2024

Tu as disparu un jour et n'es jamais réapparue.

Une promesse faite à des parents inquiets. Ce n'était pas la première fois.

C'est mon métier.

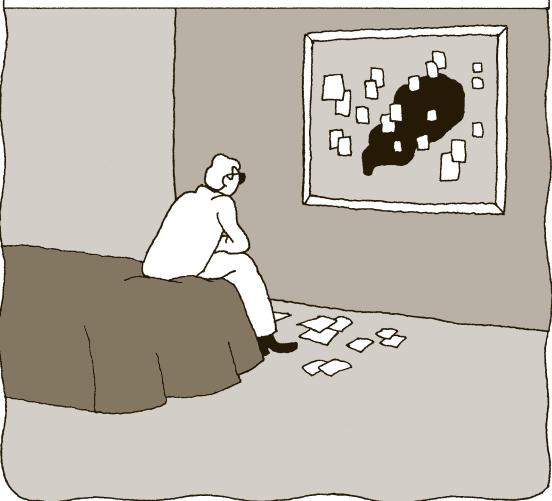

Lentement, j'ai retracé tes pas.

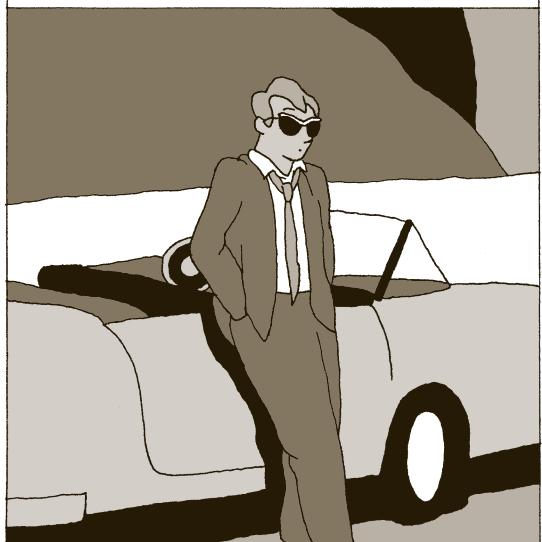

C'est ici que tu as été vue pour la dernière fois.

Je te recherche depuis trop longtemps déjà.

Je ne sais rien faire d'autre.

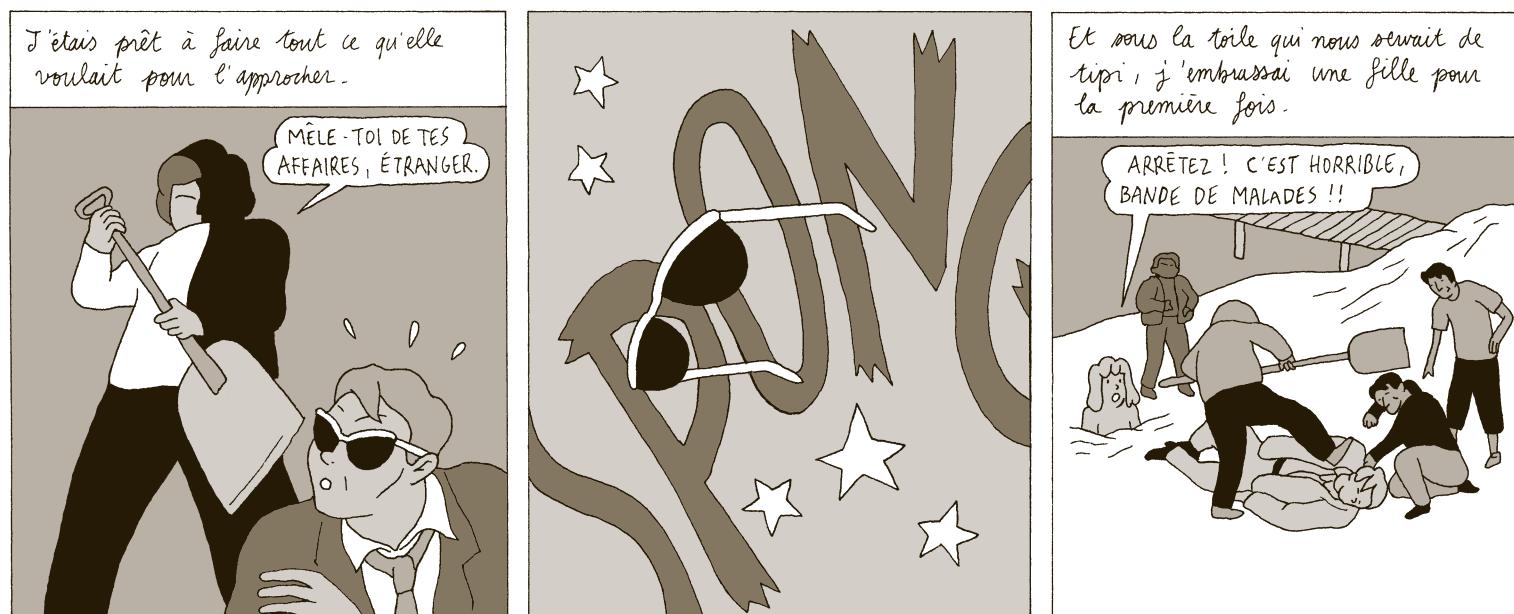

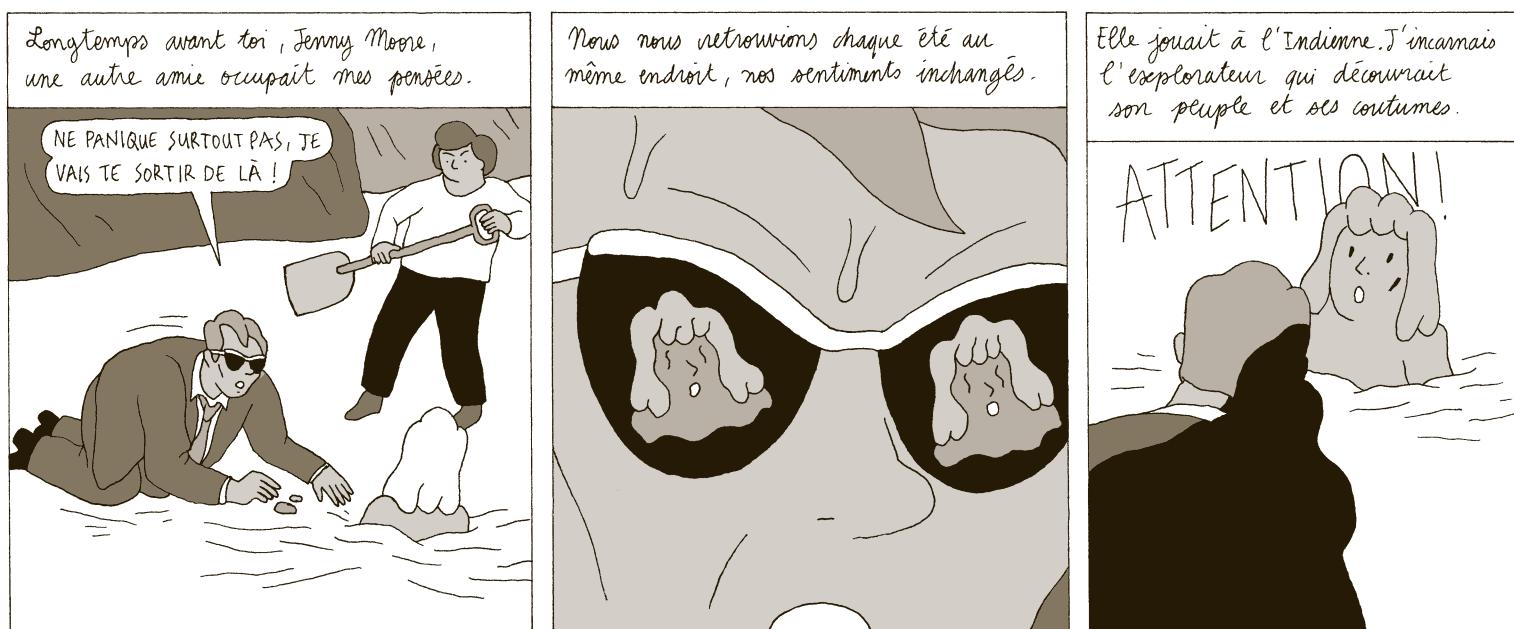

Je retrouve les égarés et les ramène chez eux.

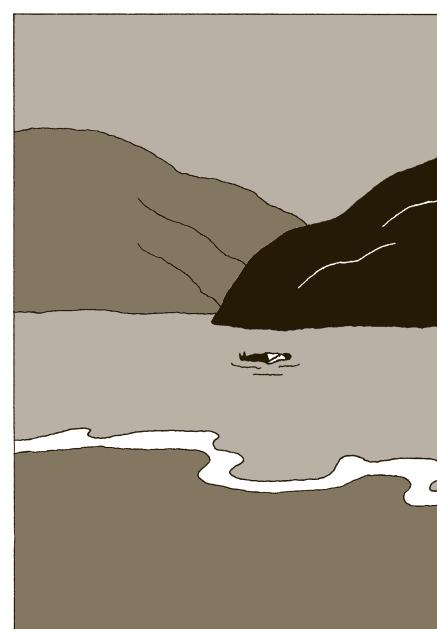

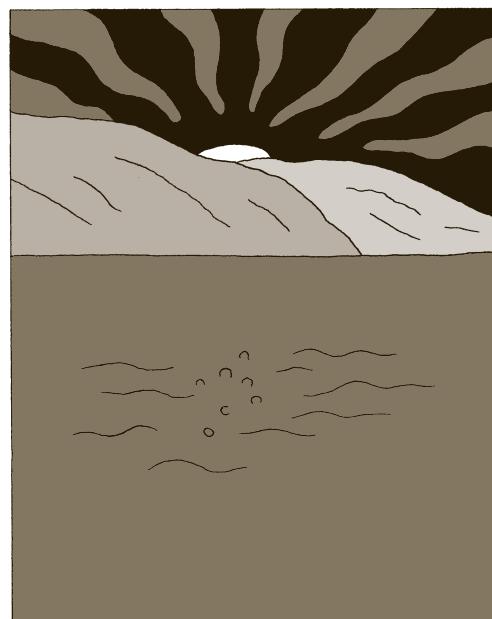

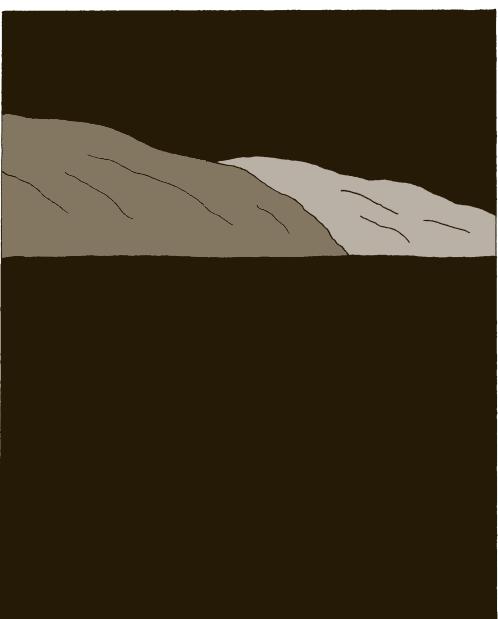

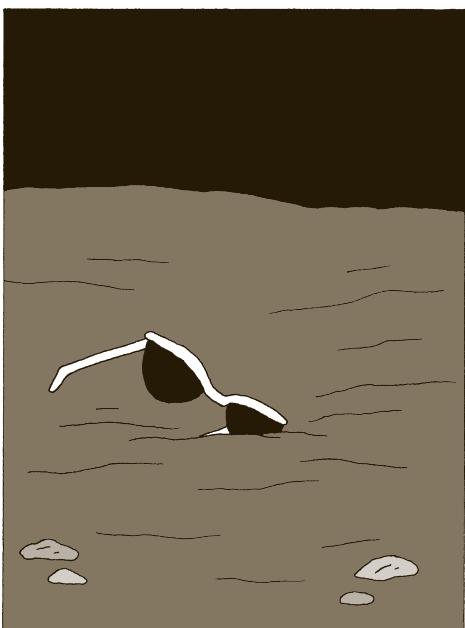

# Heartbreak Valley

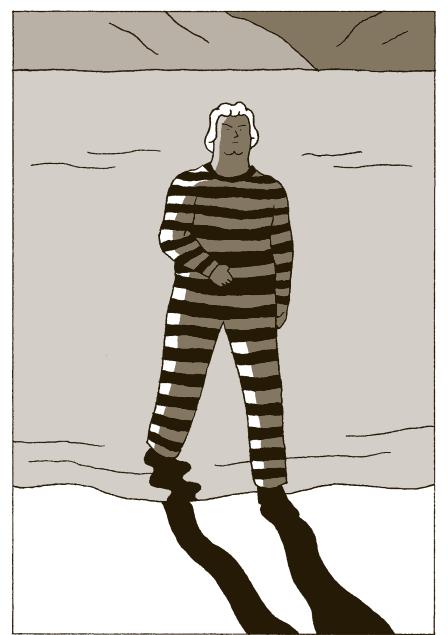

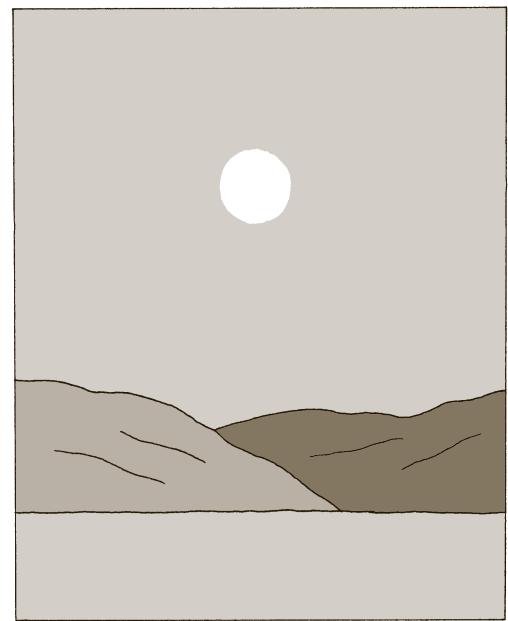

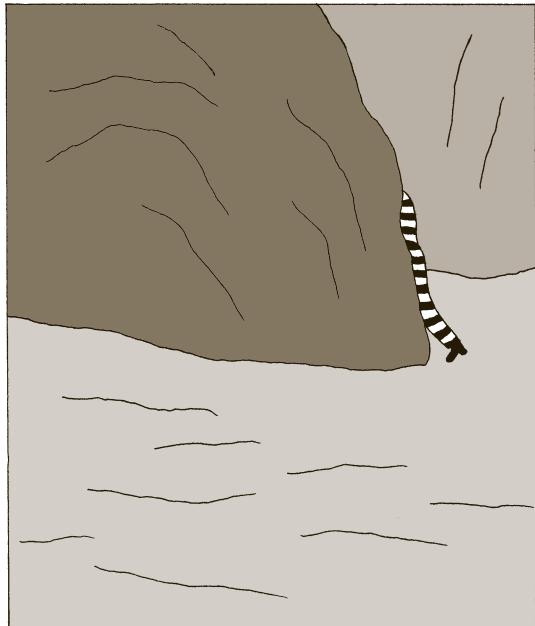

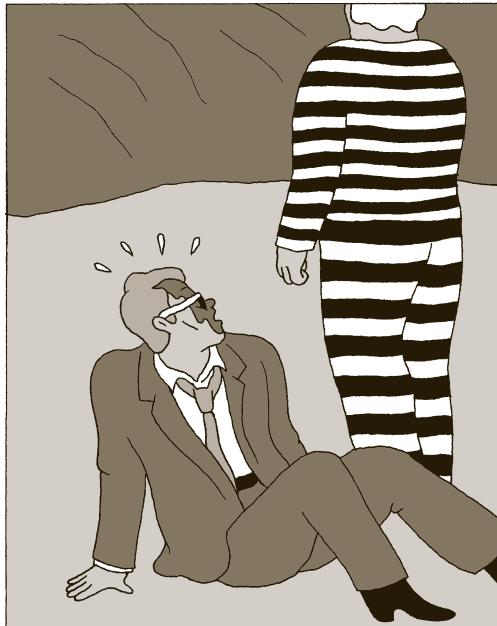

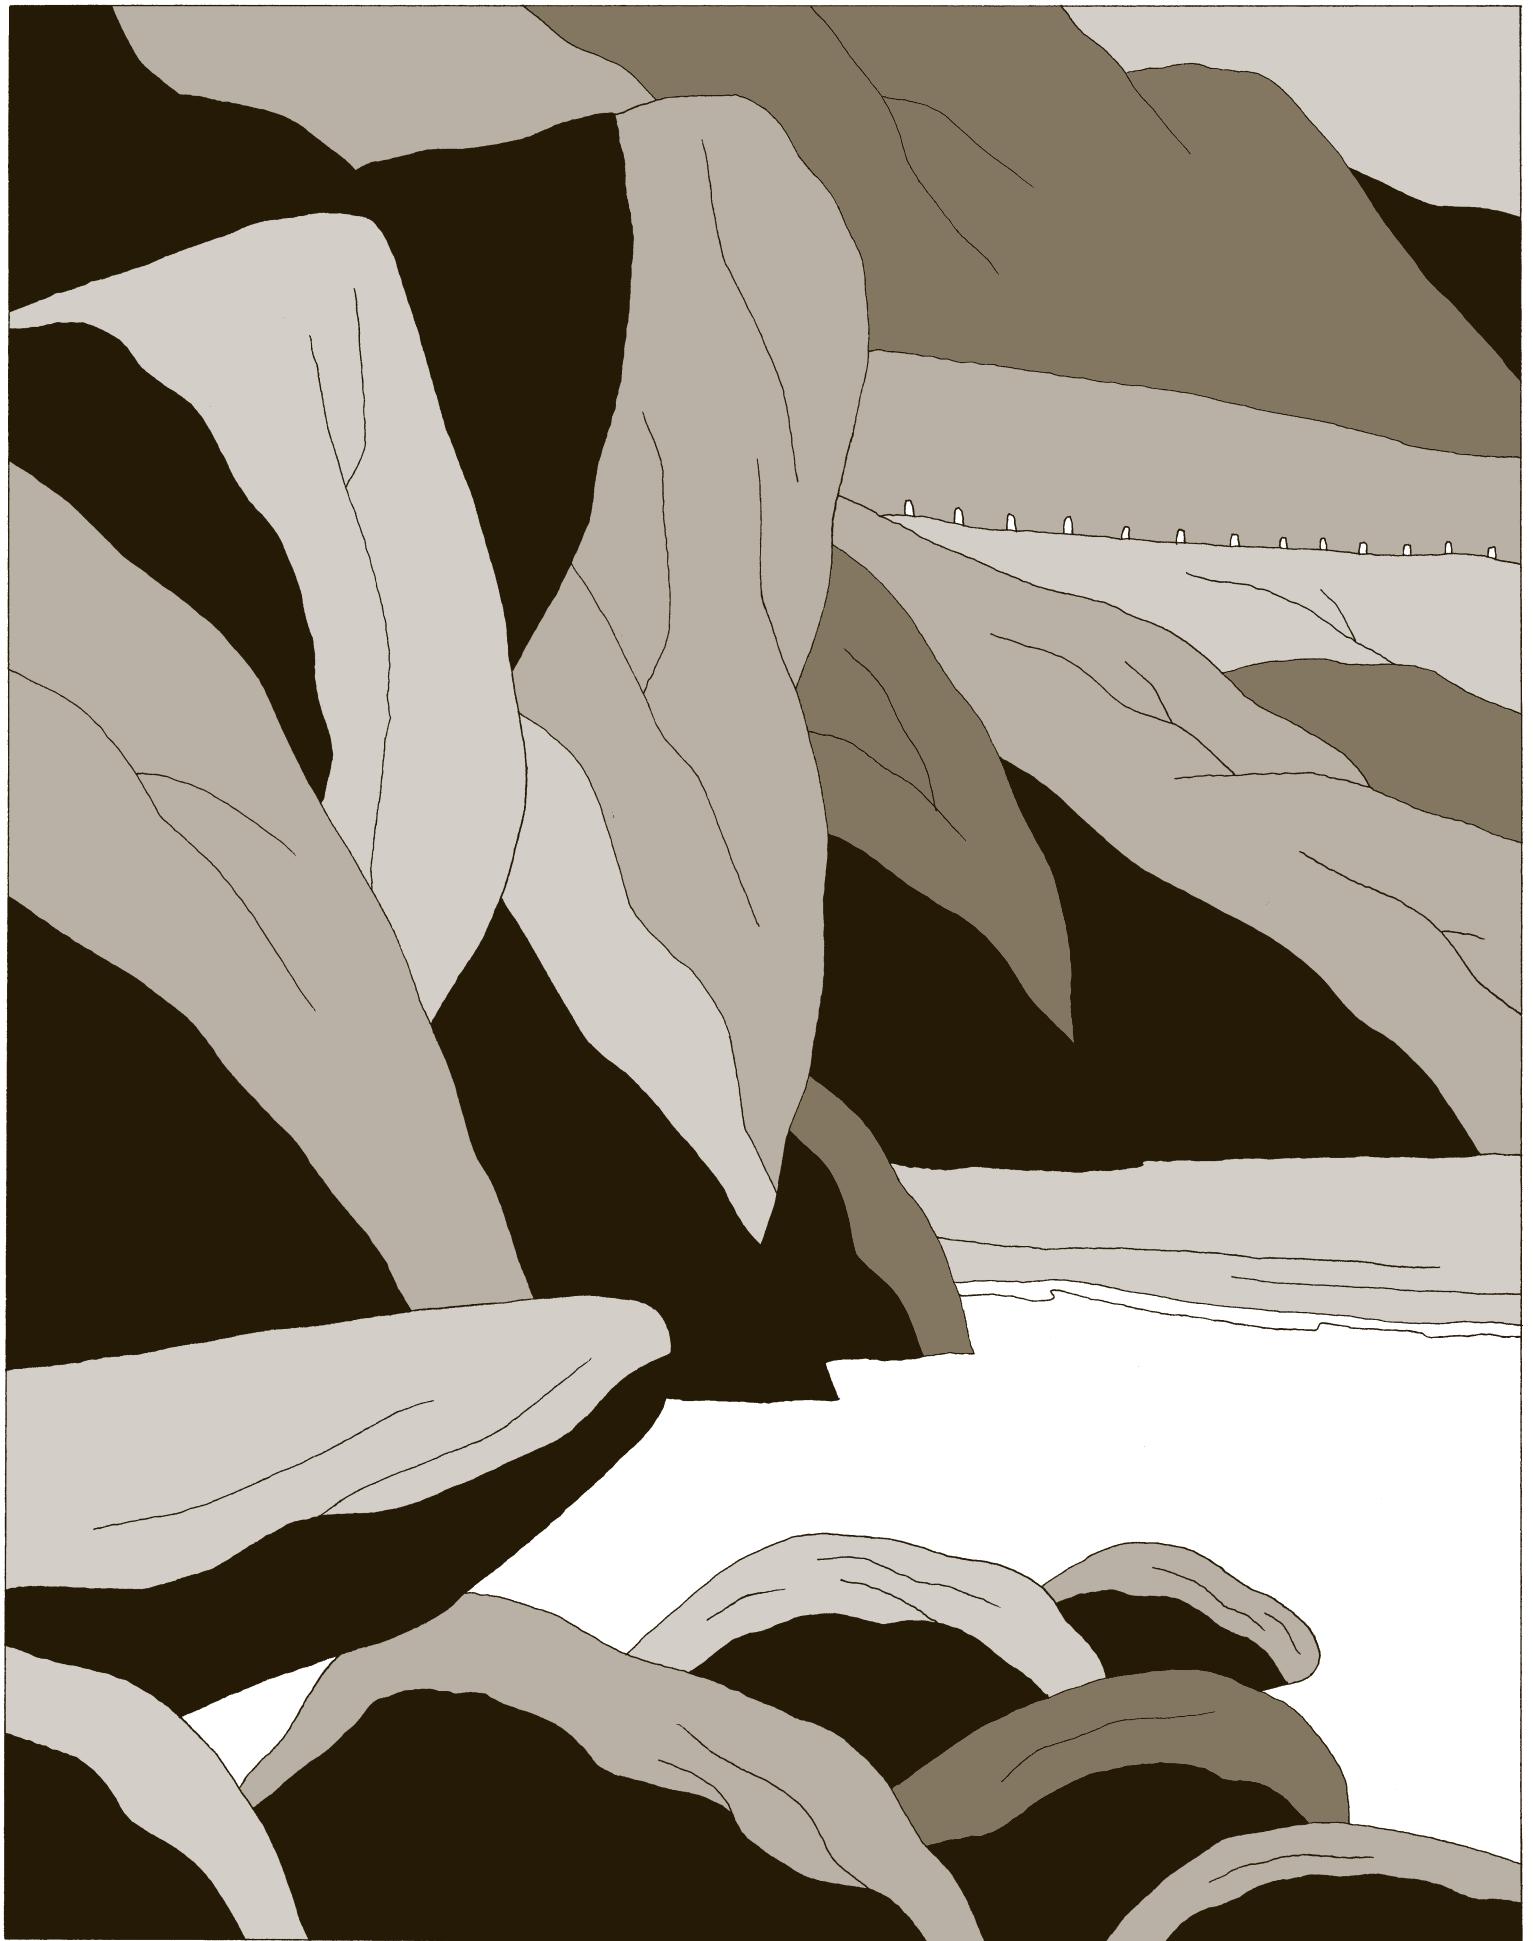

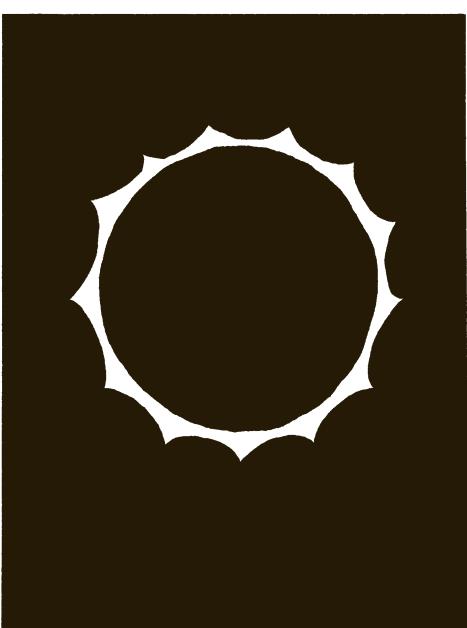

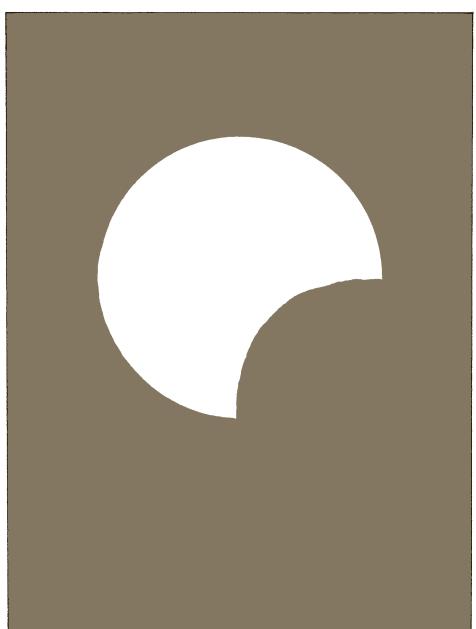

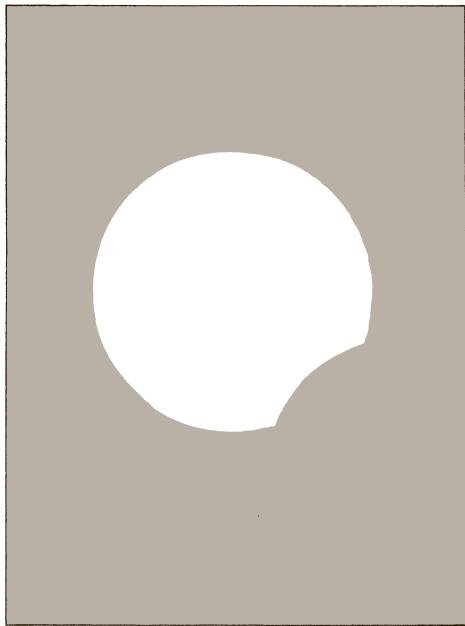

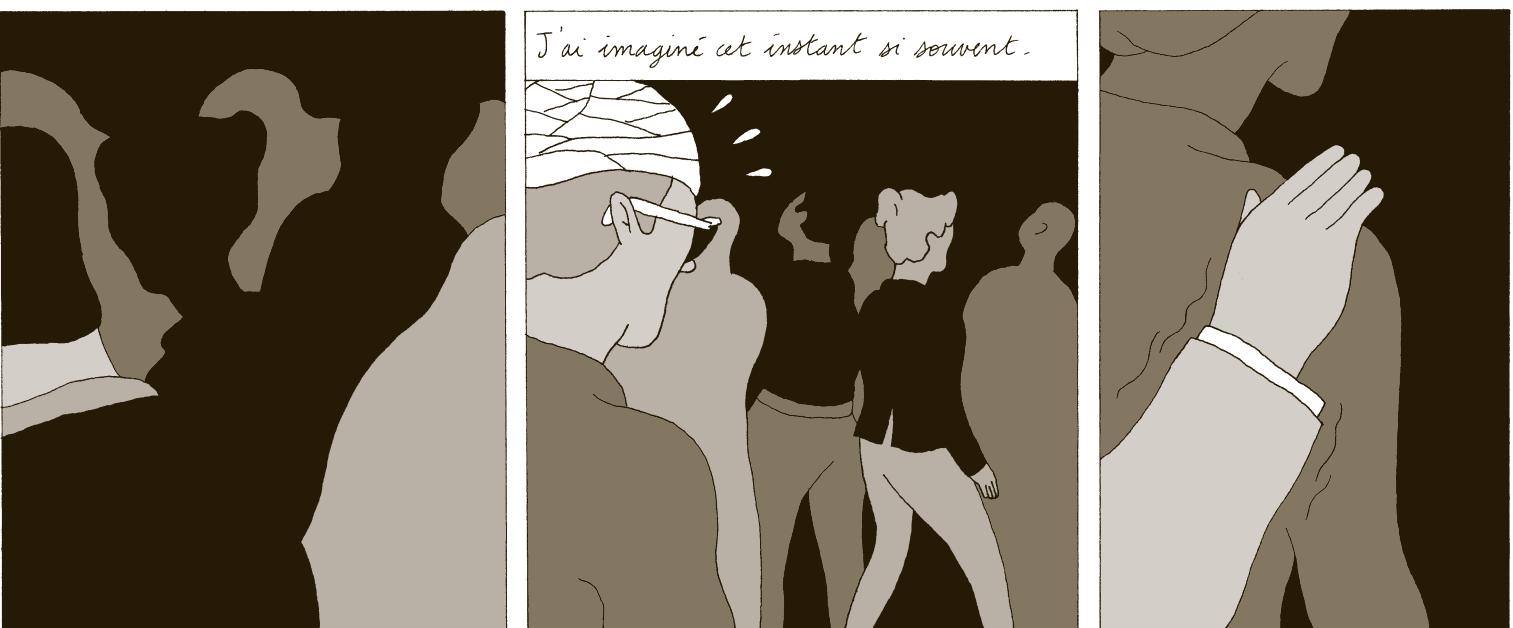

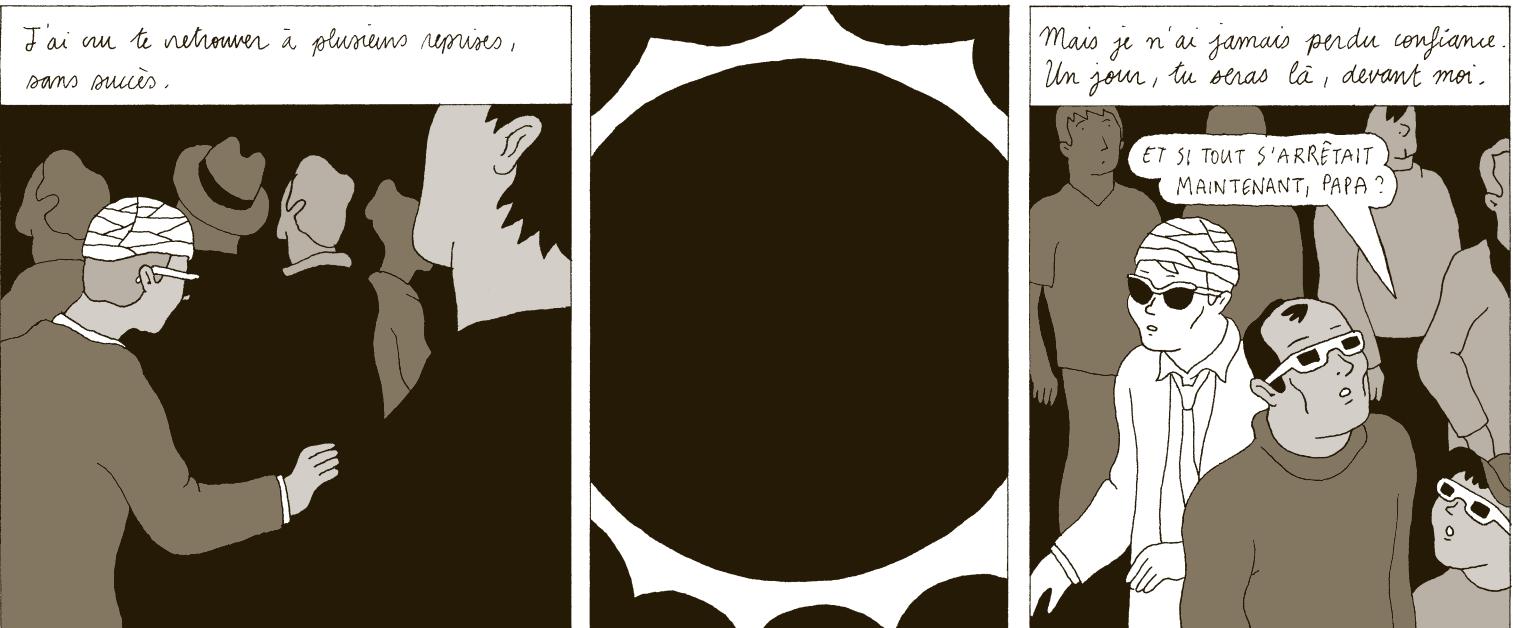

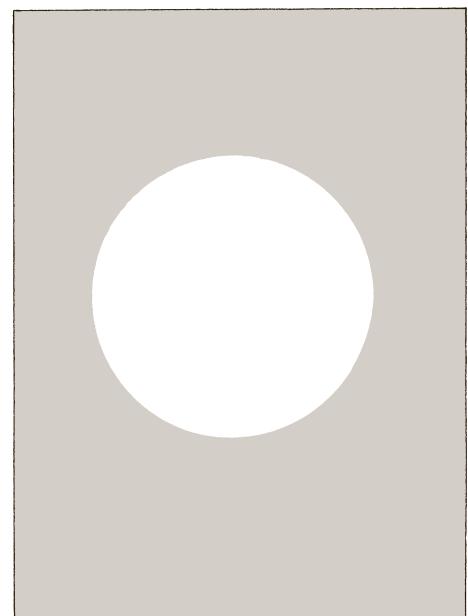

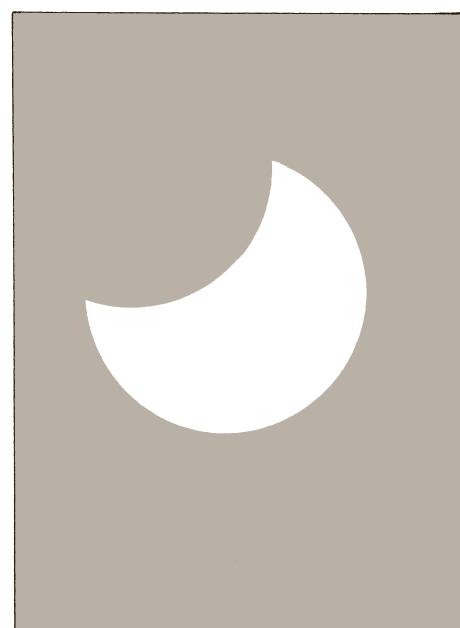

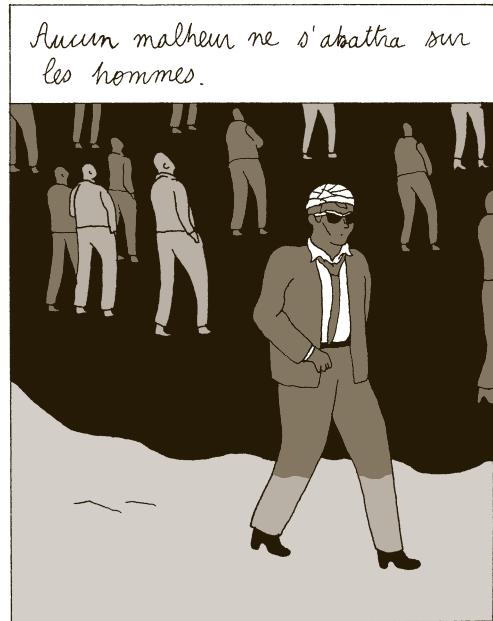

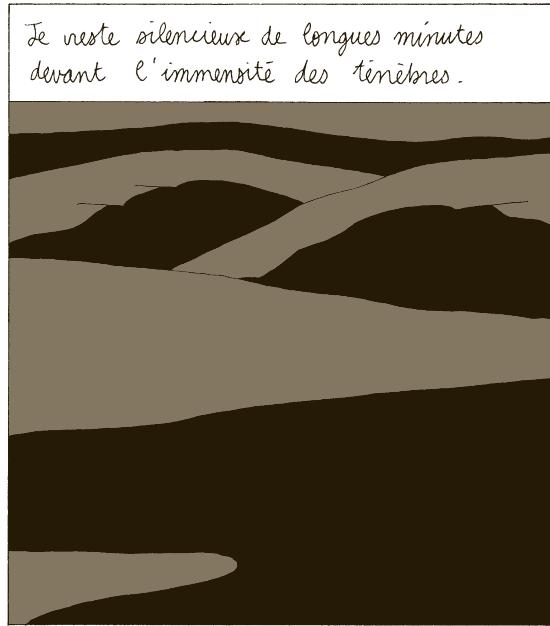

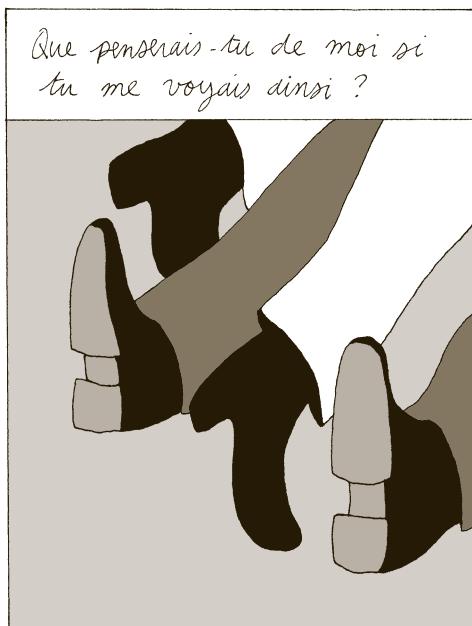

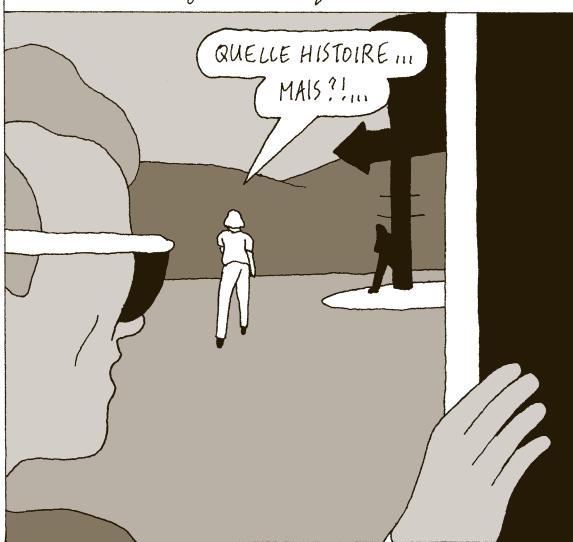

Mon enfance me revient trop souvent en mémoire.

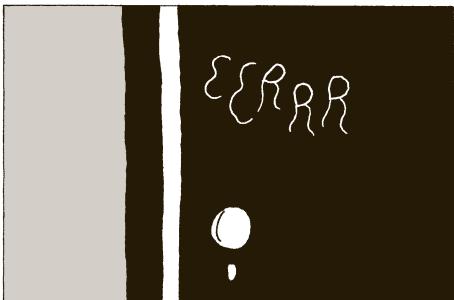

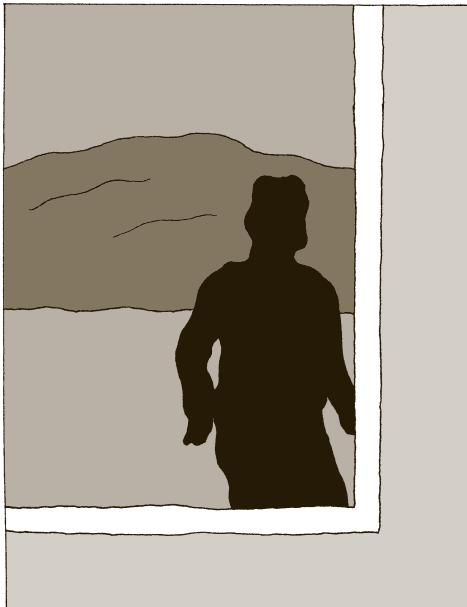

Mon père m'apprenait à faire du vélo sur les berges d'un fleuve.

Je n'ai pas pu m'arrêter et l'eau a rempli mes poumons.

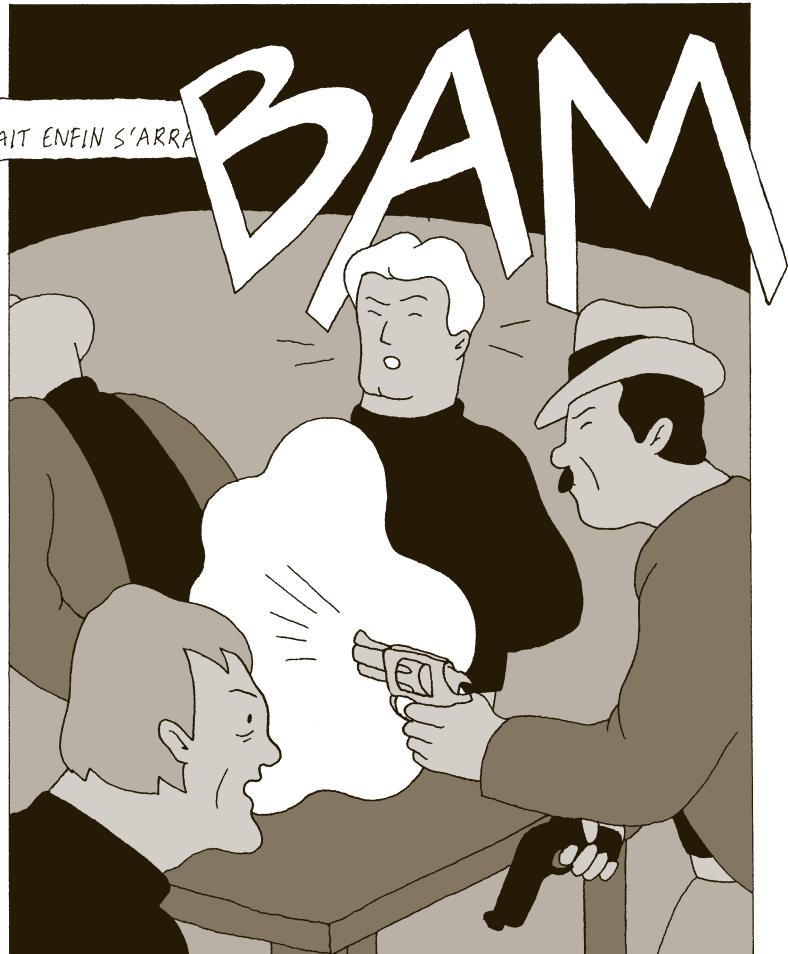

Il ne m'en reste qu'un souvenir flou et une peur panique de l'eau.

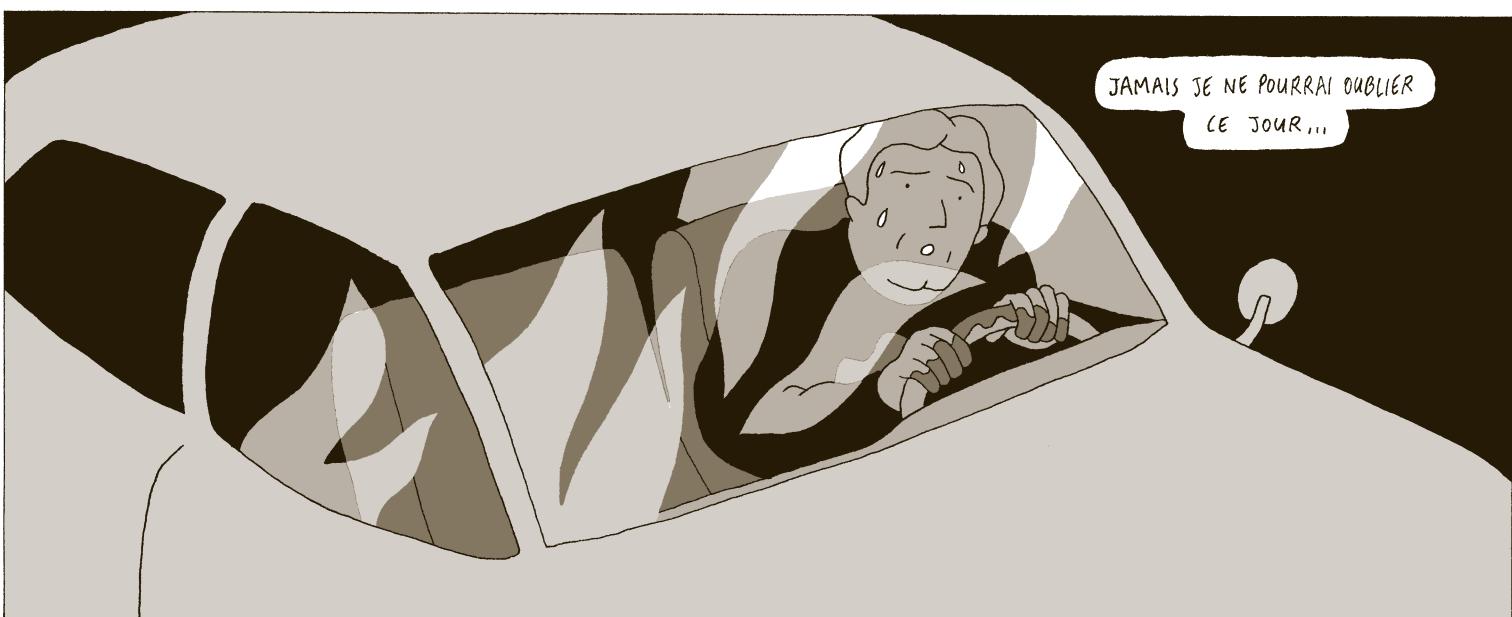

PLUS UN GESTE !

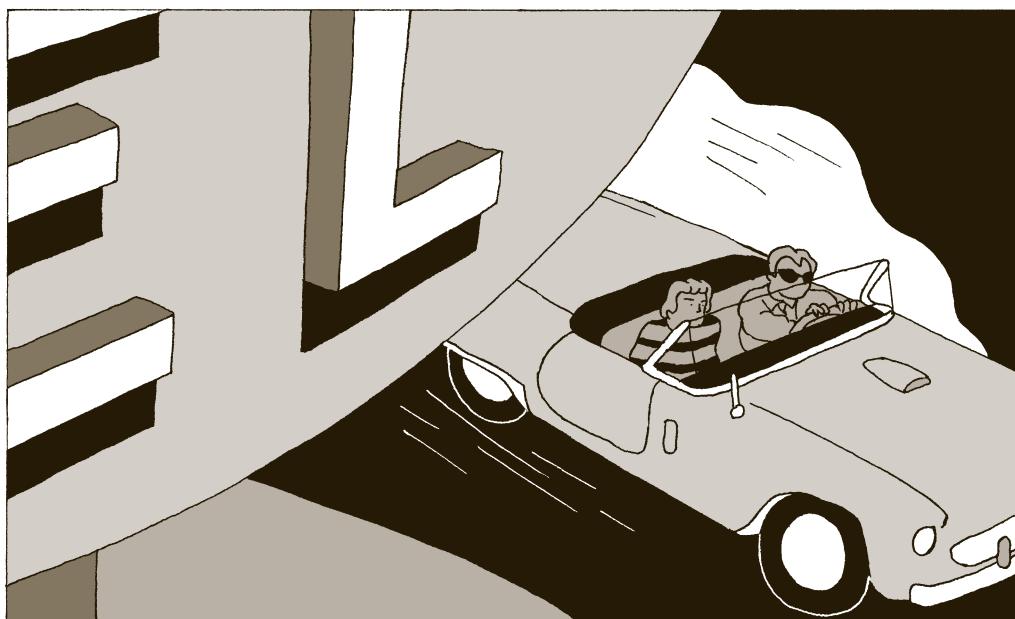

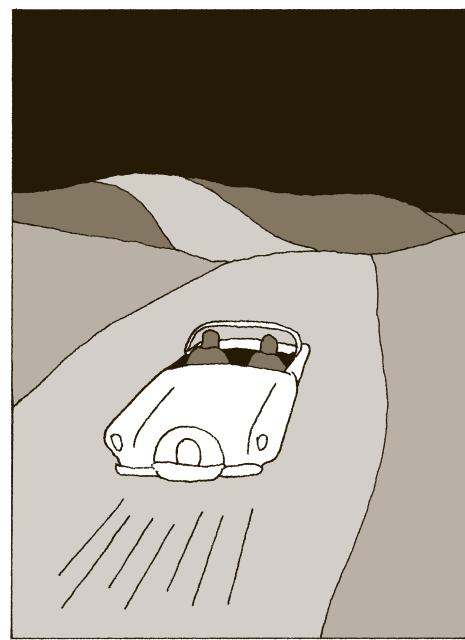

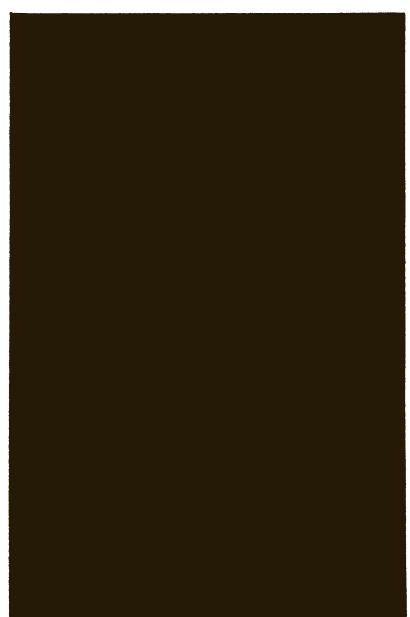

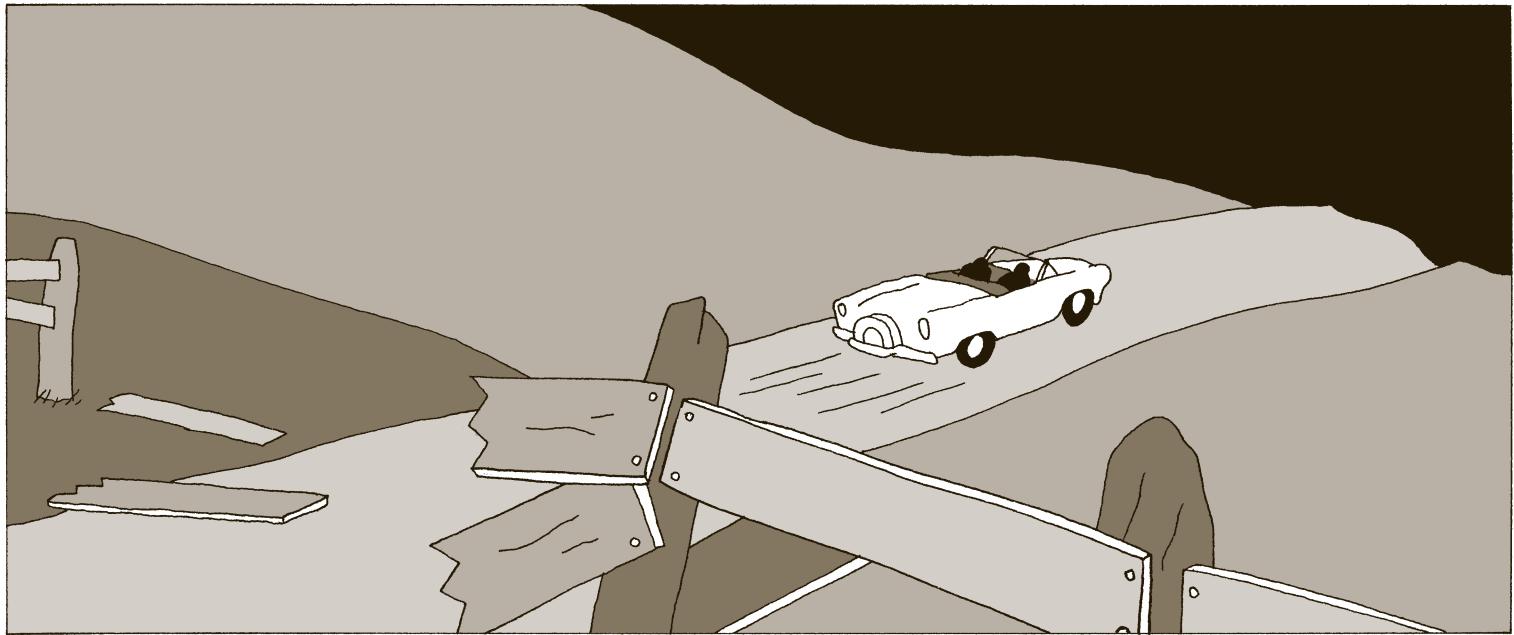

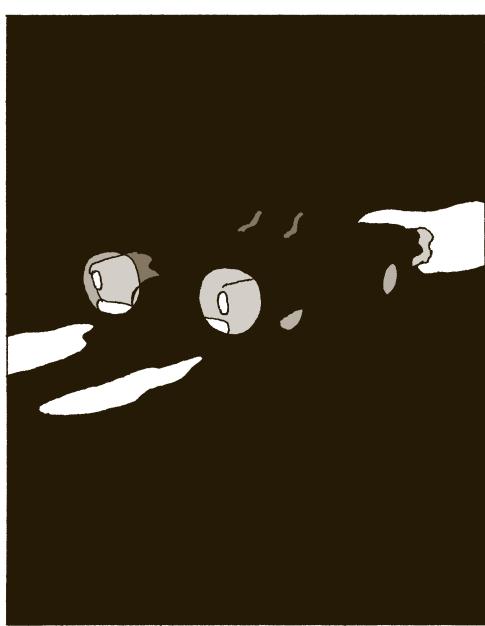

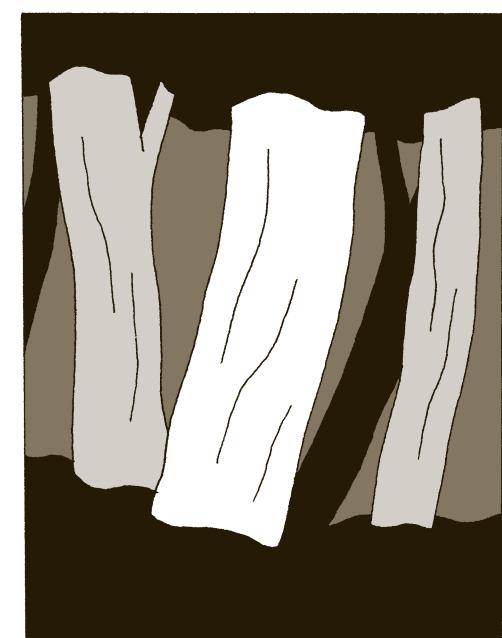

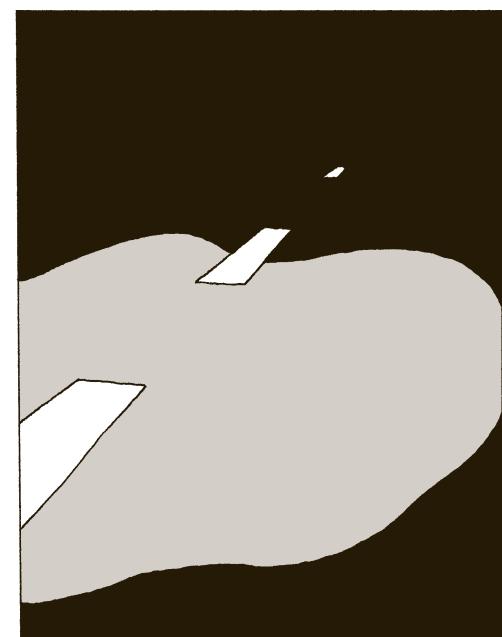

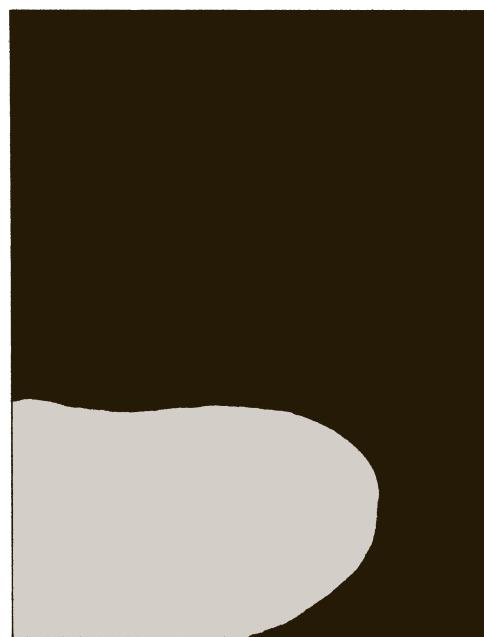

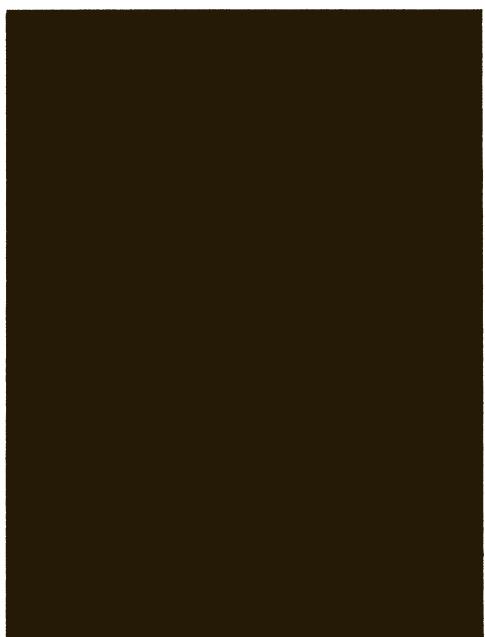

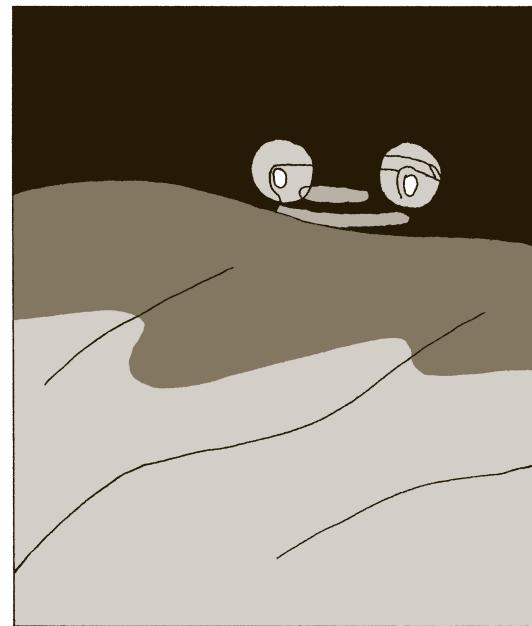

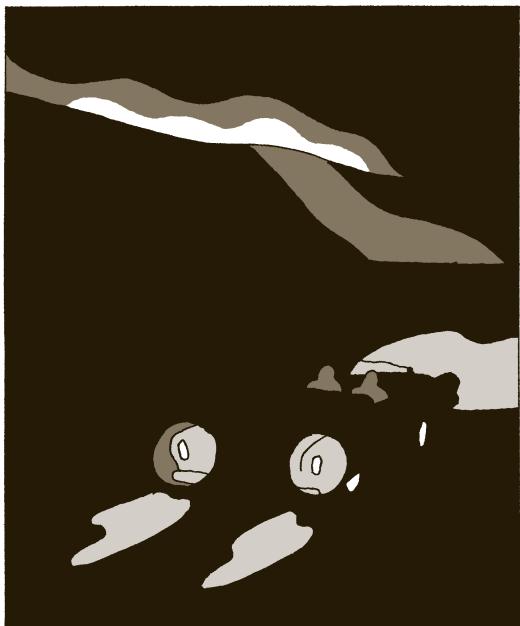

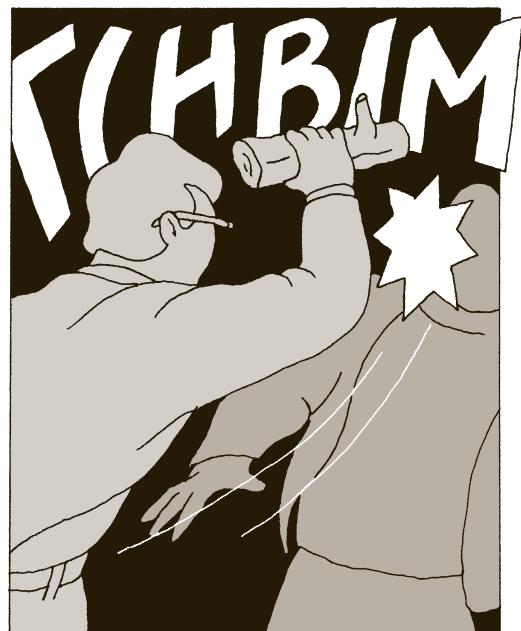

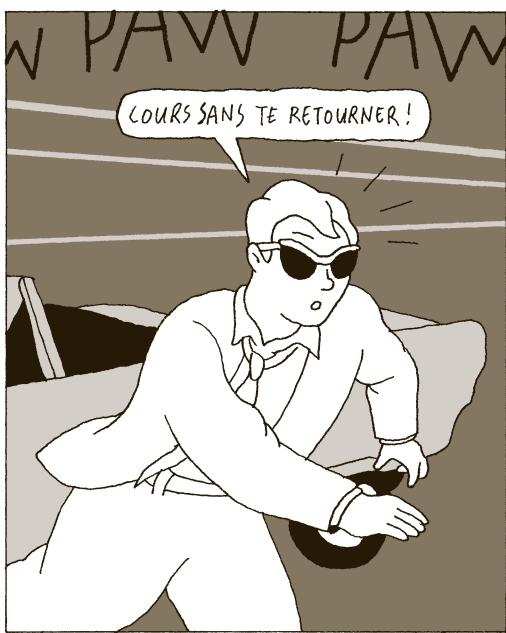

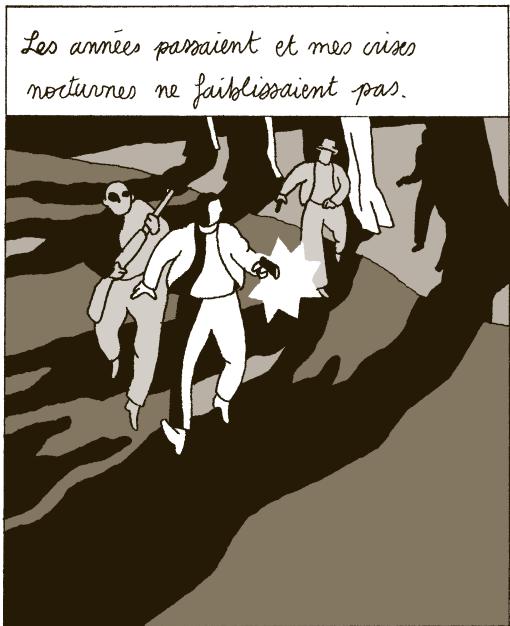

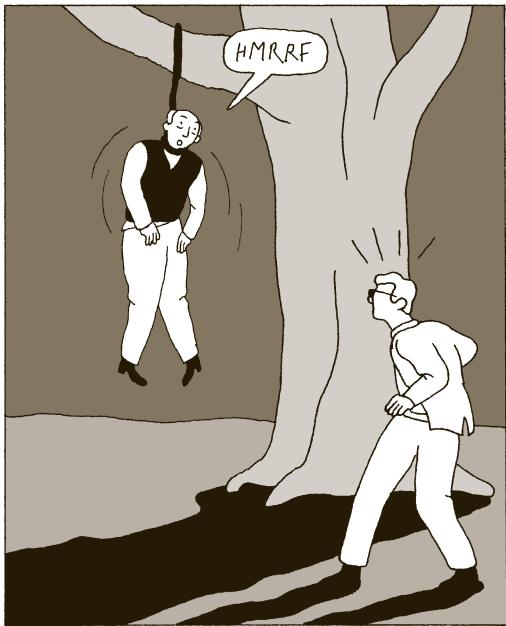

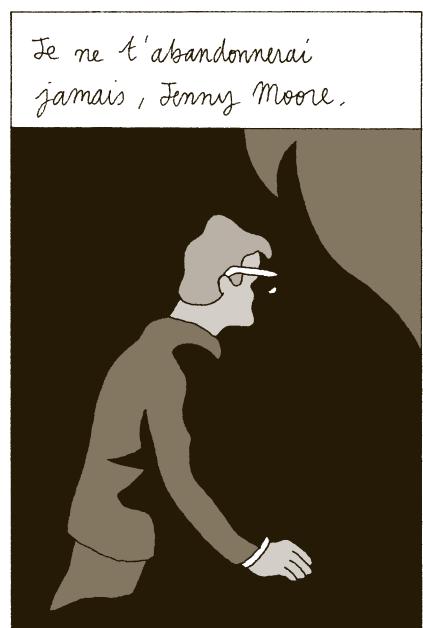

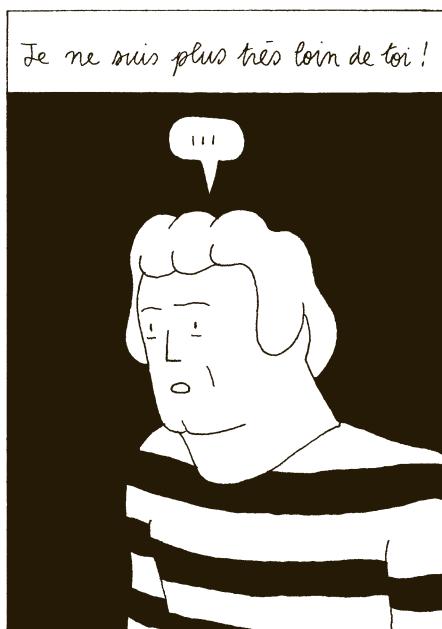

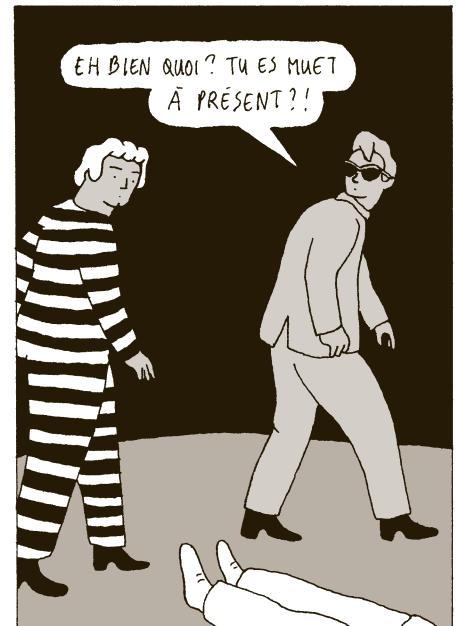

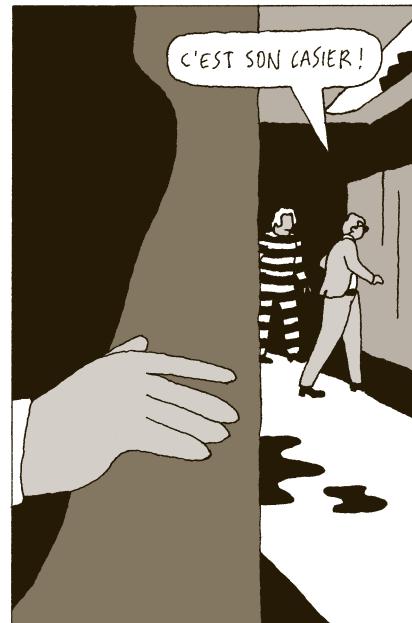

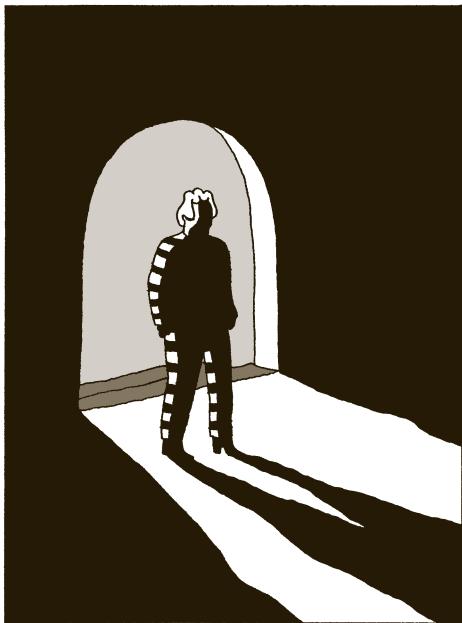

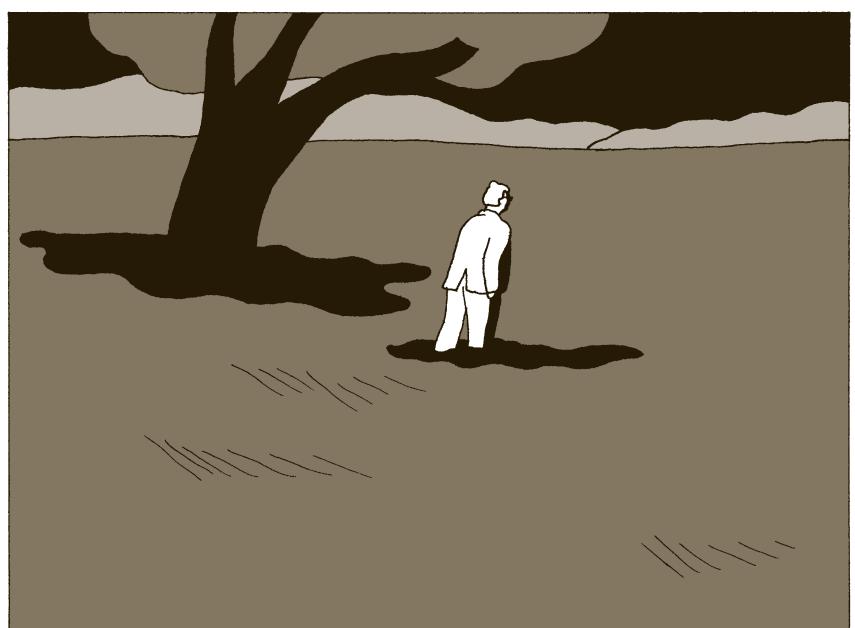

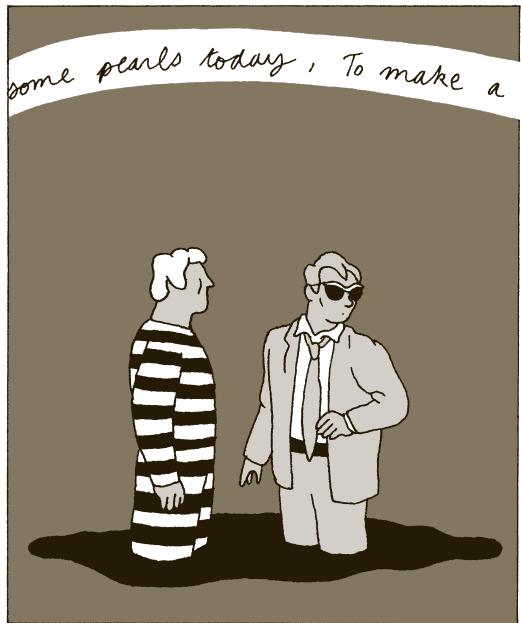

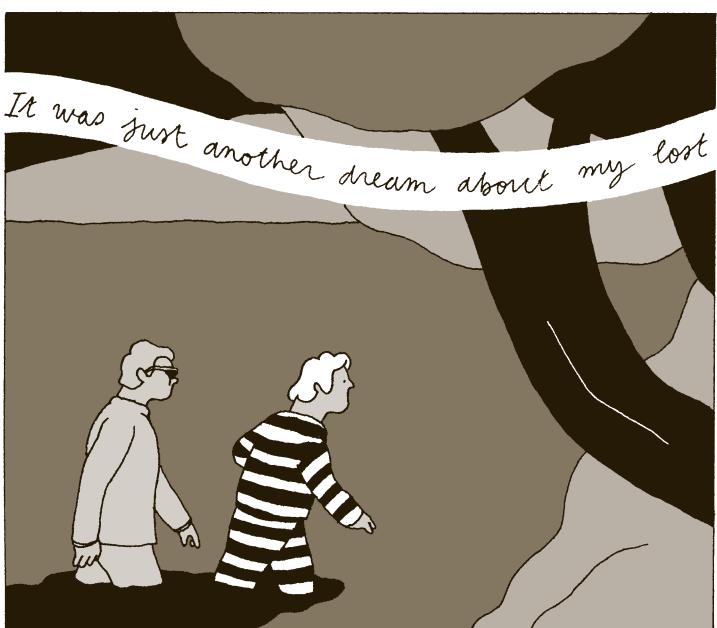

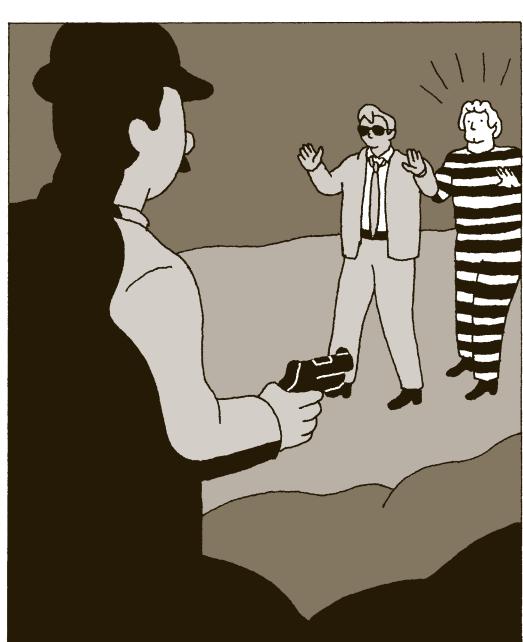

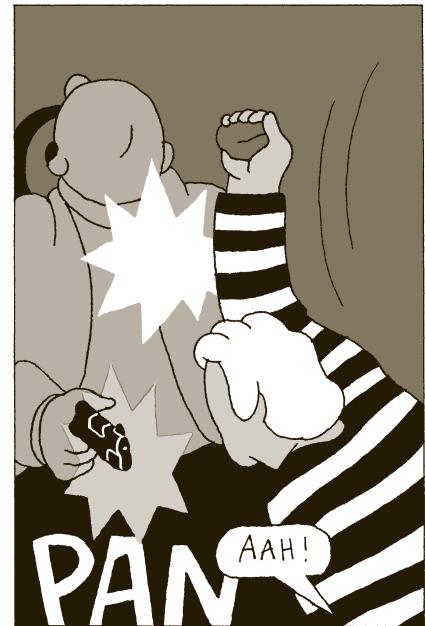

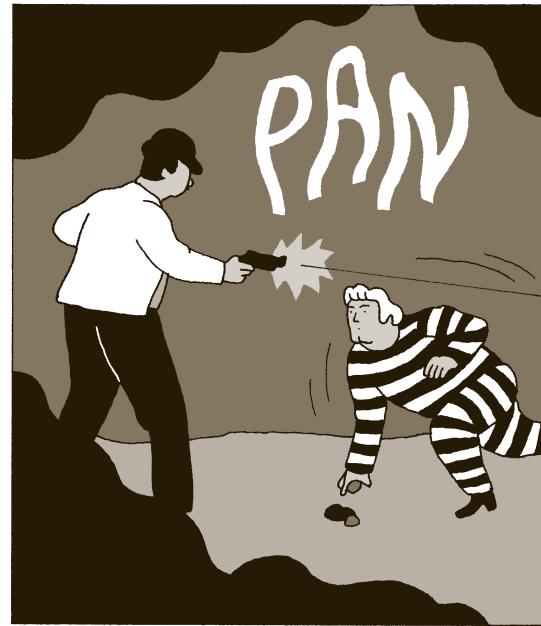

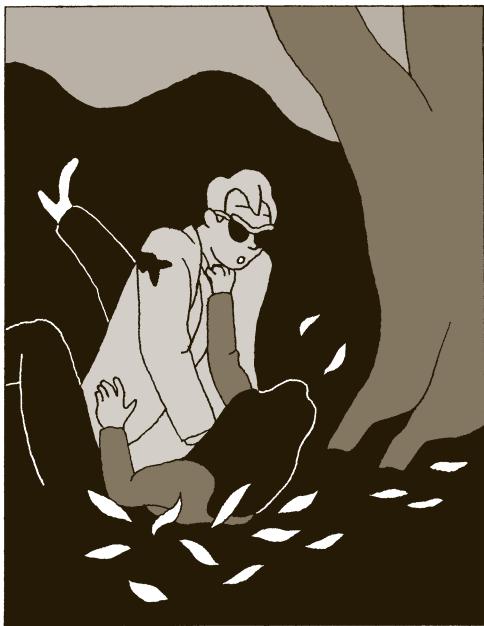

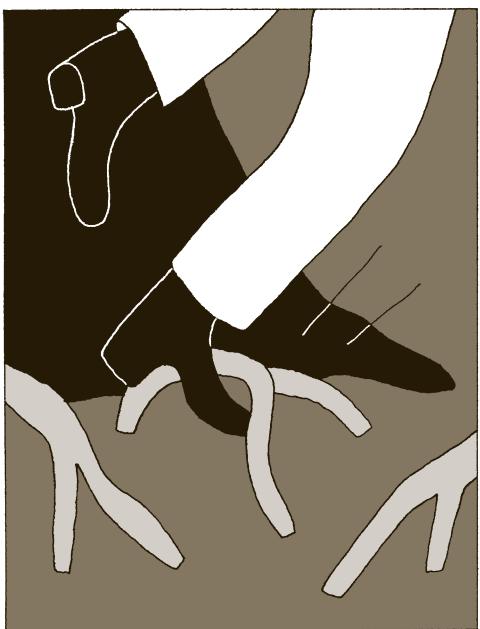

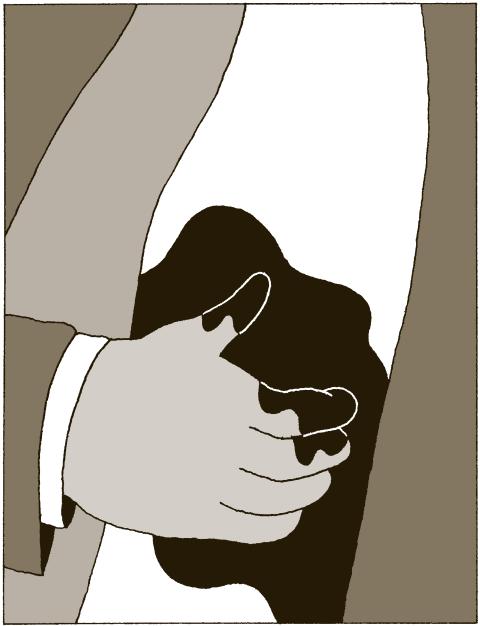

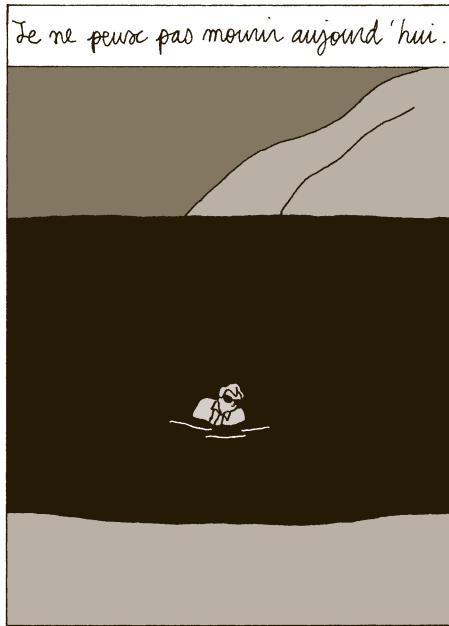

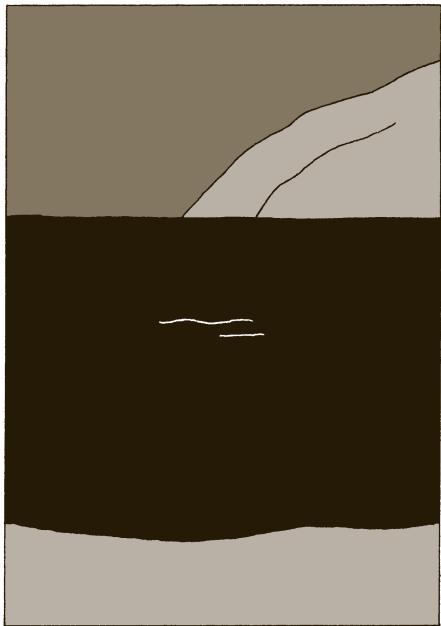

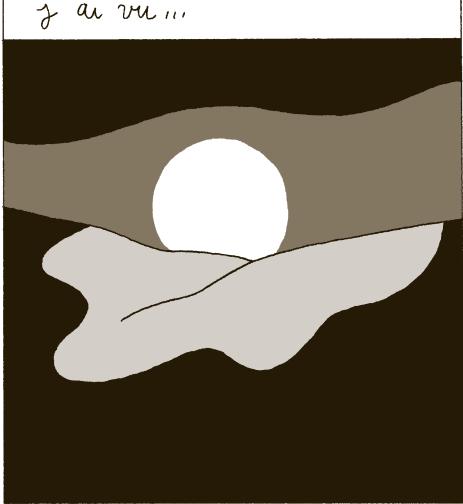

Bien sûr, tu es là. Aussi belle que je l'ai toujours imaginé.

Laisse-moi tout te dire des épreuves que j'ai traversées, de ce que j'ai vu ...

Tout ce que j'ai dû accomplir pour que nous soyons enfin réunis.

Tu apprendras à me connaître,  
je serai de bonne compagnie,  
tu verras.

Partons d'ici, Jenny Moore...

Le temps nous manque.
