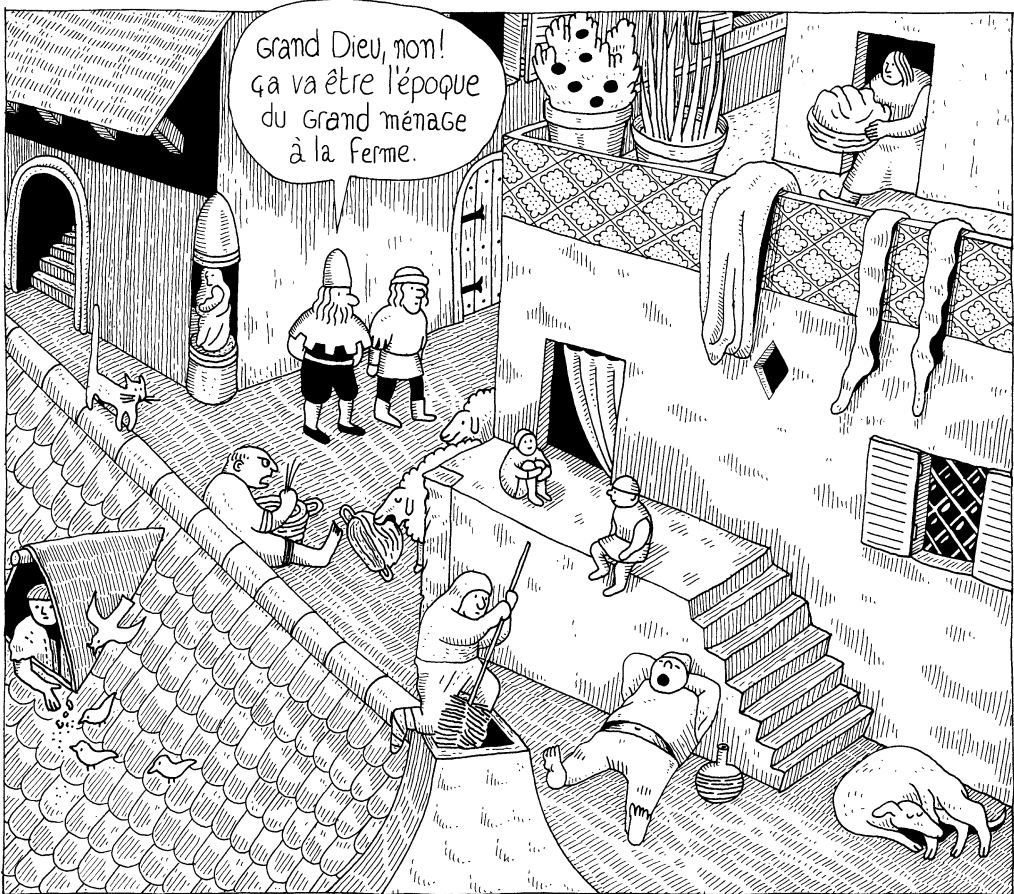

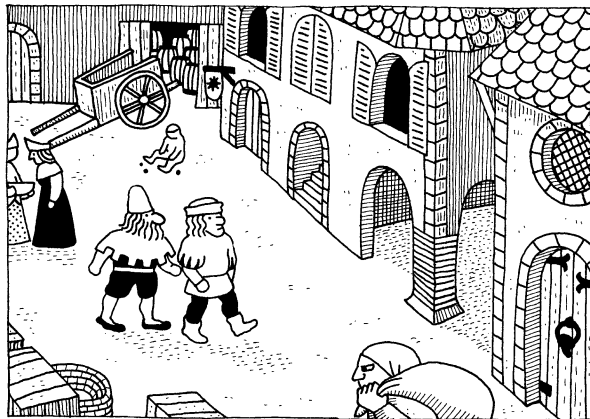

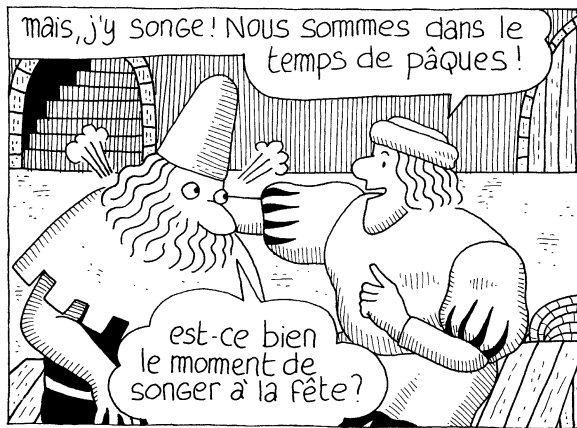

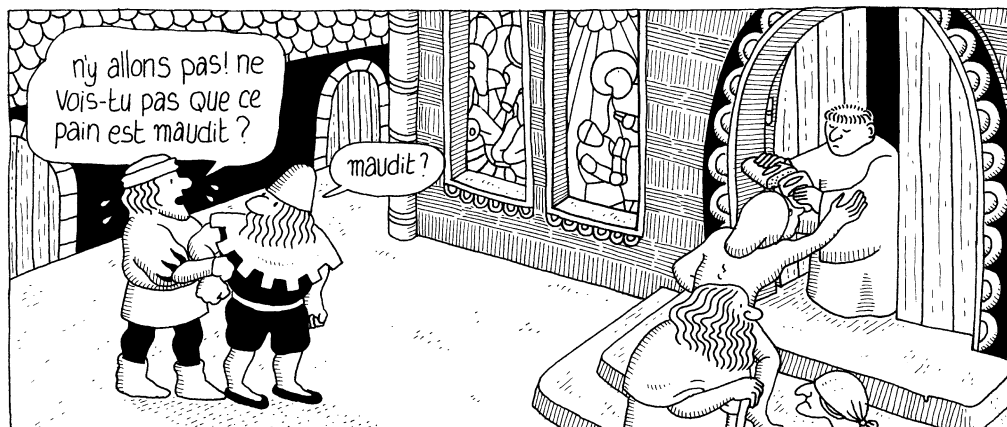

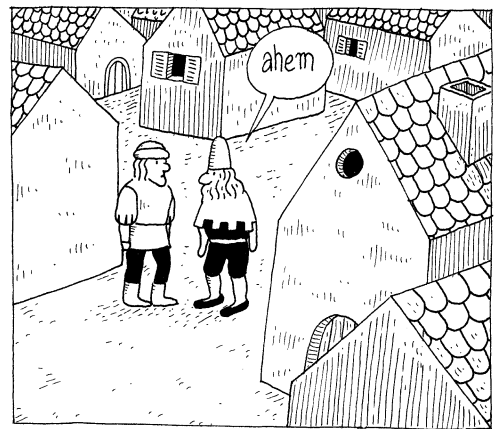

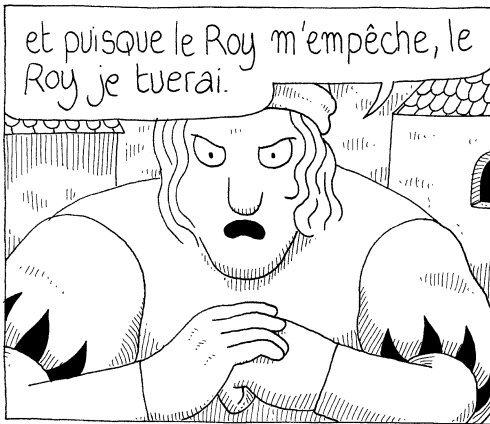

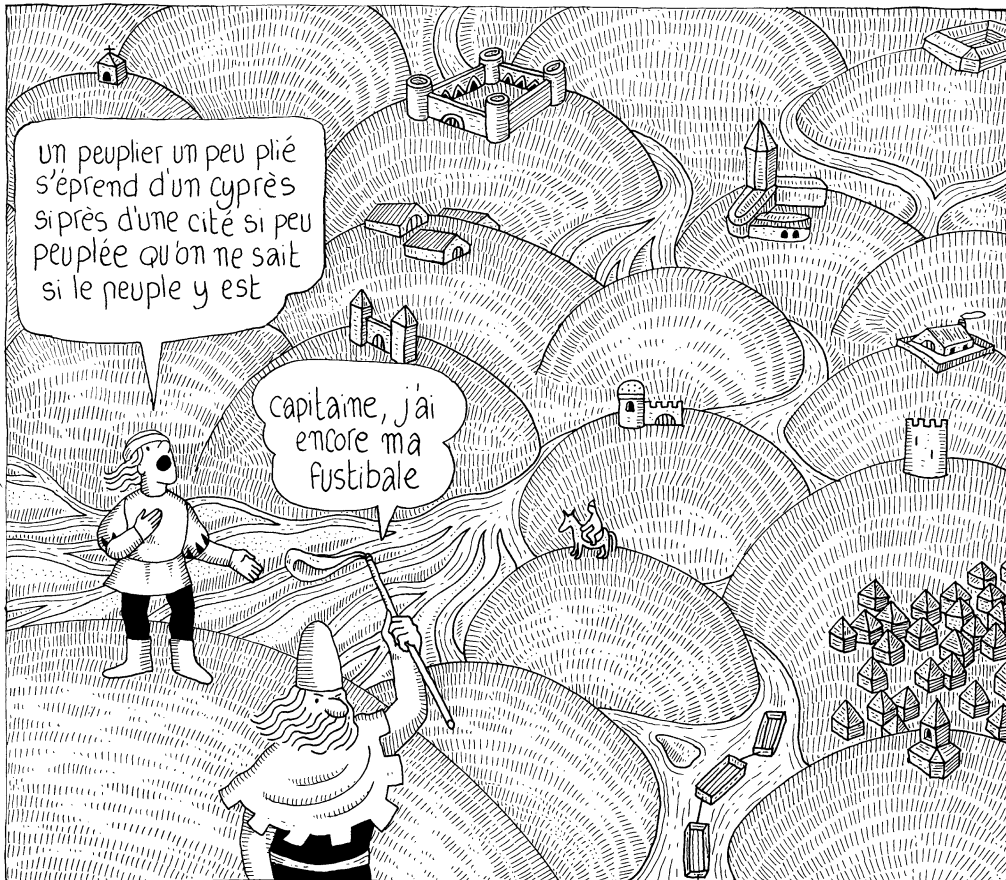

LE DON PROVIDENTIEL

nous allons de cité en cité et
de marché en marché

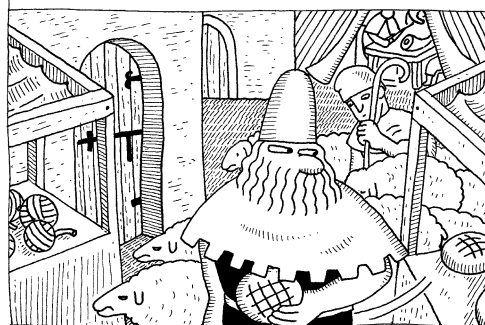

Bienvenu est maître pour prendre à
l'étalage et moi pour tirer les bourses

il faut vous dire la différence entre la
manière des bandits et la nôtre.

le bandit prend pour lui-même, par
paresse et vilenie, aux gens de son pays

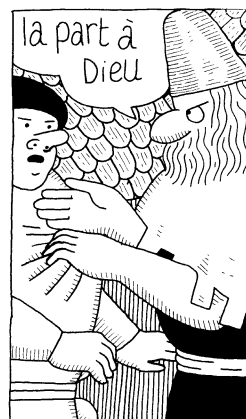

mais moi, roi d'un autre pays, je suis en
terre ennemie; je suis corsaire de la

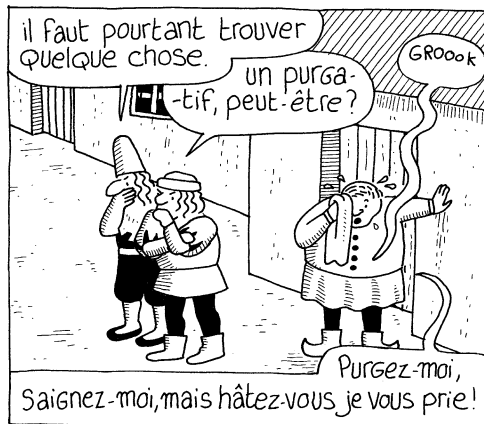

terre, et prends pour ma cause
ce que les François m'ont volé.

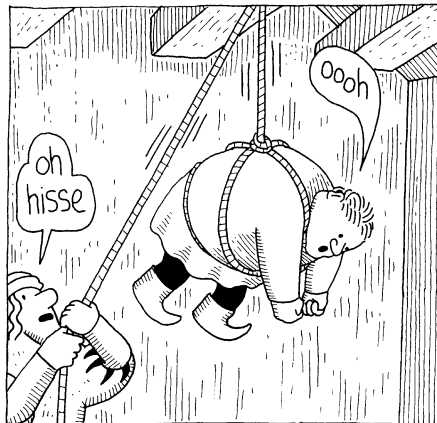

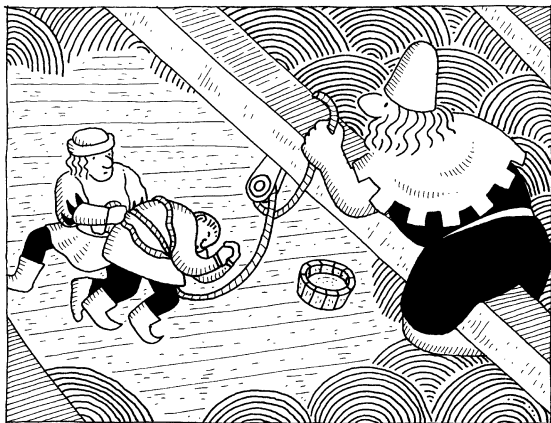

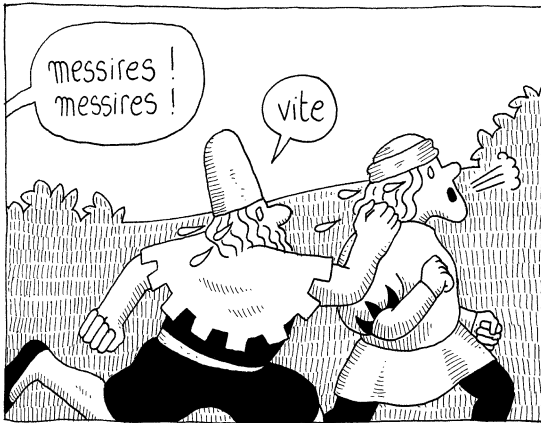

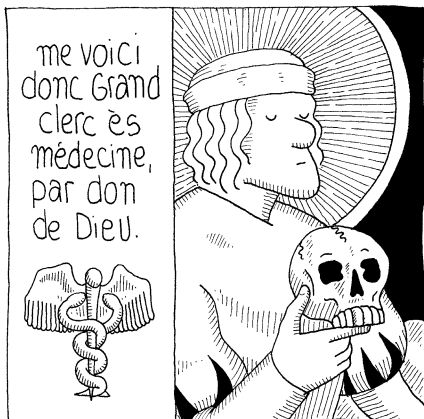

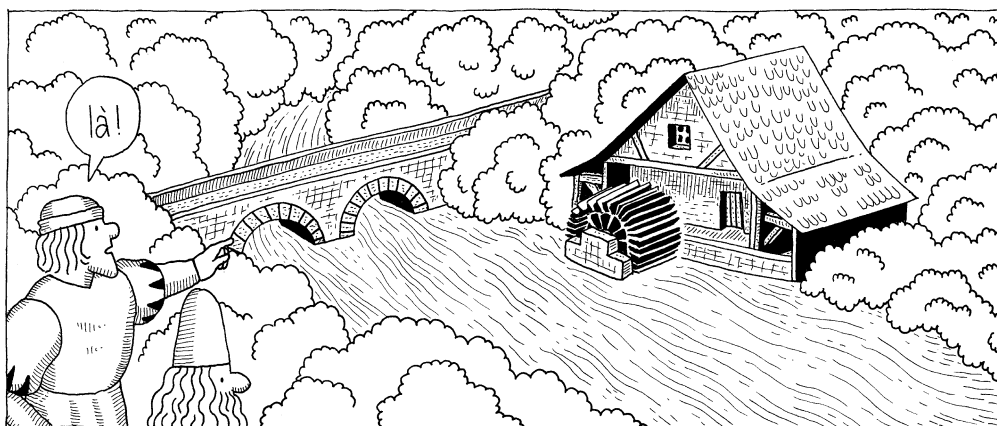

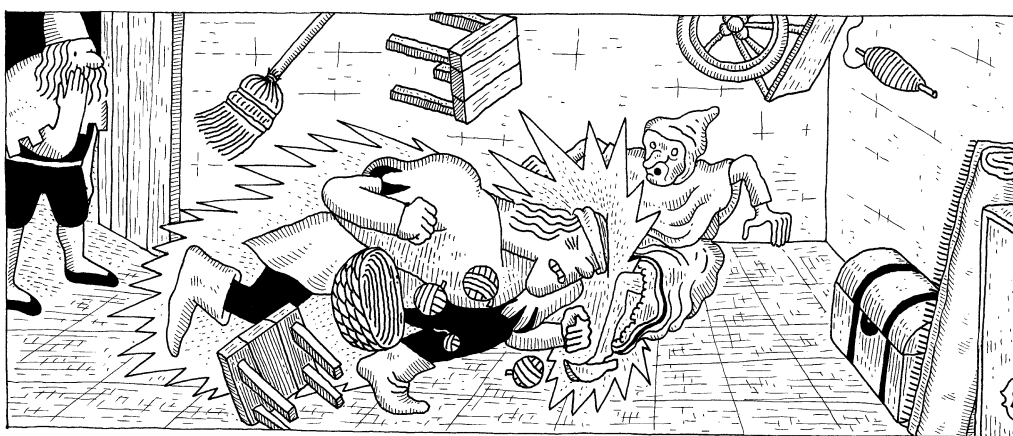

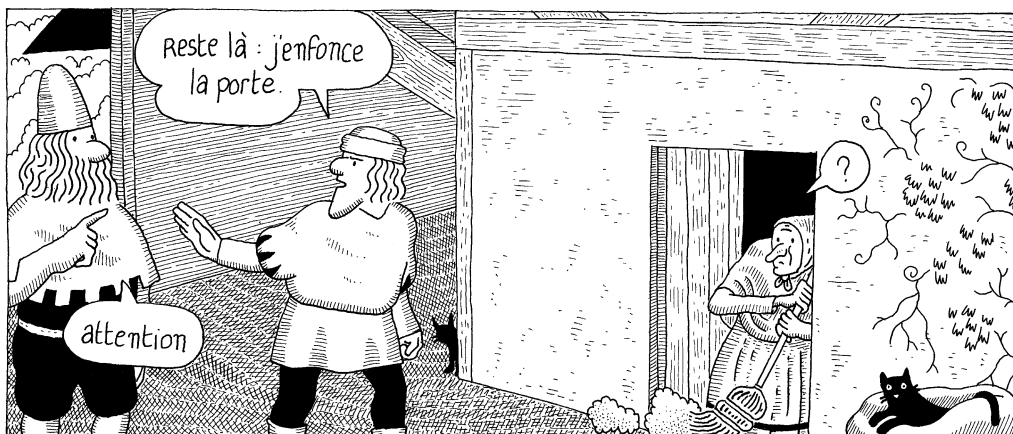

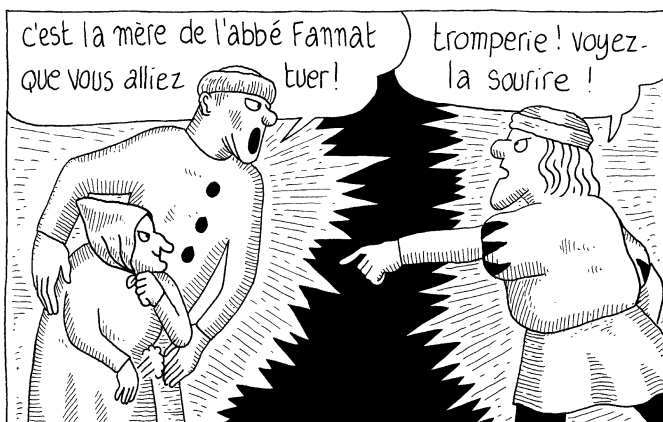

LES SECRETS DU LIVRE

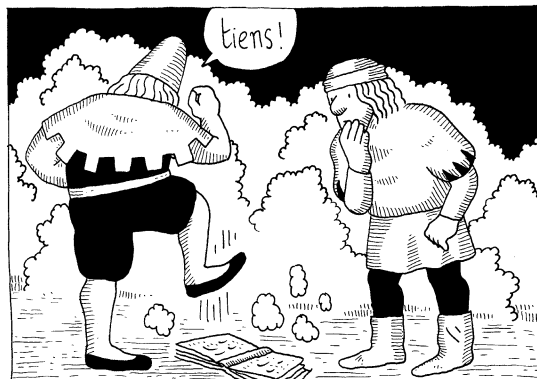

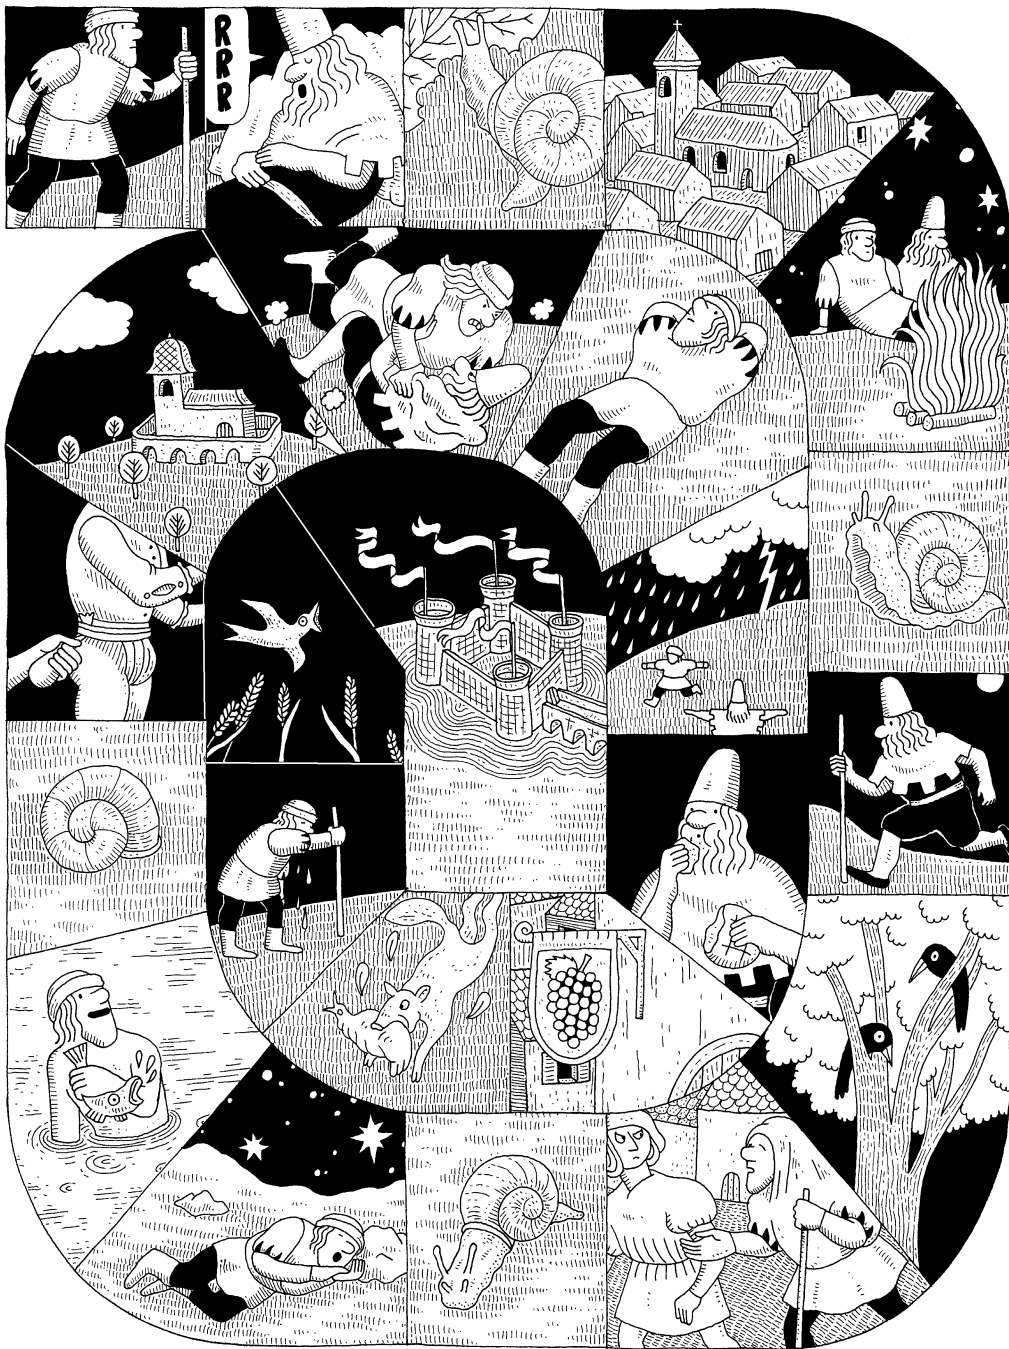

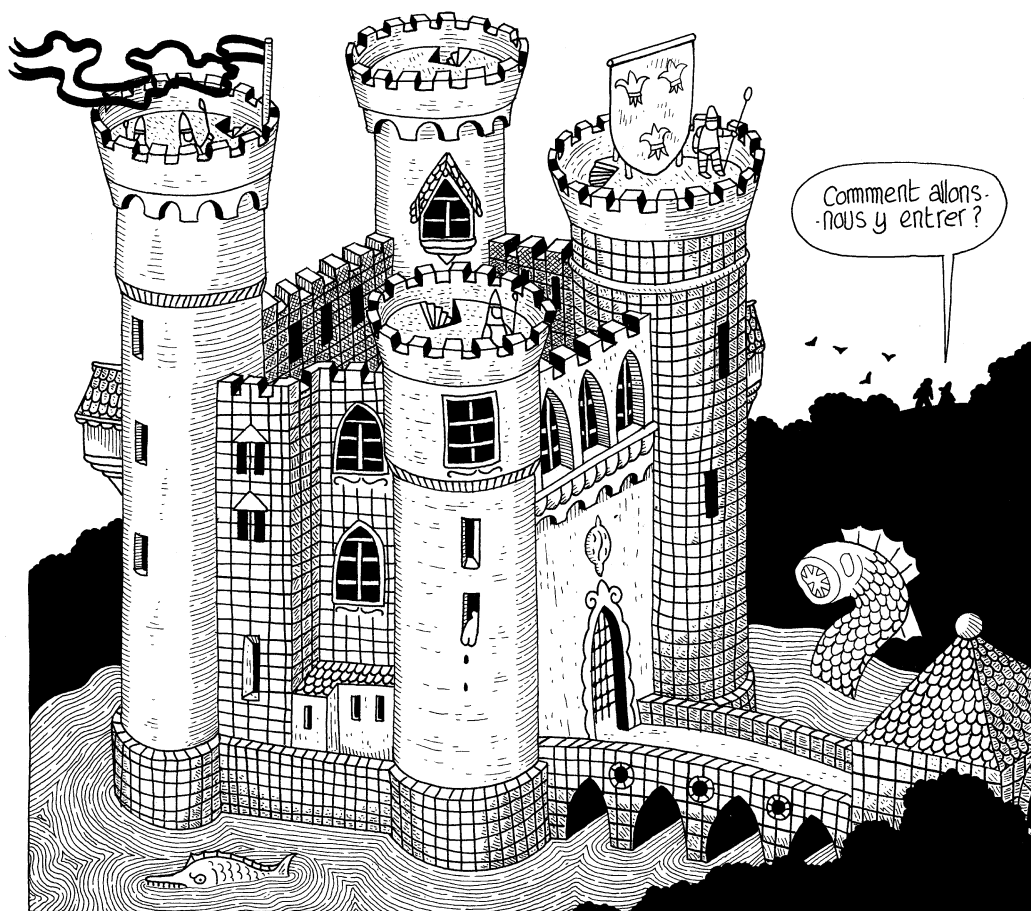

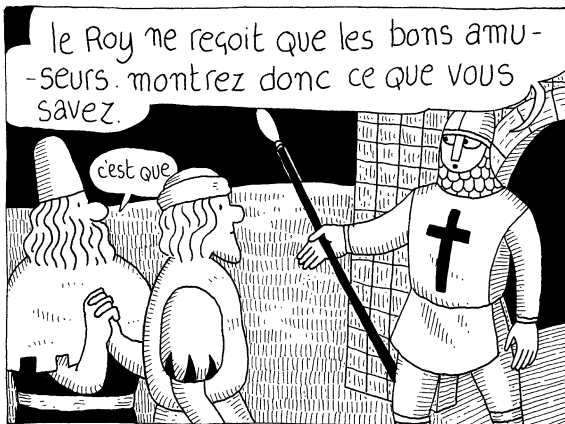

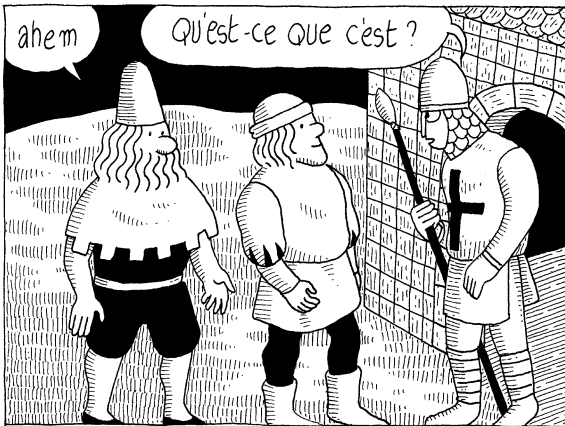

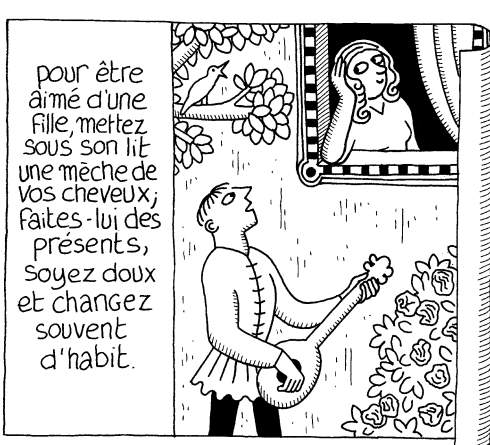

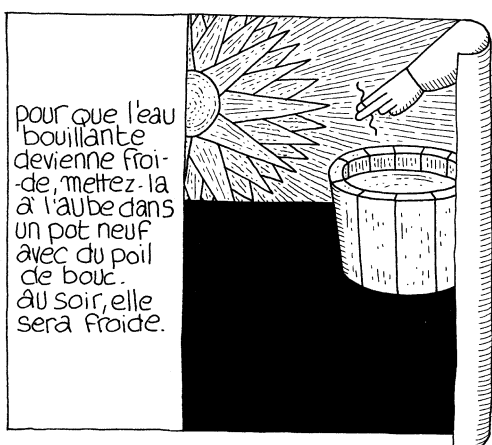

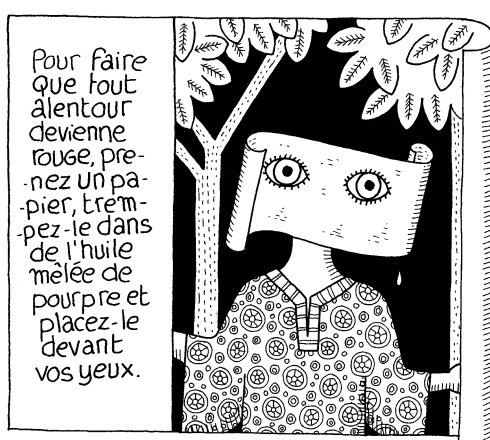

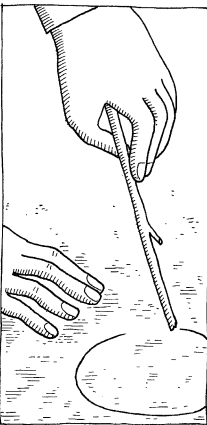

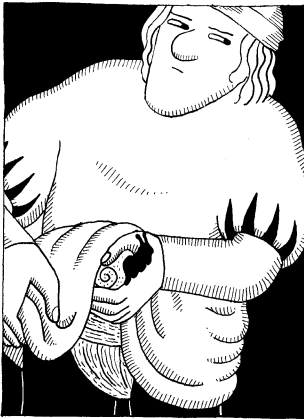

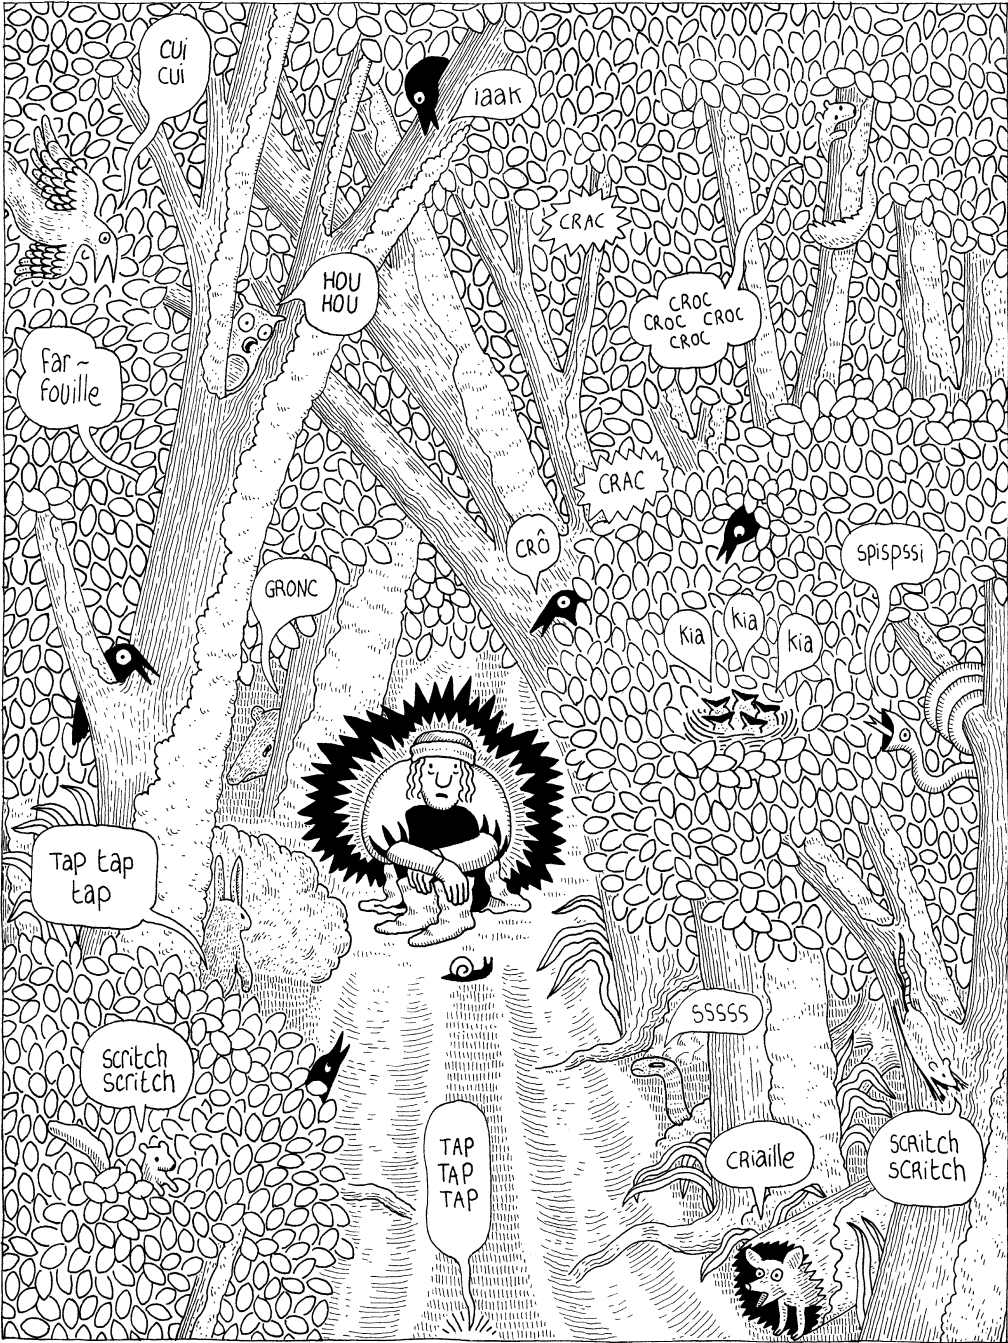

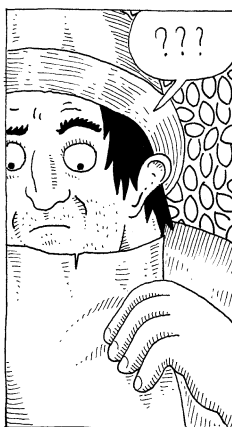

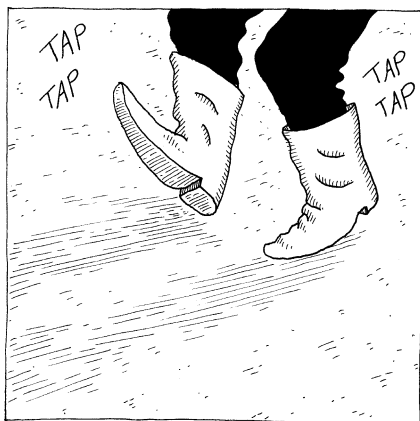

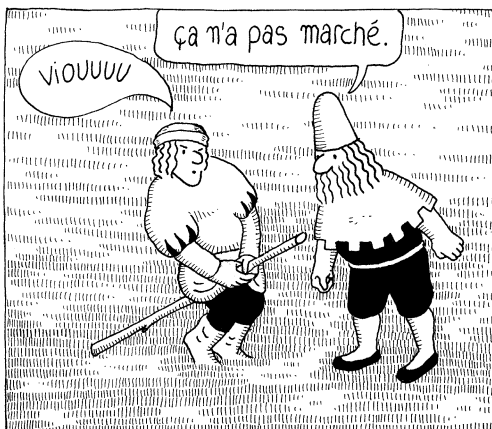

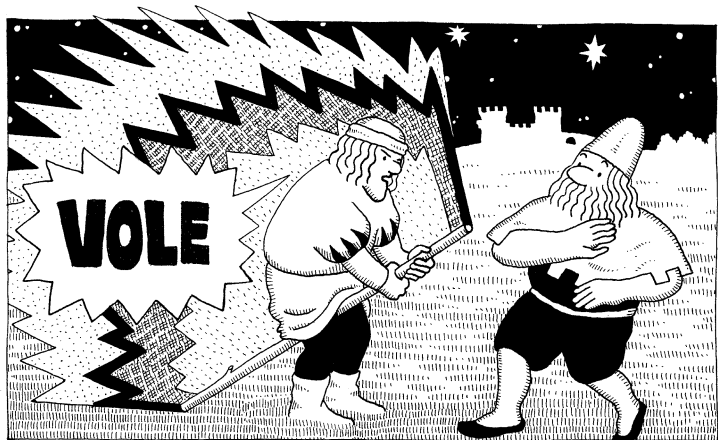

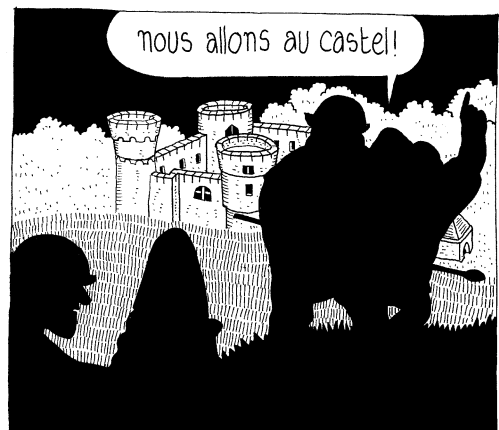

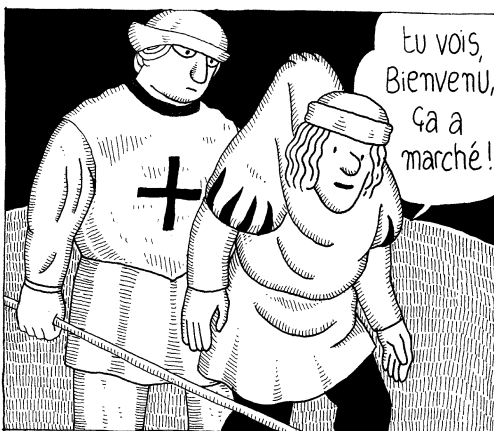

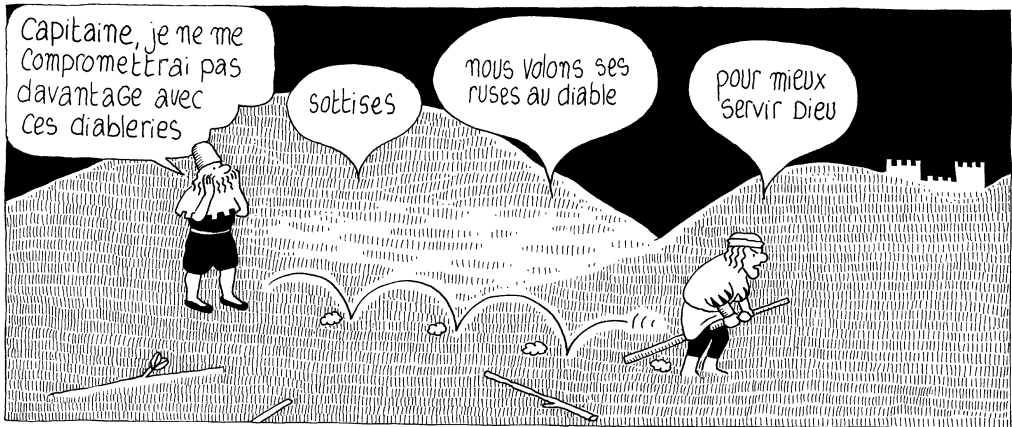

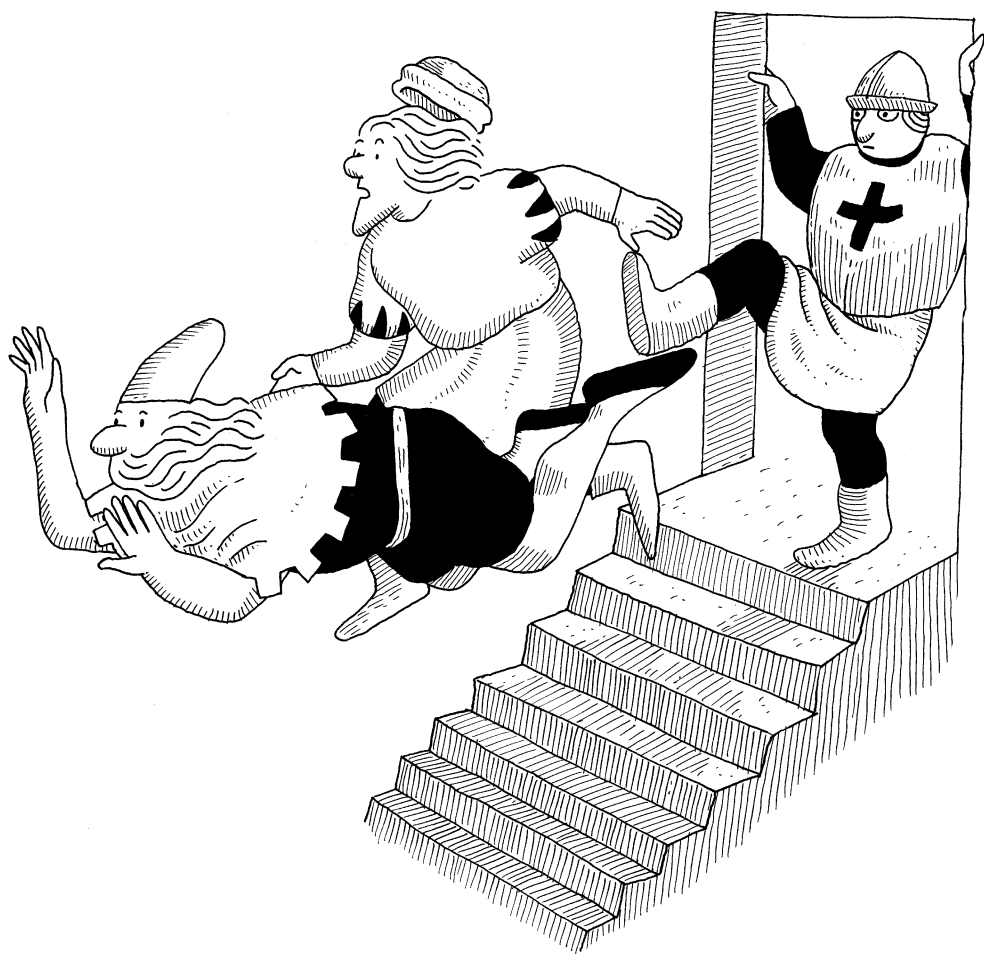

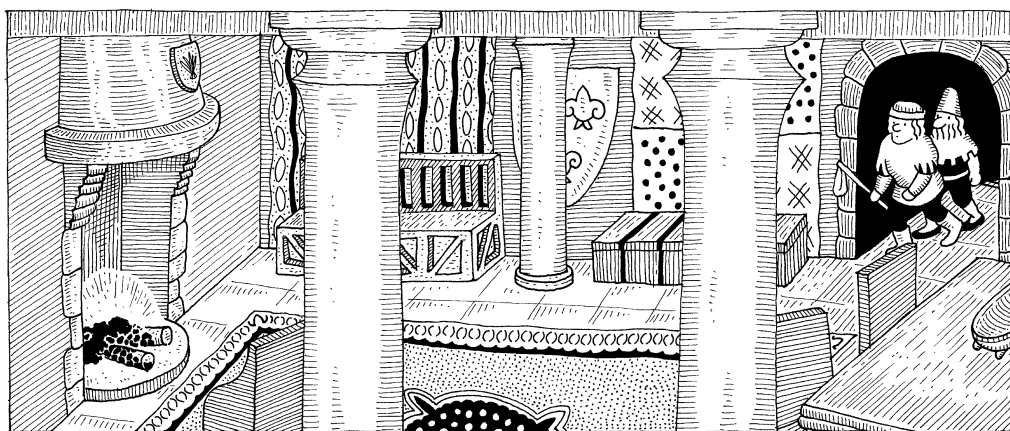

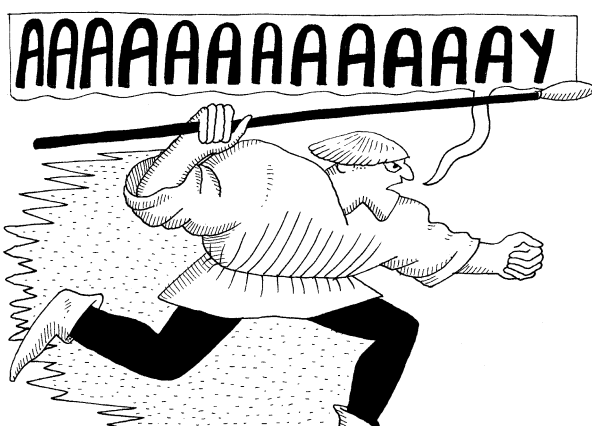

LE TRIOMPHE DU CAPITAINE

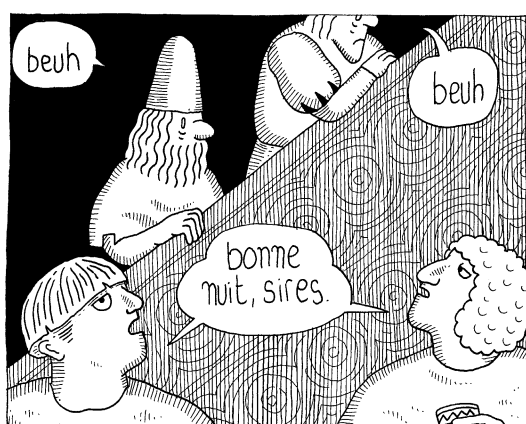

LE RETOUR À FONCULOTTE

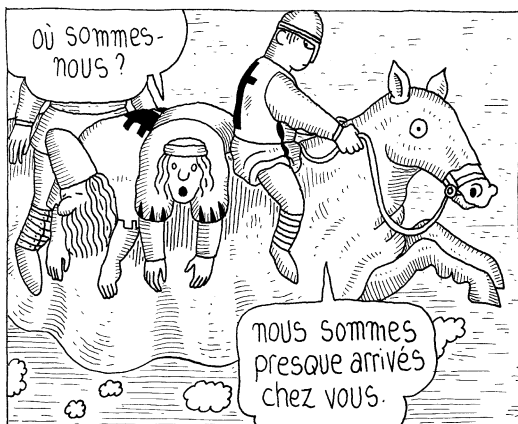

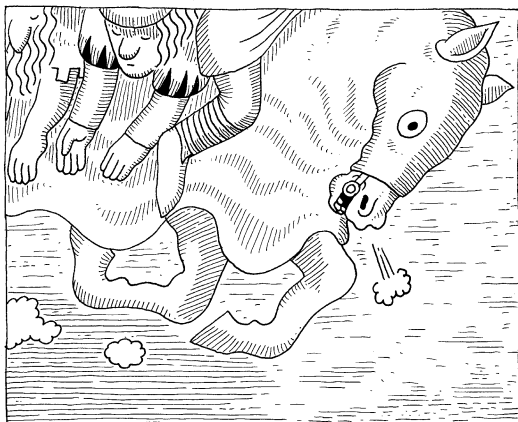

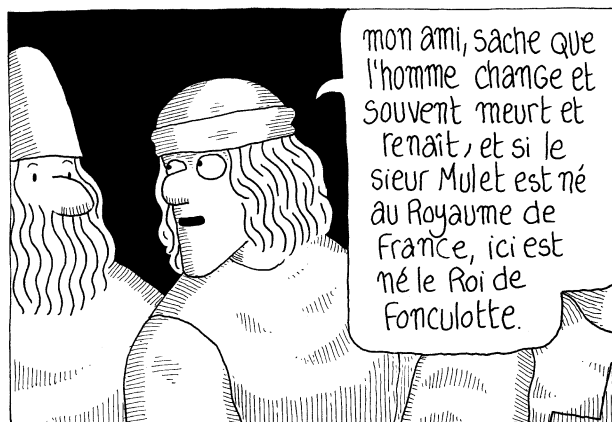

Nous quittons le Roy et partons pour Fonculotte. Avec des escargots, des sortilèges et un poème, on peut faire de Grandes choses.

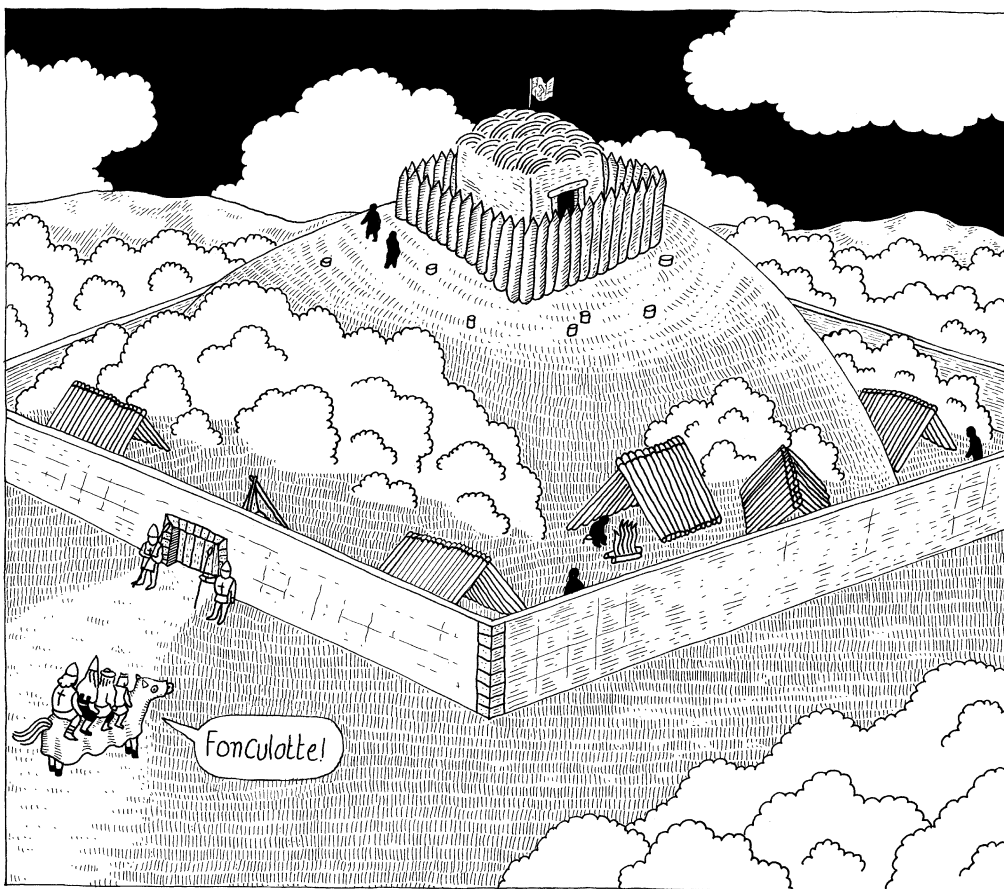

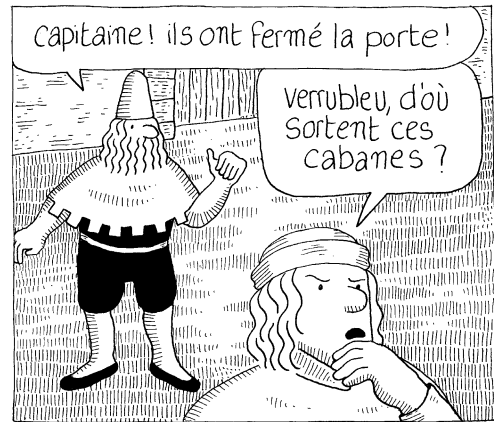

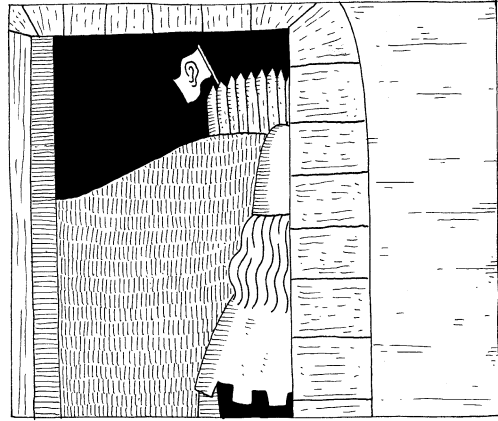

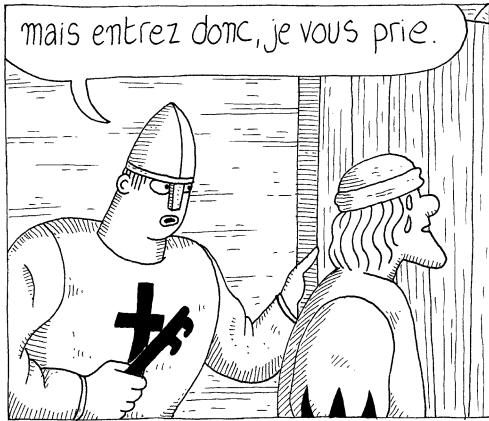

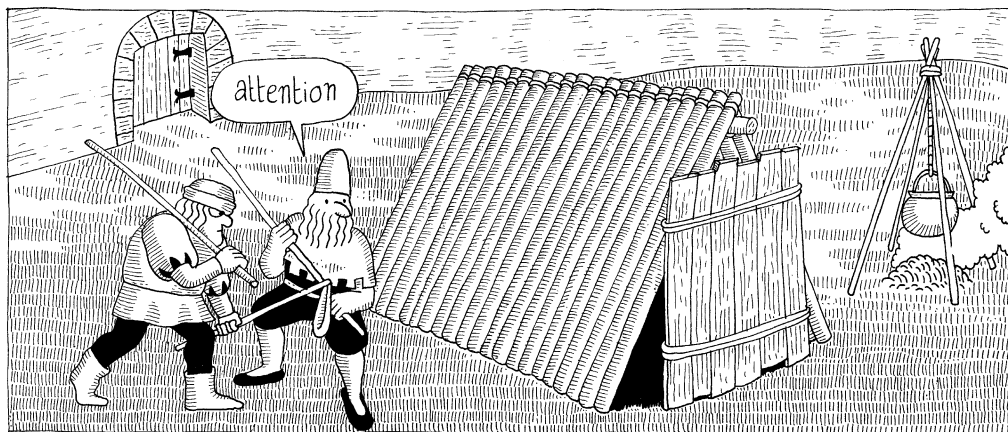

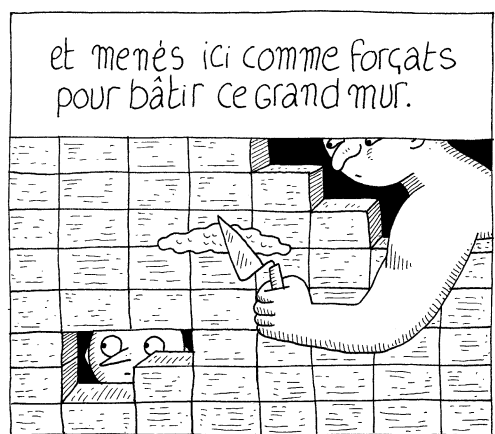

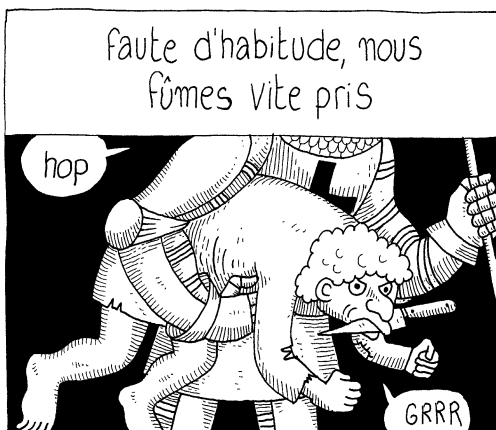

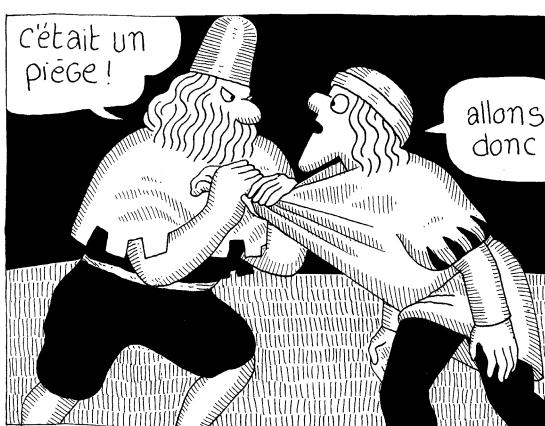

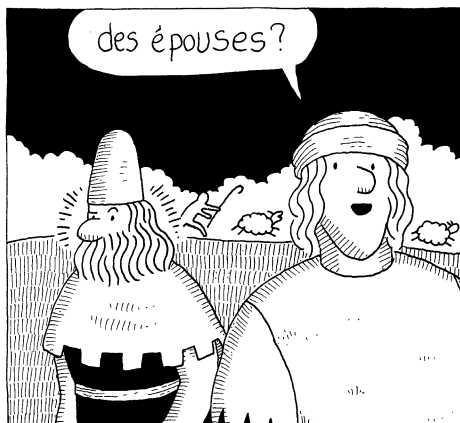

LE BON CÔTÉ DU MUR

Comment serions-nous enfermés,
quand nous sommes à l'endroit où
nous désirons
être ?

n'est-ce pas de l'autre côté du mur,
où sont les soldats et les bêtes
sauvages, qu'est la véritable
prison ?

n'importe
Quoi

Bienvenu, mets-y
un peu du tien,
veux-tu ?

mous avons une bonne terre, des
hommes valeureux; nous ferons
du fromage et du vin

et ce sera très chouette

Oui...

ce sera très
chouette.
